BACKGROUND: On January 19, 2010, the Mayor of Perris executed a five-year Agreement with the County for the Sheriff to provide city law enforcement services. This new Agreement modifies the City's level of service. The City has requested that the Sheriff delete four daily Patrol officer positions, a traffic law enforcement officer position, one Community Services Officer II position and two Community Services Officer I positions. County Counsel has approved the Agreement as to form.

Two Deputy positions deleted in this action were never filled and were not budgeted. A Community Services Officer I (PCN 107121) has been transferred within the Station to a position on the Menifee contract. So the loss of the remaining positions for approximately the last half of this fiscal year will result in an estimated \$407,000 decrease in Contract City revenue. However, overall contract revenue projections utilizing eight billing periods do not indicate that city contract revenue requires an adjustment of this magnitude. For a few city contracts, service revenues are projected for the year to be higher than budgeted, offsetting losses. Therefore, staff is not recommending city contract revenue adjustments.

The following position control numbers will be deleted by the Department as a result of this contract service reduction. The control numbers associated with the Deputies are 39768, 62538, 75050, 107119 and 111812. The control number for the Community Services Officer II is 80182. The control number 106912 is associated with a Community Services Officer I position.

RESOLUTION NO. 440-8833

BE IT RESOLVED by the Board of Supervisors of the County of Riverside, State of California, in regular session assembled on _____, 2010, that pursuant to Section 4(a)(ii) of Ordinance No. 440, the Sheriff/Coroner/Public Administrator is authorized to make the following listed change(s), operative on the date of approval, as follows:

<u>Job Code</u>	<u>+/-</u>	<u>Department ID</u>	<u>Class Title</u>
37602	-5	2500300000	Deputy Sheriff
52264	-1	2500300000	Community Services Officer I

Further, City shall not alter the configuration of any PC-based equipment used to provide services herein without the permission of Sheriff's Information Technology Officer.

2.2D Establishment of RMS Rates and Payment of Costs. Establishment of RMS rates and payments for provided services shall be as specified in Sections 7.2 and 7.3 of this Agreement.

2.3 Records. County shall maintain adequate records to discharge its responsibilities under this Agreement, and shall permit inspection of County's appropriate records that relate to City services under this Agreement, as allowed by law. County shall provide City access to appropriate records pertaining to City services for approval, funding or auditing services, upon reasonable notice. Such records shall be maintained by County for periods of time as provided by law or records retention schedules duly adopted by the appropriate legislative body. 3. LEVEL OF SERVICE

3.1 Level of Service Specified. County shall provide all enforcement services at the level specified in Attachment A, attached hereto and incorporated herein by this reference.

3.2 Variation in Level of Service. Variation in the level of service shall be made by amendment, as provided for in Section 11 of this Agreement, and under the following terms:

If City requests an increase in the level of service to be provided under this Agreement, County agrees to provide such increased level of service as soon as is practicable, consistent with the ability of the Sheriff to do so.

If City elects to reduce the level of service provided herein by less than ten percent (10%), County agrees to reduce the level of service accordingly as soon as it is practicable. The level of service, however, may not be reduced to below the minimum level, as determined by County, required to ensure public and officer safety.

The Sheriff will, to the extent practical, coordinate the appointment of a Police Chief and consult with City on final selection for the position.

5. PROVISION OF SUPERVISION, LABOR, AND EQUIPMENT

Location of the above will not necessarily be within City limits. activities within the City not normally provided by the Sheriff is to be used, or where special supplies, stationery, notices, forms, and the like related to law enforcement are to be issued in the name of City, such equipment and materials shall be supplied by City at its own cost and expense. Any such special equipment or materials so purchased by City shall meet with the Sheriff's specifications, shall remain within the City limits, and ownership title thereto shall remain with City.

However, County shall be responsible for the cost of all third party liability caused by the operation of the City-owned motorcycles or vehicles, including the property damage caused by the negligence or wrongful acts of County officers and employees while operating City-owned motorcycles and vehicles. b. City shall cause their insurance carrier(s) to furnish the County of Riverside with 1) a properly executed original Certificate(s) of Insurance and certified original copies of Endorsements effecting coverage as required herein; or, 2) if requested to do so orally or in writing by the County Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that shall provide no less than thirty (30) days written notice be given to the County of Riverside prior to any material modification or cancellation of such insurance. In the event of a material modification or cancellation of coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of

endorsements or certified original policies, including all endorsements and attachments thereto evidencing that the coverages and the insurance required herein are in full force and effect. Individual(s) authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the Certificate of Insurance. If County is utilizing City-owned vehicles, operations shall not commence until the County of Riverside has been furnished original Certificate (s) of Insurance and certified original copies of endorsements or policies of insurance including all endorsements and any and all other attachments as required in this Section.

c. It is understood and agreed by the parties hereto and the City's insurance company(s), that the Certificate(s) of Insurance and policies shall so covenant and shall be construed as primary insurance, and the County's insurance and/or deductibles and/or self-insured retentions or self-insured programs shall not be construed as contributory.

6. EMPLOYMENT STATUS OF PERSONNEL

6.1 Employment Status. Any person employed by County for the performance of services and functions pursuant to this Agreement shall remain employees of County on special assignment to City for the purposes of this Agreement, and shall not be considered employees of City. No such County employee shall have any entitlement to compensation, workers' compensation coverage, pension, or civil service benefits from City.

6.2 Labor Shortage. In the event of a work slow-down, strike, or any other form of job action by those individuals assigned to City, County agrees to provide only that level of service which may be available through mutual aid, pursuant to Government Code Section 8615, et seq. City shall be billed only for the actual hours of service received.

7. COMPENSATION

7.1 Payment Basis. City shall reimburse County for the cost of rendering services hereunder at rates established by the County Board of Supervisors, which rates shall include all items of cost and expense to the Sheriff for providing the services hereunder. Such cost of services shall be established in the form of hourly rates for Sheriff's Department personnel, vehicle mileage rates, facility use rates and RMS transaction fees. "Cost" as used herein shall not include items of expense attributable to services normally provided or available to all territory within the County as part of County's obligation to enforce State law. In addition to any other fees or costs set forth herein, County may impose on City, and City shall pay upon receipt of an invoice from County, a criminal justice administrative fee consistent with Government Code Section 29550 with respect to arrests made by County employees pursuant to this Agreement just as if such arrests had been made by City employees. Pursuant to Government Code Section 51350, County shall not charge City for services it would provide to any city in the County free of charge. These services, which are provided at the discretion of County, could

typically include the services of the Sheriff's Special Investigations Bureau, Emergency Services Team, Canine Unit, and Aviation Unit.

7.2 Establishment of Costs. The rates to be charged City shall be adjusted periodically to reflect any changes in the cost to County for providing services hereunder. City shall be notified of any change in the rates to be charged City prior to submittal of the proposed change to the County Board of Supervisors for adoption, and City shall be given the opportunity to review the proposed change with County personnel. City shall, thereafter, be notified of adoption by County of the rates to be charged City, and said new rates shall take effect on the same date as County incurs the associated costs. Should City, subsequent to a rate adjustment, choose not to appropriate or expend any additional monies needed to support the level of service theretofore supplied, County reserves the right to reduce the level of service in accordance with the amount City is willing to expend.

7.3 Facility Rate. The Sheriff's Department started housing Patrol operations in its new Perris Station in FY 2007-08. The FY 2008-09 Facility Rate for the Station charged to Perris and Canyon Lake, the County's Contract partners at that Station during FY 2007-08, was based on Station costs and positions during FY 2007-08. The County agrees that future Facility Rate Station charges to Perris and Canyon Lake will not be increased due to the Sheriff's Department's decisions to move Contract or unincorporated County Patrol positions from the Station.

7.4 Payment of Costs. County, through the Sheriff's Department, shall provide to City within 30 days of the conclusion of each calendar month an itemized statement of the costs for services being charged for said month. Billing statements for RMS services will be provided quarterly for services being charged for said quarter. City shall remit payment to the invoicing department within 30 days after receipt of such statements. If such payment is not received by the County within thirty (30) days after presentation of billing, County may satisfy such indebtedness from any funds of the City on deposit with County as provided by law pursuant to Government Code Section 907.

7.5 Field Training Costs. Should City elect to add additional Deputy Sheriff positions to the level of service described herein, there will be an associated field training cost for each additional position. City will be billed, on a separate invoice, up to a maximum of sixteen (16) weeks of training on a one-time basis for each additional Deputy position. Said cost will be charged at the Unsupported Deputy hourly rate as approved by the County Board of Supervisors. Billing will be provided within 30 days of the Board of Supervisors approval of any new positions. Field training costs will not apply to supervisory or classified positions added to the level of service.

8.1 Indemnification by City. City shall indemnify and hold County, its officers, agents, employees and independent contractors free and harmless from any claim or liability whatsoever, based or asserted upon any act or omission of City, its officers, agents, employees, volunteers,

subcontractors, or independent contractors, for property damage, bodily injury or death, or any other element of damage of any kind or nature arising out of the performance of this Agreement to the extent that such liability is imposed on County by the provisions of California Government Code Section 895.2 or other applicable law, and City shall defend at its expense, including attorney fees, County, its officers, agents, and employees and independent contractors in any legal action or claim of any kind based upon such alleged acts or omissions.
