**JUSTIFICATION:**

1. An inspection was made of the subject property by the Code Enforcement Officer on February 27, 2009. The inspection revealed a graded pad on the property which deviated from the natural topography in violation of Riverside County Ordinance No. 457 (RCC Title 15). The Officer estimated that approximately twelve hundred (1,200) cubic yards of dirt had been graded. A search of Riverside County records indicates that no permit for grading has been obtained. This creates a public and attractive nuisance.
2. Follow-up inspections on May 18, 2009, July 10, 2009, September 1, 2009, December 7, 2009, February 16, 2010 and May 4, 2010, revealed the property continues to be in violation of Riverside County Ordinance No. 457.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for grading without a permit.
