with Parsons Brinckerhoff Quade & Douglas, Inc. (henceforth known as PB Americas, Inc.) on November 14, 2006 to provide the Transportation Department with the needed services. This amendment exercises the option in the agreement to extend the term of the contract for the first of the two optional one-year extensions.

PB Americas, Inc. is currently providing constructability reviews on various transportation projects and is providing engineering services for the Date Palm Drive Interchange Projects. The Transportation Department needs the continued services of PB Americas, Inc.

All associated contract costs will be funded using project funds. Thus, no net County costs will be incurred as a result of this contract amendment.

AMENDMENT TO AGREEMENT

Contract No. 06-10-010 A1
Riverside Co. Transportation

for On-Call Engineering Services

between County of Riverside – Transportation Department

and PB Americas, Inc. (dba, Parsons Brinckerhoff Quade & Douglas, Inc.)

THIS AMENDMENT (hereinafter "Amendment") to an agreement is made and entered into as of this _____ day of _____, 2009, by and between the County of Riverside, a political subdivision of the State of California (hereinafter "COUNTY"), and PB Americas Inc. (dba, Parsons Brinckerhoff Quade & Douglas, Inc.) (hereinafter "ENGINEER").

RECITALS

- A. COUNTY and ENGINEER have entered in an agreement entitled "On-Call Engineering Services between County of Riverside – Transportation Department and Parsons Brinckerhoff Quade & Douglas, Inc." that is dated November 14, 2006 (hereinafter the "Agreement"). The Agreement provides the terms and conditions, scope of work, schedule and budget for the performance of professional and technical services necessary to provide on-call engineering services. Subsequent to execution of the original agreement, ENGINEER's name changed from Parsons Brinckerhoff Quade & Douglas, Inc. to PB Americas Inc. and will henceforth be know as PB Americas Inc..
- B. Appendix B • Article BI establishes the time period for allowing work assignments to be authorized under the original agreement. The terms and conditions specify that work assignment can be authorized until June 30, 2009 and that the authority to execute work assignments can be modified through one-year supplemental extensions. The agreement allows for two separate one-year extensions. The ENGINEER is satisfactorily performing the duties under this agreement and the Transportation Department continues to need the services provided. The parties therefore now desire to implement the first one-year extension of the authority to execute work assignments.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants hereinafter contained, the parties agree as follows, effective June 30, 2009:

- 1. The authority to authorize work assignments under this contract is herby extended to June 30, 2010 in accordance with Appendix B • Article BI of the original agreement.
- 2. Except to the extent specifically modified or amended hereunder, all of the terms, covenants and conditions of

1 the Agreement shall remain in full force and effect between the parties hereto.

2 IN WITNESS HEREOF, the parties hereto have caused this Amendment to the Agreement to be duly executed
3 this day and year first written above.
