### SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

860 December 10, 2009

FROM: Purchasing and Fleet Services Department

SUBJECT: APPROVAL OF FY2010-2011 SUPPLY SERVICES ISF RATE CHANGES

**RECOMMENDED MOTION:** That the Board of Supervisors:

Approve the proposed rate changes for Supply Services as shown in Attachment A.

BACKGROUND: This Form 11 is for the purpose of setting Supply Services rates for fiscal year 2011. Supply Services operates as an Internal Service Fund (ISF) and as such, must recoup its operating costs through charges to its customers. Supply Services rates are derived by combining the direct cost of labor and equipment with indirect costs incurred to run and maintain the facility and operation. #### **BACKGROUND (Continued)**

Supply Services provides office, janitorial, and system furniture products to other County departments.

To minimize costs to the County, Supply Services strives for the lowest cost by bidding out large purchases and taking advantage of market conditions. A contract for a primary source of office supplies is rebid every three years with the most recent award being given in fiscal year 2009.

Riverside County is one of four California counties that have a central supply operation. The recent run up in fuel costs highlighted that a central supply operation is more cost-effective and environmentally friendly that just-in-time deliveries directly from suppliers. In addition, Supply Services is an effective way for the County to manage vendor relations by consolidating orders and payments.

#### **Delivery Rate:**

Each year Supply Services passes along delivery charges to customers in the form of rates. The delivery charges consist of direct labor, a portion of management labor, car pool expense, fuel, county delivery services, administrative overhead, and depreciation. The basis for FY 2011 rates is the actual cost of delivery in FY 2009 spread by the percentage of sales to each customer.

#### Markup - Supplies

Supply Services proposes a flexible markup rate on supplies and services not to exceed 10.0% which is a decrease from a not to exceed rate of 13.5% established in FY 2010

#### **Net Assets**

Supply Services has excess net assets of \$986,500 as of June 30, 2009. To eliminate the excess, Supply Services will waive delivery fees of \$272,360 in fiscal year 2011 per Attachment B, refund \$360,679 to County customers also per Attachment B, and move \$353,461 from unrestricted net assets to restricted net assets.
