- (3) The owner be ordered to ascertain the existence or non-existence of asbestos containing materials in said structures by survey and materials sample testing through the Industrial Hygiene Specialist of the County Health Department, Division of Special Services; and, prior to the abatement ordered in paragraph number two (2) above, to secure the removal and disposal of all asbestos containing materials discovered through such survey and testing by contract with a duly certified and licensed contractor for the handling of such materials to avoid citations and/or fines imposed by the South Coast Air Quality Management District (SCAQMD) pursuant to SCAQMD Rule No. 1403.
- (4) The accumulation of rubbish on the real property be declared a public nuisance and a violation of Riverside County Ordinance No. 541 which does not permit the accumulation of rubbish on the property.
- (5) Carlin Goode, the owner of the subject property, be directed to abate the accumulation of rubbish on the property by removing and disposing of the same from the real property within ninety (90) days.
- (6) If the owner of the real property does not take the above described action within ninety (90) days of the date of the Board's Order to Abate, that representatives of the Code Enforcement Department, Sheriff's Department, and/or a contractor, upon consent of the owners, receipt of a Court Order authorizing entry onto the real property, or other authorization as provided by law, shall abate the substandard structure and the accumulation of rubbish by removing and disposing of the same from the real property
- (7) The reasonable cost of the abatement, after notice and an opportunity for hearing, shall be imposed as a lien on the real property, which may be collected as a special assessment against the real property pursuant to Government Code Section 25845 and Ordinance No. 725.
- (8) County Counsel be directed to prepare the necessary Findings of Fact and Conclusions of Law that the substandard structures and the accumulation of rubbish on the real property are declared to be in violation of Riverside County Ordinance Nos. 457 and 541 and constitute a public nuisance. Further, County Counsel shall prepare an Order to Abate for approval by the Board.

**JUSTIFICATION:**

1. An initial inspection was made of the subject real property by the Code Enforcement Officer on August 21, 2009.
2. The inspection revealed two substandard structures (main dwelling and 2<sup>nd</sup> unit) on the subject real property in violation of Riverside County Ordinance No. 457. The substandard conditions of the structures included, but were not limited to the following: lack of or improper water closet, lavatory, bathtub, shower or kitchen sink; members of walls, partitions or other vertical supports that split, lean, list or buckle due to defective material or deterioration; members of ceilings, roofs, ceiling and roof supports or other horizontal members which sag, split or buckle due to defective material or deterioration; dampness of habitable rooms; faulty weather protection; general dilapidation or improper maintenance, the structure is infested with pigeons and nests; and abandoned, vacant, public and attractive nuisance, the structure is an eyesore to the community in which several

surrounding properties are listed for sale. The inspection also revealed the accumulation of rubbish (approximately 1,500 square feet) on the subject property in violation of Riverside County Ordinance No. 541. The accumulation of rubbish consisted of, but was not limited to the following materials: roofing materials, scrap wood and miscellaneous trash and debris.

3. Subsequent inspections of the above-described real property on September 30, 2009, and January 27, 2010, revealed that the property continues to be in violation of Riverside County Ordinance Nos. 457 and 541.
4. Staff and the Code Enforcement Department have complied with the requirements set forth in the appropriate laws of this jurisdiction pertaining to the Administrative Abatement Proceedings for substandard structures and accumulation of rubbish.
