SUBJECT: Encouraging Foreign Direct Investment in Riverside County

RECOMMENDED MOTION: That the Board of Supervisors:

1. Encourage increased Foreign Direct Investment in the County of Riverside for the purpose of creating new jobs and investment in the county and its 26 cities by embracing the EB-5 Visa program; and
2. Authorize the Economic Development Agency to actively promote this legal form of immigration to create jobs in our county, increase investment, and stimulate economic growth.

BACKGROUND: Foreign Direct Investment in the County of Riverside and its 26 incorporated cities has tremendous potential to create new jobs and investment in the communities we serve. Since 1990, the Congress of the United States has authorized the use of the EB-5 Visa as a tool to attract foreign capital to the United States creating jobs for our American workforce. The EB-5 Visa allows the beneficiary to engage in legal commercial enterprise in Riverside County or anywhere in the U.S.
