COUNTY OF RIVERSIDE PLANNING DEPARTMENT EXTENSION OF TIME STAFF REPORT

The applicant of the subject case has requested an extension of time to begin substantial construction. The following will be presented to the Planning Commission as a consent calendar item. Unless specifically requested by the applicant at the time of consideration, this item may not be discussed and is subject to action by the Planning Commission under a single motion.

CEQA: The subject case has conformed to the requirements of the California Environmental Quality Act, and all impacts have been analyzed in order to protect the public health, safety and welfare.

GENERAL PLAN: Unless otherwise noted, the subject case had been determined to be consistent with the General Plan and all of its elements.

REQUEST:

SECOND EXTENSION OF TIME REQUEST for TENTATIVE TRACT MAP No. 31314.

BACKGROUND:

The County Planning Department, as part of the review of this extension of time request has determined it necessary to recommend the addition of nine (9) new conditions of approval in order to be able to make a determination that the project does not adversely affect the general health, safety and welfare of the public.

The Extension of Time applicant was informed of these recommended conditions of approval and has agreed to accept the conditions. Included in this staff report package are the recommended conditions of approval, and the correspondence from the Extension of Time applicant (dated 3/30/10) indicating the acceptance of the nine (9) conditions.

FURTHER PLANNING CONSIDERATIONS:

EFFECT OF Senate Bill No. 1185: On July 15, 2008, Governor Schwarzenegger signed into law SB 1185, which grants a one-time extension of existing subdivision maps so developers can build immediately when the demand for housing goes up. It gives developers an automatic 12 month extension on previously approved subdivision maps set to expire between July 15, 2008 and January 1, 2011.

Therefore, upon an approval action by the Planning Commission, a subsequent receive and file action by the Board of Supervisors, and the conclusion of the 10-day appeal period without an appeal application, the tentative map's expiration date will become June 8, 2009 and will automatically gain benefit of the change to State law, and will, in fact, be extended until June 8,

RECOMMENDATION:

APPROVAL of the **SECOND EXTENSION OF TIME REQUEST** for **TENTATIVE TRACT MAP No. 31314**, extending the expiration date and to reflect SB1185, subject to all the previously approved and/or amended Conditions of Approval with the applicants consent.

Extension of Time Environmental Determination

Project Case Number: TR 31314
Original E.A. Number: 39054
Extension of Time No.: SECOND
Original Approval Date: JUNE 8, 2004
Project Location: Northerly of Vino Way, westerly of Anza Road, southerly of Buck Road and easterly of Calle Cabernet
Project Description: Schedule C subdivision of 52.34 acres into 19 residential lots, with a minimum lot size of two and a half acres

On March 30, 2010 this Tentative Tract Map and its original environmental assessment/environmental impact report was reviewed to determine: 1) whether any significant or potentially significant changes in the original proposal have occurred; 2) whether its environmental conditions or circumstances affecting the proposed development have changed. As a result of this evaluation, the following determination has been made:

<input type="checkbox"/>	I find that although the proposed project could have a significant effect on the environment, NO NEW ENVIRONMENTAL DOCUMENTATION IS REQUIRED PRIOR TO APPROVAL OF THE EXTENSION OF TIME, because all potentially significant effects (a) have been adequately analyzed in an earlier EIR or Negative Declaration pursuant to applicable legal standards and (b) have been avoided or mitigated pursuant to that earlier EIR or Negative Declaration and the project's original conditions of approval.
<input checked="" type="checkbox"/>	I find that although the proposed project could have a significant effect on the environment, and there are one or more potentially significant environmental changes or other changes to the circumstances under which the project is undertaken, NO NEW ENVIRONMENTAL DOCUMENTATION IS REQUIRED PRIOR TO APPROVAL OF THE EXTENSION OF TIME, because all potentially significant effects (a) have been adequately analyzed in an earlier EIR or Negative Declaration pursuant to applicable legal standards and (b) have been avoided or mitigated pursuant to that earlier EIR or Negative Declaration and revisions to the project's original conditions of approval which have been made and agreed to by the project proponent.
<input type="checkbox"/>	I find that there are one or more potentially significant environmental changes or other changes to the circumstances under which the project is undertaken, which the project's original conditions of approval may not address, and for which additional required mitigation measures and/or conditions of approval cannot be determined at this time. Therefore, AN ENVIRONMENTAL ASSESSMENT/INITIAL STUDY IS REQUIRED in order to determine what additional mitigation measures and/or conditions of approval, if any, may be needed, and whether or not at least one of the conditions described in California Code of Regulations, Section 15162 (necessitating a Supplemental or Subsequent E.I.R.) exist. Additionally, the environmental assessment/initial study shall be used to determine WHETHER OR NOT THE EXTENSION OF TIME SHOULD BE RECOMMENDED FOR APPROVAL.
<input type="checkbox"/>	I find that the original project was determined to be exempt from CEQA, and the proposed project will not have a significant effect on the environment, therefore NO NEW ENVIRONMENTAL DOCUMENTATION IS REQUIRED PRIOR TO APPROVAL OF THE EXTENSION OF TIME.

APPLICATION FOR EXTENSION OF TIME

The Planning Department will primarily direct communications regarding this application to the person identified above as the Applicant. The Applicant may be the property owner, representative, or other assigned agent.

All approvals of extension of time must be consistent with the pertinent elements of the Riverside County General Plan, the Riverside County Land Use Ordinance (Ordinance No. 348), and the Multiple Species Habitat Conservation Plan (MSHCP).

An extension of time for a land division based on the filing of a phased final map shall not be granted unless the Planning Department determines that the requisite funds have been expanded to construct, improve, or finance the construction of public improvements outside the boundaries of the land division. Any other extension of time for a land division shall not be granted unless the land division conforms to the Comprehensive General Plan, is consistent with existing zoning, conforms to the currently applicable schedule of improvements specified by the Riverside County Land Division Ordinance (Ordinance No. 348) and does not affect the general health, safety, and welfare of the public. If required to bring the subject land division into conformance with current general plan, Ordinance No. 460 and public health, safety, and welfare requirements, additional conditions of approval may be imposed upon approval of an extension of time request.

I hereby request an extension of time for the above referenced project, and I acknowledge that if the basis for extension is something other than the filing of a phased final map, additional conditions of approval may be imposed upon approval of the extension of time and that I may refuse to accept additional conditions of approval only in writing prior to action by the Planning Director, or in writing or in person prior to action by the Planning Commission.

Bachelor assigned his Membership Interest to himself as Trustee of the Bachelor Family Trust dated July 11, 2001; and the current Members desire to further revise the Original Operating Agreement.

D. Accordingly, the current Members now enter into this Operating Agreement in order to reflect such changes and to provide for the further governance of the Company and the conduct of its business and to specify their relative rights and obligations. This Agreement supersedes and replaces the Original Operating Agreement in its entirety.

NOW THEREFORE, the Members hereby agree as follows:

1. CERTAIN DEFINITIONS. The following capitalized terms used in this Agreement have the meanings specified in this Article or elsewhere in this Agreement and when not so defined shall have the meanings set forth in California Corporations Code section 17001.

1.1 "Majority in Interest" means a Member or Members whose Membership Interests represent more than 50 percent of the Membership Interests of all the Members.

The amount of each Member's Membership Interest, relative to the Membership Interests of all Members, is expressed as a percentage on Exhibit "B" attached to this Agreement.

The Articles were amended by a Limited Liability Company Certificate of Amendment filed with the California Secretary of State on December 18, 2003, a copy of which is attached to this Agreement as Exhibit "A". The Articles, as amended, are hereby approved, ratified and confirmed by the Members.

2.5 The term of existence of the Company commenced on the date of filing the Articles with the California Secretary of State, and shall continue until February 4, 2051, unless sooner terminated by the provisions of this Agreement or as provided by law.

2.7 The name and business address of the Manager is: William L. Bachelor, 25050 Madison Avenue, Murrieta, California 92562.

3. CAPITALIZATION.

3.1 "Capital Contribution" of a Member means the amount of money and the Fair Market Value of any property (other than money) contributed to the Company (net of liabilities secured by such contributed property that the Company is considered to assume or take "subject to" under IRC section 752). "Fair Market Value" means, with respect to any item of property of the Company, the item's adjusted basis for federal income tax purposes, except as follows:

(a) The Fair Market Value of any property contributed by a Member to the Company shall be the value of such property, as mutually agreed by the contributing Member and the Company;

(b) The Fair Market Value of any item of Company property distributed to any Member shall be the value of such item of property on the date of distribution, as mutually agreed by the distributee Member and the Company; and

(c) Fair Market Value for purposes of Subsection 8.7 shall be as determined under that Subsection.

Each Member shall contribute to the capital of the Company as the Member's Capital Contribution the money and property specified in Exhibit "B" to this Agreement. A Capital Contribution shall not be deemed a loan. The Members anticipate that Gianulias will provide necessary working capital to the Company, and that Bachelor will provide services to the Company; however, unless otherwise agreed in writing by all Members, no Member shall be required to make any Capital Contribution in excess of the Member's Required Capital Contribution set forth in Exhibit "B", or to guarantee any loan.

3.2 If a Member fails to make a required Capital Contribution within 30 days after the effective date of this Agreement, that Member's entire Membership Interest shall terminate and that Member shall indemnify and hold the Company and the other Members harmless from any loss, cost, or expense, including reasonable attorneys' fees caused by the failure to make such Capital Contribution.

3.3 An individual Capital Account shall be maintained for each Member consisting of that Member's Capital Contribution, (1) increased by that Member's share of Profits, (2) decreased by that Member's share of Losses, and (3) adjusted as required in accordance with applicable provisions of the Internal Revenue Code of 1986, as amended,

("Code") and Regulations. "Regulations" means the income tax regulations promulgated by the United States Department of the Treasury for the purpose of interpreting and applying the provisions of the Code, as they may be amended from time to time, including corresponding provisions of applicable successor regulations.

3.4 A Member shall not be entitled to withdraw any part of the Member's Capital Contribution or to receive any distributions, whether of money or property from the Company except as provided in this Agreement.

3.5 No interest shall be paid on funds or property contributed to the capital of the Company or on the balance in a Member's Capital Account.

3.6 A Member shall not be bound by, or be personally liable for, the expenses, liabilities, or obligations of the Company except as otherwise provided in the Act or in this Agreement.

3.7 No Member shall have priority over any other Member, with respect to the return of a Capital Contribution, or distributions or allocations of income, gain, losses, deductions, credits, or items thereof.

4. ALLOCATIONS AND DISTRIBUTIONS.

4.1. Profits and Losses. "Profits and Losses" means, for each fiscal year or other period specified in this Agreement, an amount equal to the Company's taxable income or loss for such year or period, determined in accordance with Code section 703(a). The Profits and Losses of the Company and all items of Company income, gain, loss, deduction, or credit shall be allocated, for Company book purposes and for tax purposes, to a Member in accordance with the Member's Membership Interest.

4.2. If any Member unexpectedly receives any adjustment, allocation, or distribution described in Regulations sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5), or 1.704-1(b)(2)(ii)(d)(6), items of Company gross income and gain shall be specially allocated to that Member in an amount and manner sufficient to eliminate any deficit balance in the Member's Capital Account created by such adjustment, allocation, or distribution as quickly as possible. Any special allocation under this subsection shall be taken into account in computing subsequent allocations of Profits and Losses so that the net amount of allocations of income and loss and all other items shall, to the extent possible, be equal to the net amount that would have been allocated if the unexpected adjustment, allocation, or distribution had not occurred. The provisions of this subsection and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with

Regulations sections 1.704-1(b) and 1.704-2 and shall be interpreted and applied in a manner consistent with such Regulations.

4.3. Any unrealized appreciation or unrealized depreciation in the values of Company property distributed in kind to all the Members shall be deemed to be Profits or Losses realized by the Company immediately prior to the distribution of the property and such Profits or Losses shall be allocated to the Members' Capital Accounts in the same proportions as Profits are allocated under the subsection entitled Profits and Losses above. Any property so distributed shall be treated as a distribution to the Members to the extent of the Fair Market Value of the property less the amount of any liability secured by and related to the property. Nothing contained in this Agreement is intended to treat or cause such distributions to be treated as sales for value. For the purposes of this subsection, "unrealized appreciation" or "unrealized depreciation" shall mean the difference between the Fair Market Value of such property and the Company's basis for such property.

4.4. "Economic Interest" means a person's right to share in the income, gains, losses, deductions, credit or similar items of, and to receive distributions from, the Company, but does not include any other rights of a Member, including the right to vote or to participate in management. In the case of a Transfer of an Economic Interest during any fiscal year, the assigning Member ("Assigning Member") and the assignee ("Assignee") shall each be allocated the Economic Interest's share of Profits or Losses based on the number of days each held the Economic Interest during that fiscal year. "Transfer" means, with respect to a Membership Interest, or any element of a Membership Interest, any sale, assignment, gift, Involuntary Transfer, or other disposition of a Membership Interest or any element of such a Membership Interest, directly or indirectly, other than an Encumbrance that is expressly permitted under this Agreement. "Involuntary Transfer" means, with respect to any Membership Interest, or any element thereof, any Transfer or Encumbrance (as defined in the Section entitled Transfers of Membership Interests), whether by operation of law, pursuant to court order, foreclosure of a security interest, execution of a judgment or other legal process, or otherwise, including a purported transfer to or from a trustee in bankruptcy, receiver, or assignee for the benefit of creditors.

4.5. "Capital Event" means a sale or disposition of any of the Company's capital assets, the receipt of insurance and other proceeds derived from the involuntary conversion of Company property, the receipt of proceeds from a refinancing of Company property, or a similar event with respect to Company property or assets. "Available Cash" means all net revenues from the Company's operations, including net proceeds from all sales, refinancings, and other dispositions of Company property that the Manager, in its sole discretion, deems in excess of the amount reasonably necessary for operating the Company, including debt reduction and reserves for repairs, replacements, improvements and contingencies. All

Available Cash resulting from the normal business operations of the Company and from a Capital Event shall be distributed at such times as the Manager shall determine.

4.6 If the proceeds from a sale or other disposition of a Company asset consist of property other than cash, the value of such property shall be as determined by the Manager. Such non-cash proceeds shall then be allocated among all the Members in the same manner as distribution of Available Cash.

4.7 Distribution of Available Cash and Other Assets by the Company.

4.7.1 All Available Cash resulting from the normal business operations of the Company and from Capital Events shall be distributed first to the Members in proportion to, and in reduction of, their unreturned capital contributions until each Member has recovered his entire capital contribution, and then among the Members in proportion to their Membership Interests.

4.7.2 Notwithstanding anything to the contrary in Section 4.7.1 above, the Manager shall distribute Available Cash from the normal business operations of the Company and from Capital Events to each Member in an amount sufficient to pay the federal and state income tax on the Profit allocated to them pursuant to Section 4.1 to provide cash for such Members to pay taxes on the profit so allocated and not yet distributed ("Tax Distributions"). Tax Distributions shall be made at such time as to enable the Members to satisfy their federal and state estimated and year end tax payment obligations; provided, however, Tax Distributions shall only be made to the extent that cumulative distributions under Section 4.7.1 above are less than such highest federal and state income tax rate multiplied by the cumulative allocations of Profit pursuant to Section 4.1. Any amount distributed to a Member pursuant to this Section 4.7.2 shall be treated as an advance against other distributions to which the Member is entitled and shall be credited against and subtracted from the other distributions to which such Member is entitled, which subtraction shall be from the next distribution to which the Member is entitled and if any creditable amount remains thereafter, from the next immediate distribution until no further credit remains. Any amount credited to a distribution pursuant to the foregoing sentence shall be deemed distributed for purposes of the distribution against which is credited, including for purposes of determining a Member's unreturned Capital Contribution.

4.8. Final Allocations and Distributions. Notwithstanding any other provisions of this Agreement to the contrary, when there is a distribution in liquidation of the Company, or when any Member's interest is liquidated, all items of income and loss first shall be allocated to the Members' Capital Accounts under this Section, and other credits and deductions to the Members' Capital Accounts shall be made before the final distribution is made. The final

distribution to the Members shall be made to the Members to the extent of and in proportion to their positive Capital Account balances.

5. MANAGEMENT.

5.1. The business of the Company shall be managed by the Manager. Unless otherwise provided in this Agreement, all decisions concerning the management of the Company's business shall be made by the Manager.

5.2 The Manager shall serve until the earlier of, (i) the Manager's resignation, death or disability, or (ii) five (5) years after the date of this Agreement. A new Manager may be appointed by a Majority in Interest on the occurrence of either of the foregoing.

5.3. The Manager shall have the duties set forth in this Section above. Notwithstanding this, the Manager shall not take any of the following actions on behalf of the Company unless a Majority in Interest has consented to the taking of such action.

(a) Any act that would make it impossible to carry on the ordinary business of the Company;

(b) Confession of a judgement against the Company;

(c) Dissolution of the Company;

(d) Disposition of all or a substantial part of the Company's assets not in the ordinary course of business;

(e) Incurring any debt;

(g) Filing a petition in bankruptcy or entering into an arrangement among creditors; and

(h) Entering into any transaction constituting a "reorganization" within the meaning of Corporations Code 17600.

5.4 The Manager need not be a Member. A Majority in Interest may provide for officers of the Company and for their election, and may establish and alter the powers, duties, and compensation of the officers.

5.5 It is acknowledged that the Manager has other business interests. The Manager shall devote such time to the conduct of the business of the Company as the Manager, in the Manager's good faith and discretion, deems necessary.

5.6 The Manager shall be entitled to reimbursement of all expenses reasonably incurred by the Manager in the performance of the Manager's duties.

5.7 All assets of the Company, whether real or personal, shall be held in the name of the Company. All funds of the Company shall be deposited in one or more accounts with one or more recognized financial institutions in the name of the Company, at such locations as shall be determined by the Manager. Withdrawal from such accounts shall require the signature of the Manager, or such person or persons as the Manager may designate.

6. ACCOUNTS AND RECORDS.

6.1 Complete books of account of the Company's business, in which each Company transaction shall be fully and accurately entered, shall be kept at the Company's principal executive office and shall be open to inspection and copying by each Member or the Member's authorized representatives on reasonable notice during normal business hours. The costs of such inspection and copying shall be borne by the Member.

6.2 Financial books and records of the Company shall be kept on the cash method of accounting, which shall be the method of accounting followed by the Company for federal income tax purposes. A balance sheet and income statement of the Company shall be prepared promptly following the close of each fiscal year in a manner appropriate to and adequate for the Company's business and for carrying out the provisions of this Agreement. The fiscal year of the Company shall be January 1 through December 31.

6.3. At all times during the term of existence of the Company, and beyond that term if a Majority in Interest deem it necessary, the Manager shall keep or cause to be kept the books of account referred to in Subsection 6.2, and the following:

(a) A current list of the full name and last known business or residence address of each Member, together with the Capital Contribution and the share in Profits and Losses of each Member;

(b) A copy of the Articles of Organization, as amended;

(c) Copies of the Company's federal, state, and local income tax or information returns and reports, if any, for the six most recent taxable years;

- (d) Executed counterparts of this Agreement, as amended;
- (e) Any powers of attorney under which the Articles of Organization or any amendments thereto were executed;
- (f) Financial statements of the Company for the six most recent fiscal years; and.
- (g) The books and records of the Company as they relate to the Company's internal affairs for the current and past four fiscal years.

6.4 Within 90 days after the end of each taxable year of the Company the Manager shall send to each of the Members all information necessary for the Members to complete their federal and state income tax or information returns, and a copy of the Company's federal, state, and local income tax or information returns for such year.

7. MEMBERS AND VOTING.

7.1. There shall be only one class of membership and no Member shall have any rights or preferences in addition to or different from those possessed by any other Member. Each Member shall vote in proportion to the Member's Membership Interest as of the governing record date, determined in accordance with the Subsection below entitled "Record Date". "Vote" means a written consent or approval, a ballot cast at a Meeting, or a voice vote. Any action that may or that must be taken by the Members shall be by a Majority in Interest, except that the following actions shall each require the unanimous vote of the Members:

- (a) transfer of a Membership Interest and admission of the Assignee as a Member in the Company;
- (b) approval of the Encumbrance of any Membership Interest;
- (c) any amendment of the Articles of Organization or this Agreement;
- (d) compromise of the obligation of a Member to make a Capital Contribution; or,
- (e) changing the nature of the principal business of the Company;

7.2 The Members are not required to hold meetings. In the event that Members wish to hold a formal meeting ("Meeting") for any reason, the following procedures shall apply:

(1) Any Member may call a Meeting of the Members by giving notice of the time and place of the Meeting at least 48 hours prior to the time of the holding of the Meeting. The notice need not specify the purpose of the Meeting, or the location if the Meeting is to be held at the principal executive office of the Company.

(2) A Majority in Interest shall constitute a quorum for the transaction of business at any Meeting of the Members.

(3) The transactions of the Members at any Meeting, however called or noticed, or wherever held, shall be as valid as though transacted at a Meeting duly held after call and notice if a quorum is present and if, either before or after the Meeting, each Member not present signs a written waiver of notice, a consent to the holding of the Meeting, or an approval of the minutes of the Meeting.

(4) Members may participate in the Meeting through the use of a conference telephone or similar communications equipment, provided that all Members participating in the Meeting can hear one another.

(5) Any action required or permitted to be taken by the Members under this Agreement may be taken without a Meeting if a Majority in Interest individually or collectively consent in writing to such action.

(6) The Manager shall keep or cause to be kept with the books and records of the Company full and accurate minutes of all Meetings, notices, and waivers of notices of Meetings, and all written consents in lieu of Meetings.

7.3 Record Date. The record date for determining the Members entitled to notice of any Meeting, to vote, to receive any distribution, or to exercise any right in respect of any other lawful action, shall be the date set by the Manager, provided that such record date shall not be more than 60, nor less than 10 days prior to the date of the Meeting, nor more than 60 days prior to any other action.

In the absence of any action setting a record date the record date shall be determined in accordance with California Corporations Code section 17104(k).

7.4 At all Meetings of Members, a Member may Vote in person or by Proxy. Such Proxy shall be filed with any Member before or at the time of the Meeting, and may be filed by facsimile transmission to a Member at the principal executive office of the Company or such other address as may be given by a Majority in Interest to the Members for such

purposes. "Proxy" has the meaning set forth in the first paragraph of California Corporations Code section 17001(ai). A Proxy may not be transmitted orally.

8. TRANSFERS OF MEMBERSHIP INTERESTS.

8.1 Withdrawal of a Member. A Member may withdraw from the Company at any time by giving notice of withdrawal to the Manager and all other Members at least 180 calendar days before the effective date of withdrawal. Withdrawal shall not release a Member from any obligations and liabilities under this Agreement accrued or incurred before the effective date of withdrawal. A withdrawing Member shall divest the Member's entire Membership Interest before the effective date of withdrawal in accordance with the transfer restrictions and option rights set forth below.

8.2 No Transfer or Encumbrance. Except as expressly provided in this Agreement, a Member shall not Transfer any part of the Member's Membership Interest, whether now owned or hereafter acquired, unless (1) the other Members unanimously approve the transferee's admission to the Company as a Member upon such Transfer and (2) the Membership Interest to be transferred, when added to the total of all other Membership Interests transferred in the preceding 12 months, will not cause the termination of the Company under the Code. No Member may cause or permit any Encumbrance of all or any part of the Member's Membership Interest in the Company unless such Encumbrance has been approved in writing by all the other Members. "Encumbrance" means, with respect to any Membership Interest, or any element thereof, a mortgage, pledge, security interest, lien, proxy coupled with an interest (other than as contemplated in this Agreement), option, or preferential right to purchase. Any Transfer or Encumbrance of a Membership Interest without such approval shall be void. Notwithstanding any other provision of this Agreement to the contrary, a Member who is a natural person may transfer all or any portion of his or her Membership Interest to any revocable trust created for the benefit of the Member, or any combination between or among the Member, the Member's spouse, and the Member's issue; provided that the Member is a trustee of the trust, retains a beneficial interest in the trust, and retains all of the Voting Interest included in such Membership Interest. A transfer of a Member's entire beneficial interest in such trust or failure to retain such Voting Interest shall be deemed a Transfer of a Membership Interest. "Voting Interest" means, with respect to a Member, the right to vote or participate in management and any right to information concerning the business and affairs of the Company provided under the Act, except as limited by the provisions of this Agreement. A Member's Voting Interest shall be directly proportional to that Member's Membership Interest.

8.3 Events Triggering Option to Purchase. On the happening of any of the following events with respect to a Member, the Company and the other Members shall have

the option to purchase all or any portion of the Membership Interest in the Company of such Member ("Selling Member") at the price and on the terms provided in Subsection 8.7:

- (a) death or incapacity of a Member;
- (b) bankruptcy of a Member;
- (c) merger or dissolution and winding up of a corporate, partnership, or limited liability company Member, as a result of which the Member does not survive as an entity;
- (d) withdrawal of a Member; or
- (e) except for the events stated in Subsection 8.4, the occurrence of any other event that is, or that would cause, a Transfer in contravention of this Agreement.

Each Member agrees to promptly give notice of such an event to all other Members.

8.4 Notwithstanding any other provisions of this Agreement:

(a) Dissolution of Marriage. If, in connection with the divorce or dissolution of the marriage of a Member, any court issues a decree or order that transfers, confirms, or awards a Membership Interest, or any portion thereof, to that Member's spouse (an "Award"), then, notwithstanding that such transfer would constitute an unpermitted Transfer under this Agreement, that Member shall have the right to purchase from his or her former spouse the Membership Interest, or portion thereof, that was so transferred, and such former spouse shall sell the Membership Interest or portion thereof to that Member pursuant to Subsection 8.5. If the Member has failed to consummate the purchase within 180 days after the Award, the Company and the other Members shall have the option to purchase from the former spouse the Membership Interest or portion thereof pursuant to Subsection 8.5; provided that the option period shall commence 181 days after the date of actual notice of the Award.

(b) Death of Spouse. If, by reason of the death of a spouse of a Member, any portion of a Membership Interest is transferred to a Transferee other than (1) that Member or (2) a trust created for the benefit of that Member (or for the benefit of that Member and any combination between or among the Member and the Member's issue) in which the Member is the sole Trustee and the Member, as Trustee or individually, possesses all of the Voting Interest (as defined above in this Section) included in that Membership Interest, then the Member shall have the right to purchase the Membership Interest or portion thereof from the estate or other successor of his or her deceased spouse or Transferee of such deceased spouse, and the estate, successor, or Transferee shall sell the Membership Interest or portion

thereof pursuant to Subsection 8.5. If the Member has failed to consummate the purchase within 180 days after the date of death, the Company and the other Members shall have the option to purchase from the estate or other successor of the deceased spouse the Membership Interest or portion thereof pursuant to Subsection 8.5; provided that the option period shall commence 181 days after the date of actual notice of the death.

8.5 Option to Purchase. On the receipt of notice by the Manager as contemplated by Subsection 8.1, and on receipt of actual notice of any event set forth in Subsection 8.3, the Company shall have the option, for a period ending 30 calendar days following the determination of the purchase price as provided in Subsection 8.7, to purchase the Membership Interest to which the option relates, at the price and on the terms provided in Subsection 8.7, and the other Members, pro rata in accordance with their prior Membership Interests, shall then have the option, for a period of 30 days thereafter, to purchase the Membership Interest not purchased by the Company, on the same terms and conditions as apply to the Company. If all other Members do not elect to purchase the entire remaining Membership Interest, then the Members electing to purchase shall have the right, pro rata in accordance with their prior Membership Interest, to purchase the additional Membership Interest available for purchase. The transferee of any Membership Interest that is not purchased shall hold such Membership Interest subject to all of the provisions of this Agreement.

8.6 No Member shall participate in any vote or decision in any matter pertaining to the disposition of that Member's Membership Interest.

8.7 The purchase price of the Membership Interest that is the subject of an option under this Agreement shall be the Fair Market Value of such Membership Interest as determined under this Subsection. The Selling Member and purchasing parties shall make an effort to mutually agree on the Fair Market Value. If the parties are unable to so agree within 30 days of the date on which the option is first exercisable (the "Option Date"), then, within 40 days of the Option Date, the Selling Member shall appoint an appraiser and the purchasing party(s) shall appoint an appraiser. If either of the parties fails to appoint an appraiser within the time allowed then the other party shall have the right to also appoint the second appraiser. The two appraisers shall within 5 days, agree on and appoint an additional appraiser. Each party shall pay for the services of the appraiser selected by it, plus half of the fee charged by the third appraiser.

(a) No person shall be appointed or designated an appraiser unless he is then a member of the American Institute of Appraisers and has had a minimum of 5 years of experience appraising commercial properties and residential tracts in and around Riverside County, California.

(b) The appraisers shall, without consulting one another, conduct independent appraisals of the value in place (not highest and best use) of the real property assets held by the Company within 60 days after the appointment of all appraisers.

(c) The determination of the appraiser whose appraisal is neither highest nor lowest shall be binding and conclusive.

(d) Within 30 days following a determination of value of the real property of the Company, an accounting of the total value of the Selling Member=s interest in the Company shall be finalized, based on the Selling Member=s Economic Interest percentage, and the appraisers= determination of value of the Company real property, and the book value of all other assets (other than unamortized loan fees, leasing commissions and similar items) and personal property of the Company, less all liabilities of the Company. The value of the Selling Member's interest shall be determined as if the Company had been dissolved and was being wound up by a sale on the open market of all Company property (as a going concern if appropriate), and with a final distribution of funds upon termination as provided for in this Agreement. The option purchase price as so determined shall be payable in cash within 60 days after determination of the purchase price.

8.8 Except as expressly permitted under Subsection 8.2., a prospective transferee (other than an existing Member) of a Membership Interest may be admitted as a Member with respect to such Membership Interest ("Substituted Member") only (1) on the unanimous vote of the other Members in favor of the prospective transferee's admission as a Member, and (2) on such prospective transferee's executing a counterpart of this Agreement as a party hereto. Any prospective transferee of a Membership Interest shall be merely an Assignee, and therefore the owner of only an Economic Interest, until such prospective transferee has been admitted as a Substituted Member.

8.9 Any person admitted to the Company as a Substituted Member shall be subject to all provisions of this Agreement.

8.10 The initial sale of Membership Interests has not been qualified or registered under the securities laws of any state, or registered under the Securities Act of 1933, as amended, in reliance upon exemptions from the registration provisions of those laws. No attempt has been made to qualify the offering and sale of Membership Interests to Members under the California Corporate Securities Law of 1968, as amended. Notwithstanding any other provision of this Agreement, Membership Interests may not be Transferred or encumbered unless registered or qualified under applicable state and federal securities law or unless, in the opinion of legal counsel satisfactory to the Company, such qualification or registration is not required. The Member who desires to transfer a Membership Interest shall be responsible for all legal fees incurred in connection with said opinion.

9. DISSOLUTION AND WINDING UP.

9.1. The Company shall be dissolved on the first to occur of the following events:

(a) On the happening of any of the events that trigger the option to purchase under subsection 8.3; provided, however, that the remaining Members may, by the Vote of a Majority in Interest within 90 days of the happening of that event, Vote to continue the Company, in which case the Company shall not dissolve. If the remaining Members fail to so vote, the remaining Members shall wind up the Company. For purposes of this Paragraph (a), in determining a Majority in Interest, the Membership Interest of the Member who has died, become incapacitated, withdrawn, or who has become bankrupt or dissolved shall not be taken into account.

(b) The expiration of the term of existence of the Company.

(c) The written agreement of all Members to dissolve the Company.

(d) The sale or other disposition of substantially all of the Company assets.

(e) Entry of a decree of judicial dissolution pursuant to California Corporations Code section 17351.

9.2. On the dissolution of the Company, the Company shall engage in no further business other than that necessary to wind up the business and affairs of the Company. The Members who have not wrongfully dissolved the Company shall wind up the affairs of the Company. The persons winding up the affairs of the Company shall give written notice of the commencement of winding up by mail to all known creditors and claimants against the Company whose addresses appear in the records of the Company. After paying or adequately providing for the payment of all known debts of the Company (except debts owing to Members) the remaining assets of the Company shall be distributed or applied in the following order of priority:

(a) To pay the expenses of liquidation.

(b) To repay outstanding loans from Members. If there are insufficient funds to pay such loans in full, each Member shall be repaid in the ratio that the Member's respective loan, together with interest accrued and unpaid thereon, bears to the total of all such loans from Members, including all interest accrued and unpaid on those loans. Such repayment shall first be credited to unpaid principal due and the remainder shall be credited to accrued and unpaid interest.

(c) Among the Members in accordance with the provisions of Subsection 4.8.

9.3. Each Member shall look solely to the assets of the Company for the return of the Member's investment, and if the Company property remaining after the payment or discharge of the debts and liabilities of the Company is insufficient to return the investment of any Member, such Member shall have no recourse against any other Members for indemnification, contribution, or reimbursement.

10. INDEMNIFICATION.

The Company shall have the power to indemnify any person who was or is a party, or who is threatened to be made a party, to any Proceeding by reason of the fact that such person was or is a Member, Manager, officer, employee, or Trustee of the Company (collectively "Indemnified Parties" and individually an "Indemnified Party"), or by reason of such person's actions or failures to act in such capacity, against expenses, judgments, fines, settlements, attorneys' and experts' fees and other amounts (collectively "Expenses") actually and reasonably incurred by such person in connection with such proceeding, if such person acted in good faith and in a manner that such person reasonably believed to be in the best interests of the Company, and, in the case of a criminal proceeding, such person had no reasonable cause to believe that the person's conduct was unlawful. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner that such person reasonably believed to be in the best interests of the Company, or that the person had reasonable cause to believe that the person's conduct was unlawful. "Expenses", as used in this Section also includes the expenses of establishing a right to indemnification.

To the extent that an Indemnified Party, (1) is or was acting in the capacity of a Manager with respect to the subject matter of the Proceeding, or, (2) has been successful on the merits in defense of any Proceeding, or in defense of any claim, issue, or matter in any such Proceeding, the Indemnified Party shall be indemnified against Expenses actually and reasonably incurred in connection with the Proceeding. In all other cases, indemnification shall be provided by the Company only if authorized in the specific case by a Majority in Interest.

"Trustee" as used in this Subsection shall mean only a trustee or other fiduciary of a plan, trust, or other entity or arrangement described in Corp C section 207(f).

"Proceeding" as used in this Subsection means any threatened, pending, or completed action or proceeding, whether civil, criminal, administrative, or investigative.

Expenses of each Indemnified Party actually and reasonably incurred in connection with the defense or settlement of a proceeding may be paid by the Company in advance of the final disposition of such proceeding, as authorized by the Manager, or if the Manager is seeking indemnification, by a Majority in Interest, upon receipt of an undertaking by such person to repay such amount unless it shall ultimately be determined that such person is entitled to be indemnified by the Company.

11. OTHER BUSINESS ACTIVITIES. Except as provided in this Agreement, no provision of this Agreement shall be construed to limit in any manner the Members in the carrying on of their own respective businesses or activities.

12. NO AGENCY. Except as provided in this Agreement, no provision of this Agreement shall be construed to constitute a Member, in the Member's capacity as such, the agent of any other Member.

13. ENTIRE AGREEMENT. This Agreement, together with the documents and exhibits referred to herein, embodies the entire understanding among the Members, merges all prior discussions or communications among them and constitutes the final, complete and exclusive statement of the terms of the Members' agreement. No party shall be bound by representations, arrangements or understandings other than as expressly stated in this Agreement or as subsequently set forth in an amendment of this Agreement signed by all of the Members.

14. BINDING EFFECT. Subject to the provisions herein restricting transfers and assignments, this Agreement shall be binding upon and inure to the benefit of all of the Members and their executors, administrators, devisees, heirs, representatives, permitted assigns and other successors.

15. NO THIRD PARTY BENEFICIARIES. The Members intend that nothing contained in this Agreement shall create or vest any rights in any individuals or entities who are not Members. Any agreement herein to pay any amount of money or to assume any liability, whether expressed or implied, shall be only for the benefit of the Members and their approved assignees, and such agreements and assumptions shall not enure to the benefit of any obligee of any indebtedness of a Member, nor to any other party.

16. INDEPENDENT ADVICE OF COUNSEL. The Members, and each of them, represent and declare that in negotiating and executing this Agreement they have relied solely upon their own judgement, belief and knowledge, and the advice and recommendations of their own consultants and independently selected legal counsel, concerning the nature, extent and duration of their rights and obligations under this Agreement, and that they have not

been influenced by any representations or statements made by any other Members or their representatives, except as otherwise expressly set forth in this Agreement.

17. EXHIBITS. All Exhibits to which references are made are deemed incorporated in this Agreement whether or not actually attached, and this Agreement shall be valid and binding notwithstanding the subsequent attachment of Exhibits. Any Exhibits not attached to the Agreement at the time of its original execution shall, upon attachment, have the same force and effect as if attached at the time of first execution.

18. SEVERABILITY. In the event that any provision or any part of any provision of this Agreement as applied to any party or to any circumstance shall be adjudged by a court of competent jurisdiction to be void or unenforceable for any reason whatsoever, then such provision shall in no way affect (1) any other provisions of this Agreement, which shall be modified, if necessary, to the minimum extent necessary to preserve their validity, (2) the application of any such provision under circumstances different from those adjudicated as unenforceable by the court, or (3) the validity or enforceability of the Agreement as a whole.

29. NOTICES. Unless otherwise provided herein, any notice to be given or other document to be delivered by any party to another hereunder shall be delivered by messenger, by next day delivery service or in person, or may be deposited in the United States mail, certified, return receipt requested, with postage prepaid and addressed to the party to whom it is intended at the address shown in Exhibit AB@. Any party may from time to time, by written notice to the other, designate a different address which shall be substituted for the address specified above. If any notice or other document is sent by mail as specified above, the same shall be deemed delivered on the third business day after date of postmark.

20. TIME IS OF THE ESSENCE. The Members acknowledge and agree that the times specified herein have been selected because prompt performance of all obligations is a material part of the bargained-for consideration underlying this Agreement, and without which this Agreement would not have been executed. Time is of the essence.

21. AUTHORITY. Each of the Members covenants, represents and warrants to and with the others that it has all authority necessary to execute this Agreement and, upon execution, this Agreement will be fully binding and enforceable in accordance with its terms. No other consents or approvals of any other or third parties are required or necessary for this Agreement to be so binding. Any signature on this Agreement transmitted by facsimile or other means of electronic transmission shall be considered to be an original signature, binding upon the party whose signature is so transmitted.

22. DUPLICATE ORIGINALS. This Agreement may be fully executed in several duplicate originals, each of which shall be fully effective as an original, and all such fully

executed duplicates shall constitute one and the same Agreement, binding on all of the Members.

23. FURTHER DOCUMENTS AND ACTS. Each of the Members agrees to cooperate in good faith with the others, and to execute and deliver such further documents and perform such other acts as may be reasonably necessary or appropriate to consummate and carry into effect all that is contemplated under this Agreement.

24. INVESTMENT REPRESENTATIONS. Each Member hereby represents and warrants to, and agrees with, the other Members and the Company as follows:

24.1 Preexisting Relationship or Experience. It has a preexisting personal or business relationship with the Company or one or more of its officers or controlling persons, or by reason of its business or financial experience, or by reason of the business or financial experience of its financial advisor who is unaffiliated with and who is not compensated, directly or indirectly, by the Company or any affiliate or selling agent of the Company, it is capable of evaluating the risks and merits of an investment in the Company and of protecting its own interests in connection with this investment.

No other person will have any direct or indirect beneficial interest in or right to the Membership Interest.

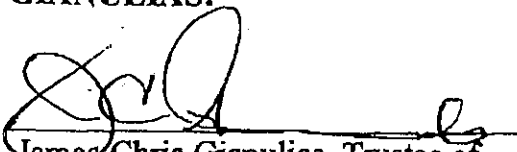

25. WAIVER OF JURY TRIAL. To the maximum extent permitted by law, the undersigned hereby expressly waive any right to trial by jury of any action, cause of action, claim, demand, or proceeding arising under or with respect to this Agreement, or in any way connected with, related to, or incidental to the dealings of the parties with respect to this Agreement, whether sounding in contract, tort, equity or otherwise. To the maximum extent permitted by law, the undersigned hereby agree that any such action, cause of action, claim, demand, or proceeding shall be decided by a court trial without a jury and that a counterpart of this Agreement may be filed with any court or other tribunal as written evidence of the consent of the undersigned to the waiver of its right to trial by jury.
