To continue our participation in the programs for an additional two year period, the State Department of General Services requires that the Board of Supervisors adopt a resolution authorizing specific Sheriff's Department employees to acquire State or Federal surplus property on behalf of the County. In addition, the Sheriff's Department will submit participatory documents with Cal EMA.

Lastly, the Sheriff's Department, on behalf of the County, will sign and agree to a release of liability for the State and the Federal Department of Defense for any property damage and/or serious injury and death that may arise from the use of equipment acquired through the programs. County Counsel has approved as to form all surplus program documents which will be submitted to the State Department of General Services.
