**BACKGROUND:**

Perris Valley Chamber of Commerce is holding their Annual Chamber Installation Dinner. Riverside Land Conservancy provides support for land acquisitions to protect natural landscapes and resources. Banning Chamber of Commerce is holding their annual Installation Dinner. NAMIWALKS is a grassroots organization that provides outreach to our local communities and is part of the national organization. San Geronimo Memorial Hospital is holding their annual Perfect Partner Award dinner. Riverside Community College District Foundation provides two health care profession scholarships each year. These funds provide support for these community based events and organizations and I urge the Board to support these uses of Community Improvement Designation funds.
