11.3

NORCO MDP LINE NA-3 AND NORTH NORCO CHANNEL LINE N-1 STAGE 2

LOCATION MAP

Norco MDP Line NA-3 will be located along Pedley Ave between 6th Street and 5th Street. The line will extend approximately 1,400 feet south from 6th Street. The proposed alignment will run along the street travelway staying within the street right-of-way (60' R/W). The proposed facility will be a reinforced concrete pipe constructed underground. Pipe size will range from 24" to 42" RCP. This facility will connect to an existing 63" lateral that joins the existing Line NA, Stage 2 and runs westerly along 6th Street.

North Norco Channel Line N-1, Stage 2 will begin from an existing 39" mainline approximately 135 feet east of the intersection of Pedley Avenue and 7th Street. The proposed facility will consist of reinforced concrete pipe being placed underground and travel easterly along 7th street then south on California Avenue. The proposed alignment on 7th Street will remain within the street travelway. The proposed alignment running south along California Avenue will travel along the equestrian trail (westerly side of street), but will remain within the street right-of-way (60' R/W). The approximate length of Line N-1 is 2,200 feet. Pipe size will range from 24" to 30" RCP.

NOTICE TO CONTRACTORS

Riverside County Flood Control and Water Conservation District hereinafter called "District", invites sealed proposals for construction of:

Norco MDP Line NA-3 & North Norco Channel Line N-1, Stage 2

Project Nos. 2-0-00075 and 2-0-00143

located in the city of Norco

Riverside County, California

Specifications and Contract Documents may be examined at the District's office at 1995 Market Street, Riverside, California, and may be obtained upon payment to District of **\$60.00** per set, received at the District's office and **\$65.00** per set if mailed. The Specifications and Contract Documents are also offered on CD-ROM for \$10.00 received at the District's office and \$15.00 if mailed. No refund.

Each proposal must be accompanied by a certified or cashier's check or bid bond equal to ten percent (10%) of the amount bid, payable to the Riverside County Flood Control and Water Conservation District as a guarantee that the Contractor will, if awarded the contract, execute a satisfactory contract and furnish the required bonds and proof of insurance.

Proposals must be in accordance with the instructions and filed with District by **11:00 a.m. on Tuesday, June 29, 2010** at the District office at the above address which time and place are fixed for the public opening of bids.

General prevailing rate per diem wages and general prevailing rate of per diem wages for holiday and overtime work, including employer payments for health and welfare, pension, vacation, apprentices and similar purposes for each craft, classification or type of workman needed for execution of contracts under the jurisdiction of District have been obtained by the Board of Supervisors of the District from the

Director of Industrial Relations of the State of California for the area where the work is to be done. The said determinations are on file in the principal office of the District, and will be made available to any interested person upon request.

Contractors submitting proposals for this project shall have an "A" Contractors license from the State of California in order to be considered eligible for the contract award.
