The Honorable Board of Supervisors
RE: Pedley Hills - Bolero Drive Storm Drain
April 22, 2010
Page 2 of 2

The District is funding all storm drain, right-of-way, construction and its inspection costs.

The County is granting the District the necessary rights to construct, operate and maintain the project within County road right-of-ways and, upon completion of project construction, will assume ownership, operation and maintenance of the project's mainline storm drain, associated laterals, catch basins and connector pipes.

County Counsel has approved the Agreement as to legal form. A companion item appears on the Flood Control District's agenda this same date.
