

FIRE

Resolution No. 2010-127, Authorization to accept donation of thermal insulation tiles from the State of California to the County of Riverside.

April 6, 2010

Page 2

(continued)

RECOMMENDED MOTION:

2. Authorize the Chairman of the Board of Supervisors to execute the documents to complete the authorization to accept the donation of thermal insulation tiles from the State of California; and
3. Authorize the Fire Chief for the Fire Department, or his designee, to execute any other documents to complete this transaction.

BACKGROUND: The State of California (CAL FIRE), has received grant funds through the California Fire Assistance Agreement; and wish to use a portion of these funds to procure thermal insulation tiles, donate these tiles in favor of the County, and the County will fund the installation of these tiles in a fire tower training prop ("Fire Tower"), personal property owned by Riverside County, for its Fire Department.

These tiles would complete the "Fire Tower" to be utilized at the Ben Clark Training Center; and save the County of Riverside, and its Fire Department, approximately fifty thousand dollars (\$50,000.00).
