JUSTIFICATION:

1. An inspection was made of the subject property by the Code Enforcement Officer on December 5, 2007. The inspection revealed a graded pad and imported fill dirt on the property in violation of Riverside County Ordinance No. 457 (RCC Title 15). The Officer measured the area and determined that over eleven thousand (11,000) cubic yards of dirt had been graded. A search of Riverside County records indicates that no permit for grading has been obtained. This creates a public and attractive nuisance.
2. Follow-up inspections on March 4, 2009, July 8, 2009, October 26, 2009, March 18, 2010, April 7, 2010 and June 11, 2010, revealed that the property continues to be in violation of Riverside County Ordinance No. 457.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for grading without a permit.
