BACKGROUND:

Community Action Partnership of Riverside County (CAP Riverside) is the officially designated anti-poverty agency for the County of Riverside. It works with a network of community and faith-based organizations, along with public and private sector organizations, to provide high-impact social and economic strategies that empower individuals and families to become self-sufficient. The key to eliminating poverty is to find, deploy and replicate high-impact programs that hold the true promise of self-sufficiency.

Riverside County Purchasing Department, on behalf of CAP Riverside and its Community Action Commission, issued Request for Proposal No. CAARC-015 on February 10, 2010 to fund innovative healthcare programs/projects/services county-wide through its Community Services Block Grant.

An Evaluation Committee was formed consisting of two (2) Community Action Commissioners and a CAP Riverside staff member. The Evaluation Committee met on Monday, March 22, 2010 to evaluate, score and recommend organizations for funding.

Three (3) proposals were received: one (1) was disqualified as ineligible applicant for failure to comply with critical instructions; two (2) were evaluated by the Evaluation Committee.

The Evaluation Committee recommended two organizations to be funded:

- Community Health Systems, Inc. to provide quality healthcare and dental services to low-income residents of Riverside County; and
- Family Services Association to provide childhood obesity prevention workshops to low-income families of Riverside County.

FINANCIAL IMPACT:

No County General Funds will be required.

In such event, Purchasing may immediately terminate this Agreement and may take other remedies available by law, or otherwise specified in this Agreement. Purchasing may also:

1. Afford the CONTRACTOR a time period within which to cure the breach, the period of which shall be established at the sole discretion of Purchasing and CAP Riverside; and/or

W. TERMINATION

This Agreement may be terminated without cause by either party by giving thirty (30) days written notification to the other party. In the event CAP Riverside elects to abandon, indefinitely postpone, or terminate the Agreement, CAP Riverside shall make payment for all services performed up to the date that written notice was given in a prorated amount.

Should action be brought to enforce or interpret the provisions of this Agreement, the prevailing party shall be entitled to attorney's fees in addition to whatever other relief is granted.

Y. MODIFICATION OF TERMS

The Board of Supervisors and the COUNTY Purchasing Agent are the only authorized COUNTY representatives who may at any time, by written order, make alterations within the general scope of this contract, in the definition of services to be performed, and the time (i.e. hours of the day, days of the week, etc.) and place of performance thereof. If any such alteration causes an increase or decrease in the cost of, or the time required for the performance of any part of the work under this contract, an equitable adjustment shall be made in the contract price or delivery schedule, or both, and the contract shall be modified in writing accordingly. Any claim by the CONTRACTOR for adjustment under this paragraph shall be assessed within 30 days of when the CONTRACTOR received notice of the alteration in the work. Notwithstanding the foregoing, if the COUNTY Purchasing Agent decides that the facts provide sufficient justification, he/she may receive and act upon any claim, which is asserted by the CONTRACTOR at any time prior to final payment under this agreement. Failure to agree to any adjustment shall be a dispute concerning a question of fact within the meaning of the clause of this contract entitled 'Disputes.' However, nothing in this clause shall excuse the CONTRACTOR from proceeding with the contract as changed.

Upon determination by Contractor that return or destruction of PHI is not feasible, Contractor shall extend the protections of this Addendum to such PHI and/or ePHI and limit further uses and disclosures of such PHI and/or ePHI to those purposes which make the return or destruction not feasible, for so long as Contractor maintains such PHI and/or ePHI.

- A. Contractor shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Contractor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Addendum, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever arising from the performance of Contractor, its officers, agents, employees, subcontractors, agents or representatives from this Addendum. - C. The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Addendum.
- D. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the Contractor from indemnifying the County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Addendum, this indemnification shall only apply to the subject issues included within this Addendum.

- Sections 2, 3, and 6-10 collect INDIVIDUAL demographic data.
- Sections 4, 5 and 11-16 collect FAMILY demographic data.
- Both Individual AND Family demographic data should be collected on all clients.
 - ✓ *1 client = 1 individual and 1 family.*
 - ✓ *4 clients from same family = 4 individuals and 1 family.*
 - ✓ *"Family" is self-defined by the client(s) being served.*

Section 1:

- Enter contractor name, report period, preparer's name and contract number.

Sections 2, 3 and 6 – 10 Collects Demographics on INDIVIDUALS**Section 2 – Total Unduplicated Number of Persons about whom one or more characteristics were obtained:**

- To the extent possible, agencies should attempt to report unduplicated counts.
- To obtain unduplicated counts, an agency will need to have a system to distinguish each individual so the number of services the individual is provided can be assigned to that individual.
 - ✓ *For example: if a person enters an agency and receives seven different services, an unduplicated count would record one person, not seven services.*

Section 3 – Total Unduplicated number of persons about whom no characteristics were obtained:

- Enter the total the number of persons for whom characteristics were not obtained.
 - ✓ *Please note: This would include any clients that were served, however demographics were not collected.*

- Make sure that the total of this section does not exceed the value in Section 2. See Asterisk Note * on the CSD 295.

Section 9 – Education Level of Individuals 24 years or older:

- Only collect the education level of those individuals receiving services that are 24 years or older.
- The total of this section cannot exceed the sum of Section 7e-7h. See Asterisk Note ** on the CSD 295.

Section 10 – Other Characteristics:

- Report the number of individuals receiving services that were surveyed about their health insurance or disability. All individuals that are asked about each of the two items should be reported in the # Surveyed column. Of those surveyed, the number that report having no health insurance and/or disabled should be reported in the # of Persons column. If an individual receiving services has any form of health insurance, including Medicare or Medicaid, they should be included in the # surveyed column only. Do not count any other family members.
- The definition of “disabled” used in this form is taken from the Americans With Disabilities Act of 1990: “The term disability means, with respect to an individual (a) a physical or mental impairment that substantially limits one or more of the major life activities of such individual, (b) a record of such an impairment, (c) being regarded as having such an impairment.” Any individual who responded to this question but is not disabled should be included in the # Surveyed column only.
- The number reported under the column # of Persons should not exceed the number reported under # Surveyed for that line item.
- Make sure that the total of this section does not exceed the value in Section 2. See Asterisk Note **** on the CSD 295.

Sections 4, 5 and 11-16 Collects Demographics on FAMILIES

Section 4 – Total Unduplicated number of families about whom one or more characteristics were obtained:

- To the extent possible the numbers reported here should be unduplicated.
- This requires that a similar system of unique identifiers be in place, which, in addition to identifying an individual, also identifies a family.
 - ✓ *For example: if a family member comes in and receives four services and another family member comes in and receives six services, an unduplicated count would record one family, and two individuals.*

Section 5 – Total unduplicated number of families about whom no characteristics were obtained:

- Enter the total number of families for whom characteristics were not obtained. Please note: This number would include clients that were served, but demographics were not collected on the family.
- To the extent possible the numbers reported here should be unduplicated.

Section 11 – Family Type:

- Based on the clients, family composition, report the type of family. If the family type of the recipient is not reflected in one of these types please mark "other."
- Make sure that the total of this section does not exceed the value in Section 4. See Asterisk Note *** on the CSD 295.

Section 12 – Family Size:

- Report the number of persons in the client's family.
- Make sure that the total of this section does not exceed the value in Section 4. See Asterisk Note *** on the CSD 295.

 - ✓ Item 13c: TANF: Enter the unduplicated number of families who receive funds from the HHS Temporary Assistance for Needy Families program.
 - ✓ Item 13d: SSI - Supplemental Security Income: This is federal assistance usually provided to persons whose Social Security payments are inadequate. Please enter the unduplicated number of families who receive SSI benefits.

 - ✓ Item 13f: Pension: Any type of income earned from private pensions, e.g., company retirement, IRA income or 401(k)(Keough). Please enter the number of families who receive Pension benefits.
 - ✓ Item 13g: General Assistance: This is usually a state-funded program available for emergencies and in some instances becomes a regular source of income for single clients. It has a variety of names, for instance, in some states it is called General Relief. Please enter the unduplicated number of families that receive General Assistance.
 - ✓ Item 13h: Unemployment insurance payments: Enter the unduplicated number of families that receive Unemployment Insurance payments.

 - ✓ **Item 13k: Other:** Enter the unduplicated number of families that report other sources of income, including investments, rent, etc.
- Make sure that the values reported in Item 13a and 13b do not exceed the value in Section 4. See Asterisk Note *** on the CSD 295
 - The value in item a, should be greater than or equal to the values reported in items c-k.
 - For all the items you will report the number of families receiving that source, not the number of individuals in the family receiving the source.
 - ✓ *For example:* A family of four, where both parents are employed and the mother is receiving SSI, and the father and mother has 2 types of investments would be reported as follows:
 - *Item 13a = 1*
 - *Item 13d = 1*
 - *Item 13i = 1*
 - *Item 13k = 1*

Each item they have would be reported as 1, even though both parents are working because they are 1 family.

Section 14 – Level of Family Income % of HHS Guidelines:

- Section refers to income levels of the families served compared to the current HHS Poverty Income Guidelines, published annually in the Federal Register.
- Make sure that the total of this section does not exceed the value in Section 4. See Asterisk Note ***.

- Report the housing situation of the family:
 - ✓ **Item 15a: Own:** Please enter the number of families that own their home.
 - ✓ **Item 15b: Rent:** Please enter the number of families that rent their housing. Rent can be considered as money or services exchanged for housing and payment of a portion of rent in units shared with others.
 - ✓ **Item 15c: Homeless:** Please enter the number of families that were homeless. The definition of the term "Homeless" used for this form, taken from the Stewart B. McKinney Homeless Assistance Act, follows: "Homeless" or "homeless individual" includes: (1) An individual who lacks a fixed, regular, and adequate nighttime residence; and (2) An individual who has a primary nighttime residence that is: A supervised, publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing for the mentally ill); An institution that provides a temporary residence for individuals intended to be institutionalized; A temporary, makeshift arrangement in the accommodations of other persons or A public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings." The term "homeless" or "homeless individual" does not include any individual imprisoned or otherwise detained pursuant to an Act of the Congress or a State law.
 - ✓ **Item 15d: Other:** If neither Items 15a, 15b nor 15c describe the family's housing situation record them here.

CSD 295 - Client Characteristics Report Quick Check

- ✓ **Is item 4 greater than item 2? It should not be.**
 - ❖ For example: One family of 4 comes in for services. This would mean that 4 individuals are receiving service (Item 2) and 1 family is receiving services (Item 4).
 - ❖ The numbers reported in items 2 & 4 should be comparable (Item 2 will probably always be greater). Since every individual is a family of one – it should not happen where an agency serves 10,000 individuals and only 500 families. This should tell you that the agency is collecting family information on all clients.
 - ❖ This information also applies to items 3 & 5.

- ✓ **Is the total in Item 6 greater than Item 2? It should not be.**
 - ❖ The agency should not report the gender of more people *than they reported serving*.

- ✓ **Is the total in Item 7 greater than Item 2? It should not be.**
 - ❖ The agency should not report the ages of more people *than they report serving*.

- ✓ **Is the total in Item 8 greater than Item 2? It should not be.**
 - ❖ The agency should not be reporting the ethnicity of more people *than they report serving*.
 - ❖ **Common error:** Often the total reported in Item 8-1 is far below the number reported in Item 2 – this is not necessarily wrong. However, if this happens it does tell you that the agency is not collecting the ethnicity of all their clients.

- ✓ **Is the total in Item 9 greater than the total of Item 7 e-h? It should not be.**
 - ❖ Item 9 is collecting the education level of adults only (individuals 24 years old or older). Therefore, you add up the totals reported in Item 7e-h only. The total in Item 9 cannot be greater than this total.

- ✓ **Is the total in the “# of persons” box greater than the “# Surveyed” box? It should not be.**
 - ❖ The “# Surveyed” box is how many people were asked this question. The “# of persons” is how many people answered in the affirmative.
If you only ask 500 the question – you can’t have 501 answers.
 - ❖ **Common error:** Often the total reported in the “# Surveyed” box is far below the number reported in Item 2 – this is not necessarily wrong. However, if this happens it does tell you that the agency is not asking this question of all their clients

- ✓ **Is the total in Item 11 greater than the total in Item 4? It should not be.**
 - ❖ The agency should not be reporting the family type of more families *than they report serving*.

- ✓ **Is the total in Item 12 greater than the total in Item 4? It should not be.**
 - ❖ The agency should not be reporting the family size of more families *than they report serving*.

- ✓ **Is the total in Item 13a greater than the total in Item 4? It should not be.**
 - ❖ The total numbers of families reporting one or more sources of income should not be greater than the total number *of families the agency reports serving*.

- ✓ **Is the total in Item 13b greater than the total in Item 4? It should not be.**
 - ❖ The total numbers of families reporting no income should not be greater than the total number *of families the agency reports serving*.

- ✓ **Look at each total in Items 13c-13k. Are any of these *individual line item totals* greater than 13a? They should not be.**
 - ❖ Each family reports each source of income *only once* (even if two family members receive SSI, they would only report the source once). So, the total number of families reporting each source of income cannot be greater than the total number of families the agency is reporting they collected sources of income on.

 - ❖ **Common error:** Often agencies tend to add Items 13c-13k together and they get confused. **Nothing in this section is added together.**

- ✓ **Is the total in Item 14 greater than the total in Item 4? It should not be.**
 - ❖ The total number of families reporting their family income should not be greater than the *total number of families the agency reports serving*.

- ✓ **Is the total in Item 15 greater than the total in Item 4? It should not be.**
 - ❖ The total number of families reporting their housing type should not be greater than the *total number of families the agency reports serving*.

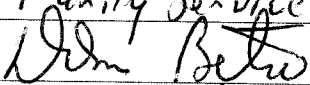

- ✓ **Is the total in Item 16 greater than the total in Item 4? It should not be.**
 - ❖ The total number of families reporting their other characteristic should not be greater than the *total number of families the agency reports serving*.

CSD 295 - Client Characteristics Report

Quick Check

- ✓ **Is item 4 greater than item 2? It should not be.**
 - ❖ For example: One family of 4 comes in for services. This would mean that 4 individuals are receiving service (Item 2) and 1 family is receiving services (Item 4).
 - ❖ The numbers reported in items 2 & 4 should be comparable (Item 2 will probably always be greater). Since every individual is a family of one – it should not happen where an agency serves 10,000 individuals and only 500 families. This should tell you that the agency is collecting family information on all clients.
 - ❖ This information also applies to items 3 & 5.

- ✓ **Is the total in Item 6 greater than Item 2? It should not be.**
 - ❖ The agency should not report the gender of more people *than they reported serving*.

- ✓ **Is the total in Item 7 greater than Item 2? It should not be.**
 - ❖ The agency should not report the ages of more people *than they report serving*.

- ✓ **Is the total in Item 8 greater than Item 2? It should not be.**
 - ❖ The agency should not be reporting the ethnicity of more people *than they report serving*.
 - ❖ **Common error:** Often the total reported in Item 8-1 is far below the number reported in Item 2 – this is not necessarily wrong. However, if this happens it does tell you that the agency is not collecting the ethnicity of all their clients.

- ✓ **Is the total in Item 9 greater than the total of Item 7 e-h? It should not be.**
 - ❖ Item 9 is collecting the education level of adults only (individuals 24 years old or older). Therefore, you add up the totals reported in Item 7e-h only. The total in Item 9 cannot be greater than this total.

- ✓ **Is the total in the “# of persons” box greater than the “# Surveyed” box? It should not be.**
 - ❖ The “# Surveyed” box is how many people were asked this question. The “# of persons” is how many people answered in the affirmative.
If you only ask 500 the question – you can’t have 501 answers.
 - ❖ **Common error:** Often the total reported in the “# Surveyed” box is far below the number reported in Item 2 – this is not necessarily wrong. However, if this happens it does tell you that the agency is not asking this question of all their clients

- ✓ **Is the total in Item 11 greater than the total in Item 4? It should not be.**
 - ❖ The agency should not be reporting the family type of more families *than they report serving*.

- ✓ **Is the total in Item 12 greater than the total in Item 4? It should not be.**
 - ❖ The agency should not be reporting the family size of more families *than they report serving*.

- ✓ **Is the total in Item 13a greater than the total in Item 4? It should not be.**
 - ❖ The total numbers of families reporting one or more sources of income should not be greater than the total number *of families the agency reports serving*.

- ✓ **Is the total in Item 13b greater than the total in Item 4? It should not be.**
 - ❖ The total numbers of families reporting no income should not be greater than the total number *of families the agency reports serving*.

- ✓ **Look at each total in Items 13c-13k. Are any of these *individual line item totals* greater than 13a? They should not be.**
 - ❖ Each family reports each source of income *only once* (even if two family members receive SSI, they would only report the source once). So, the total number of families reporting each source of income cannot be greater than the total number of families the agency is reporting they collected sources of income on.

 - ❖ **Common error:** Often agencies tend to add Items 13c-13k together and they get confused. **Nothing in this section is added together.**

- ✓ **Is the total in Item 14 greater than the total in Item 4? It should not be.**
 - ❖ The total number of families reporting their family income should not be greater than the *total number of families the agency reports serving*.

- ✓ **Is the total in Item 15 greater than the total in Item 4? It should not be.**
 - ❖ The total number of families reporting their housing type should not be greater than the *total number of families the agency reports serving*.

- ✓ **Is the total in Item 16 greater than the total in Item 4? It should not be.**
 - ❖ The total number of families reporting their other characteristic should not be greater than the *total number of families the agency reports serving*.
