

434

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

**FROM:** Riverside County Information Technology

**SUBMITTAL DATE:**  
December 8, 2009

**SUBJECT:** Approval of County Technology Standards and Guidelines

**RECOMMENDED MOTION:** That the Board of Supervisors approve and adopt the attached County Technology Standards and Guidelines as required by Board Policy A-38 and H-11.

**BACKGROUND:** In accordance with Board Policy A-38 and H-11, the Executive Technology Committee (ETC) and Departmental Technology Standards Committee (DTSC) were formed to establish County technology standards and guidelines that will be adhered to by all County departments. The DTSC is a forum to debate technology issues, collaboratively research technologies and recommend solutions and standards to the ETC. The ETC is comprised of technology leadership having common issues and interests to implement a shared vision for technical resources and information. The ETC acts as a mutual voice on technology issues, directions, strategies, and policy recommendations. Technology research recommendations are prioritized by the ETC and delegated to the DTSC for review and recommendations.

During calendar year 2009, the following Technology Standards and Guidelines were recommended and adopted by the ETC and DTSC.

Departmental Concurrence

  
Matthew W. Frymire  
Chief Information Officer
