RECOMMENDED MOTION: (Continued)

3. Authorize the Auditor-Controller to adjust the Economic Development Agency's FY 2009/2010 budget as outlined on Schedule A; and
4. Authorize and allocate the sum of \$1,000 for a temporary construction easement on Parcel 0987-001A within Assessor's Parcel Number 163-400-037, and \$7,050 to pay all related transaction costs.

BACKGROUND:

The Riverside County Transportation Department (RCTD) proposes to install a traffic signal at the intersection of Clay Street and De Anza Plaza Drive. Clay Street is currently a two lane street that travels in a north-south direction and has a 14 ft and a 12 ft wide lane.

The project will install a 3 ft concrete median between Limonite Avenue and De Anza Plaza Drive. All the existing striping will be repainted and the lane widths will remain the same. The traffic signal installation includes new traffic signal poles, signal heads, pedestrian heads, pedestrian push buttons, luminaire heads, emergency vehicle pre-emption system, underground conduit system, and associated hardware. New ADA compliant handicap ramps will be installed at all four curb returns at this intersection.

A four foot sidewalk connecting the two new ADA handicap ramps will be installed in the driveway entrance on the west side of Clay Street, which will accommodate the new ADA handicap ramps being installed.

The Economic Development Agency (EDA) has negotiated the temporary construction easement of Parcel 0987-001A within Assessor's Parcel Number 163-400-037 from De Anza Market Place for a price of \$1,000. There are costs of \$7,050 associated with this transaction.

This Form 11 has been reviewed and approved by County Counsel as to legal form.

FINANCIAL DATA:

The following summarizes the funding necessary for the temporary construction easement of a portion of Assessor's Parcel Number 163-400-037:

Temporary Construction Easement	\$1,000
Preliminary Title Report:	\$ 750
County Appraisal:	\$2,800
EDA Real Property Staff Time:	\$3,500
Total Estimated Acquisition Costs:	\$8,050

While EDA will cover the cost for the due diligence services (Preliminary Title Report and Appraisal) at the time of this property transaction, it is understood that the Transportation Department will reimburse EDA for these costs. The budget adjustment attached (Schedule A) is necessary to allow this transaction. The remaining costs will be paid directly by the Transportation Department.

All costs associated with this property acquisition are fully funded in the Transportation Department's budget for FY 2009/10. Thus, no net county cost will be incurred as a result of this transaction.
