**SUBJECT: U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
RENEWAL PROJECT SPONSOR AGREEMENT—HO-01668**

BACKGROUND:

On November 23, 2009, DPSS submitted an application for Homeless Assistance funds to the U.S. Department of Housing and Urban Development (HUD). On December 23, 2009, HUD announced the approval of eighteen renewal grants for Riverside County's homeless projects – including the renewal of the Shelter Plus Care (S+C) West Program operated by the Riverside County Housing Authority.

The West County Shelter Plus Care program provides permanent supportive housing to homeless persons with severe disabilities living in the western portion of the County. Participants receive tenant-based rental assistance in mainstream housing of their choosing and comprehensive mental health services through the County's Department of Mental Health.

According to the latest Annual Progress Report submitted by The Housing Authority for the time period of September 4, 2008 through September 3, 2009 the West Shelter Care Plus Project provided services to 25 individuals and 14 families. Of those who exited, 100% had income and 88% left into other permanent housing.

There are no changes to the persons to be served, the service site(s), or service modalities between this Agreement and the most recent Agreement that will expire on September 3, 2010.

FINANCIAL DATA: No County General Funds are required. Funding is 100% Federal funds. The full Grant amount is \$374,796; however, it is estimated that the Housing Authority of Riverside County will expend \$312,330 in FY 2010-11, leaving \$62,466 to be expended in FY 2011-12.
