

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

102

FROM: Economic Development Agency

SUBMITTAL DATE:
October 29, 2009

SUBJECT: Pre-Qualified List for Environmental Consulting Services

RECOMMENDED MOTION: That the Board of Supervisors approve the establishment of the attached list of environmental consulting firms (Attachment A) in the fields of environmental planning (CEQA/NEPA analysis), geotechnical services, biological services, storm water quality and hydrology services, cultural resource services, and hazardous materials consulting services for use on an as-needed basis and with negotiated fees not to exceed \$100,000 per project per fiscal year.

BACKGROUND: On July 20, 2009 and July 27, 2009, the Economic Development Agency (EDA) advertised a Request for Qualifications (RFQ) for pre-qualifying consultant service contracts. The RFQ also included services from qualified environmental consultants.

BACKGROUND: (Continued)

The RFQ's were submitted for the purpose of developing a list of pre-qualified consulting firms in various disciplines to perform project work on an as-needed basis.

Creating a list of pre-qualified environmental consulting firms is in conformance with Board Policy H-7, and is intended to enable the County to quickly respond to project needs and accelerate the delivery of projects.

Per Board Policy H-7 and the Government Code, a selection committee was established to review each firm's qualifications. After reviewing the submitted qualifications, 32 firms were selected for environmental consulting services on the basis of achieving a predetermined minimum collectively related score.

Consulting services will be retained on an as needed basis via the issuance of a contract or purchase order for negotiated services including, but not limited to, agreement on the scope of work, terms, conditions and compensation. The environmental consultant service fees will range from \$500 to \$100,000 per project.

Firms will be selected by EDA staff based on the pre-qualified firm's current workload and the firm's particular qualifications for individual projects.

In accordance with Board Policy H-7, the qualification for the selected firms will remain in effect for a maximum of three years from the date of Board approval. EDA staff will conduct the required annual performance reviews.

For more complex projects, a project-specific Request for Proposal will be utilized to secure the consulting services.
