JUSTIFICATION:

1. An inspection was made of the subject property by the Code Enforcement Officer on March 26, 2007. The inspection revealed grading on the property that caused deviation from the natural topography in violation of Riverside County Ordinance No. 457 (RCC Title 15). The Officer estimated that approximately eighty-two (82) cubic yards of dirt has been graded. A search of Riverside County records indicates that no permit for grading has been obtained. This creates a public and attractive nuisance.
2. Follow-up inspections on April 3, 2007, April 6, 2007, May 31, 2007, August 24, 2007, November 28, 2007, May 12, 2008, August 7, 2008, August 22, 2008, July 16, 2009, and September 24, 2009 revealed that the property continues to be in violation of Riverside County Ordinance No. 457.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for grading without a permit.
