Memorandum of Understanding (MOU)

between

California Health Care Safety Net Institute (SNI)

and

Riverside County Community Health Agency

This MOU is between the California Health Care Safety Net Institute (SNI) and Riverside County Community Health Agency regarding the \$15,600 award for participation in the Safety Net Institute's *Specialty Care Access Improvement* Mini-Fellowship at Riverside County Regional Medical Center. SNI must receive this MOU signed and dated by both parties before any funds can be released to Riverside County Community Health Agency. SNI will send the first payment of \$7,800 to support the personnel time investment for the two primary care providers (PCPs) after the initial meeting between the PCPs and the medical specialists is scheduled. SNI will issue the second payment by June 21, 2010.

This program aims to increase the scope of practice for primary care providers at the Riverside County Community Health Agency via a mini-fellowship in orthopedics at the Riverside County Regional Medical Center.

This will be accomplished by the following key activity: by June 30th 2010, the two primary care providers from the Riverside County Health Agency Family Practice Clinics will have met with the medical specialists practicing at Riverside County Regional Medical Center during a minimum of four specialty clinics.

This award is to be accepted under the following conditions, agreed upon by Tom King, Administrative Services Officer of Riverside County Community Health Agency. As a *Specialty Care Access Improvement* participant, Riverside County Community Health Agency has agreed to the following program requirements:

- Medical Director for the Riverside County Community Health Agency Family Health Centers signs letter of support for participation
- Physician champion representing Riverside County Community Health Agency commits to full six weeks of shadowing medical specialist during appropriate specialty clinic hours.
- Physician champion representing Riverside County Community Health Agency commits to becoming liaison between clinic and public hospital specialist
- Riverside County Community Health Agency Family Practice clinic commits to create plan to spread knowledge beyond physician champion
- Physician champion representing Riverside County Community Health Agency agrees to facilitate ongoing utilization management of referrals for their site and potentially to others within consortium

Arnold Tabuenca, M.D., Medical Director for Riverside County Regional Medical Center, is the Executive lead representing Riverside County Regional Medical Center, and Mary Gregory, Sr. Program Associate mgregory@caph.org, (510) 874-7104) will be the contact at the Safety Net Institute in matters related to the award.
