BACKGROUND:

CAP Riverside has operated the Cool Center Program since 2001 as a part of its Summer Energy Crisis Response Plan. The plan is a comprehensive response to the impact of extreme hot weather on low-income county residents, especially targeting vulnerable seniors, disabled individuals, and small children, with emphasis in the desert areas (eastern Riverside County) where temperatures often exceed 105 degrees from May through October.

The Rummond Senior Center is the only accessible facility in the Thermal area that can accommodate elderly residents and others who do not have transportation to travel to a cooling site located further away. To keep the facility open for extended hours, a paid employee must remain on site from 1:00 – 6:00 pm.

Regional Access Project Foundation awarded CAP Riverside \$9,300 to support staffing to keep the center open for extended hours, and to provide nutritional snacks and water.

The Executive Director of CAP Riverside requests that the Board approve the attached Amendment #3 to the Agreement between the Regional Access Project Foundation and CAP Riverside, for the term June 1, 2010 to October 31, 2010 in the amount of \$9,300.

FINANCIAL IMPACT: No County General Funds will be required.
