cause the appropriate resolution, based on the election tally, to be prepared and returned to the Board for its consideration.

BACKGROUND: Pursuant to the Landscaping and Lighting Act of 1972 and Resolution 2010-073 adopted March 16, 2010, the Board of Supervisors noticed a public hearing for May 4, 2010, to receive testimony regarding the annexation of Zone 149 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated (L&LMD No. 89-1-C). Annexation of Zone 149 will fund the maintenance and servicing of fossil filters and traffic signals, and the provision of electricity for streetlights and traffic signals within public rights-of-way located at the intersection of Washington St and 41st Ave and westerly of Sparkey Way in the Bermuda Dunes area and includes 1 commercial parcel, totaling 3.8 acre(s).

On March 17, 2010 a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2010-073, and an information sheet was mailed to all property owners within Zone 149, proposed for annexation to L&LMD No. 89-1-C. Pursuant to the notice, all ballots must be returned prior to the conclusion of the public hearing.

Notice of the public hearing was also given by publication of a certified copy of Resolution No. 2010-073 in an appropriate newspaper at least ten (10) days prior to the public hearing date and by posting a certified copy of the Resolution No. 2010-073 on the official bulletin board customarily used by the Board of Supervisors for the posting of notices and in two other public locations within the County.
