**SUBMITTAL TO THE BOARD OF SUPERVISORS
 COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Community Health Agency/Department of Environmental Health

SUBMITTAL DATE:
 June 10, 2010

SUBJECT: Annual Rate Adjustment to the Waste Collection Agreements for Unincorporated Areas in Riverside County

RECOMMENDED MOTION:

Receive and file the attached waste collection rate sheets (Attachment 1) reflecting the annual adjustment.

BACKGROUND:

Waste Collection Franchise Agreements covering all unincorporated portions of Riverside County were phased in between 1997 and 1999. In each of the thirteen Franchise Agreements there is a provision for an adjustment of the rates the customers are charged for regular services, to be implemented annually in July. The adjustment allows a "pass through" for any changes to landfill or transfer station fees, and a cost of living increase, based on the Consumer Price Index ("CPI"), for the balance of the rate.

 Departmental Concurrence

Dep't Recomm.: Consent Policy
 Per Exec. Ofc.: Consent Policy

All non-disposal costs were adjusted by the Consumer Price Index for All Urban Consumers (CPI-U) for the Los Angeles/Anaheim/Riverside Metropolitan Area, as published by the United States Department of Labor, Bureau of Labor Statistics. The proposed rates implement the adjustment methodology using a CPI of 1.8% for the twelve (12) month period December 2008 through December 2009. Some of the haulers have requested new rates for some new services that have been added.

These rate adjustments were approved at the Public Hearing conducted on June 8, 2010. At that time, the Board of Supervisors resolved, per Resolution No. 2010-115, that the increased waste rates specifying the new rate for each service area be received and filed to the Clerk of the Board no later than July 30, 2010.

FISCAL

The approval of this change will result in no cost to the County. The implementation expenses are borne by the franchisee.
