SUBJECT: Agreement #AA-01607 FY 10/11 – Volunteer Center of Riverside County for 2-1-1 Information and Referral Services

BACKGROUND:

2-1-1 Riverside County was launched by the Volunteer Center of Riverside County on July 1, 2005 to link people with the information about community resources to meet their health and human service needs. The California Public Utilities commission ruled in August 2004, that the Volunteer Center of Riverside County was designated as the sole 2-1-1 provider for this county.

On November 21, 2006 (Agenda #3.17), the Board of Supervisors authorized DPSS to enter into contract with Volunteer Center of Riverside County, without competition, to provide 211 Information and Referral Services for a two year period. Each fiscal year thereafter, your honorable Board has approved agreements without competition due to the unique nature of the service (6/9/09, Agenda #3.37; 6/17/08, Agenda #3.31).

DPSS has contracted with the Volunteer Center for the past four years, and wishes to continue its support of the Volunteer Center of Riverside County for FY 10/11. A comprehensive 2-1-1 service provides information and referral about all types of community services and resources, spanning all demographic groups within the geographic area being served. 2-1-1 continues to link the residents of Riverside County with the power to find solutions and get help.

Reports from the Volunteer Center indicate that 2-1-1 referrals to DPSS for services, continues to be in the top three referrals made. In addition, DPSS continually refers clients to 2-1-1 for linkage of DPSS clients to various resources such as housing, nutrition, healthcare services and other supportive services.

Through this continuation of support, the Volunteer Center of Riverside County will provide useful client level statistical information to all DPSS supported programs.

FINANCIAL DATA:

This Agreement shall allocate \$70,000 for the period of July 1, 2010 through June 30, 2011 with two (2) one-year renewal options.

CONCUR/EXECUTE – County Purchasing

Date: March 9, 2010
From: Patricia Reynolds, Assistant Director
Department: Department of Public Social Services
To: Board of Supervisors
Via: Purchasing Agent
Subject: Request for Sole Source Procurement

The below information is provided in support of my Department requesting approval for a sole source. Outside of a duly declared emergency, the time to develop a statement of work or specifications is not in itself justification for sole source.

Supply/Service being requested:

FY 10/11 – Renewal of 211 Information and Referral Services Agreement. 211 is a three digit easy to remember number that was designated by the Federal Communications Commission to facilitate connection with the local health and human service information providers. Current 211 Agreement expires June 30, 2010.

Supplier being requested:

Volunteer Center of Riverside County

Alternative suppliers that can or might be able to provide supply/service:

NONE. The California Public Utilities commission ruled in August 2004, that the Volunteer Center of Riverside County was designated as the sole 211 provider for Riverside County.

Extent of market research conducted:

211 Riverside County was launched by the Volunteer Center of Riverside County on July 1, 2005 to link people with the information about community resources to meet their health and human service needs.

This service provides information and referrals about all types of community services and resources, spanning all demographic groups within the geographic area being served. In FY 09/10, the Volunteer Center replaced Interface Children Family Services (Ventura County 211 provider) with the Inland Empire United Way (San Bernardino County 211 provider) as their after-hours 211 coverage provider (weekends, holidays, and weekdays after 5 pm).

Unique features of the supply/service being requested from this supplier, which no alternative supplier can provide:

The Volunteer Center maintains a comprehensive web-based database of over 800 agencies and 2200 community programs to help 211 specialists respond to callers' needs quickly and efficiently.

Advanced technology allows the Volunteer Center 211 specialists to document the details of each call, link callers to vital services, and escalate high risk calls immediately by electronic notification of supervisors.

The Volunteer Center produces statistical reports and supplies data to DPSS supported programs upon request. The Volunteer Center provides DPSS with quarterly reports demonstrating call volume, trends, caller needs and referrals that offer DPSS Managers great insight into the need for services across the County.

Reasons why my department requires these unique features and what benefit will accrue to the county:

DPSS has contracted with the Volunteer Center for the past four years, and wishes to continue its support during FY 10/11. The Board of Supervisors approved agreement # AA 3175-00 for FY 09/10 without competition on June 9, 2009 (Agenda Item # 3.37). The original agreement was approved by the Board for a two year period of July 1, 2006 through June 30, 2008 on November 21, 2006 (Agenda Item # 3.17). The FY 10/11 agreement requires board approval, as there are no renewal options for the current agreement which expires June 30, 2010.

The renewal of this agreement without competition will ensure that 211 continues to connect DPSS clients to various resources. Through this continuation of support, the Volunteer Center of Riverside County will continue to provide client level statistical information to all DPSS supported programs.

Price Reasonableness:

DPSS has contracted with the Volunteer Center since FY 06/07. The FY 10/11 Maximum Reimbursable Amount of \$70,000 remains unchanged from previous funding levels of Fiscal Years 06/07, 07/08, 08/09, and 09/10. Several funding sources contributed to the successful development and launch of 211, including First Five Riverside, United Way, County of Riverside CDBG funds, the cities of Riverside County, Bank of America, the Weingart Foundation, Desert Healthcare District, and the Community Foundation Serving Riverside and San Bernardino Counties. The Riverside County Executive Office continues to work with departments that fund 211 services to ensure a coordinated effort.

Does moving forward on this product or service further obligate the county to future similar contractual arrangements?

No, moving forward with this sole source procurement would not further obligate the County to future contractual arrangements; however, it is being requested that DPSS contract with Volunteer Center of Riverside County [July 1, 2010 through June 30, 2011], with two [2] one-year renewal options.

6. LICENSES AND PERMITS

In accordance with the provisions of the Business and Professions Code concerning the licensing of Contractors, all Contractors shall be licensed, if required, in accordance with the laws of this State and any Contractor not so licensed is subject to the penalties imposed by such laws.
