JUSTIFICATION:

1. An inspection was made of the subject property by the Code Enforcement Officer on January 25, 2010. The inspection revealed a graded road on the property in violation of Riverside County Ordinance No. 457 (RCC Title 15). The Officer measured the affected area and determined approximately three thousand four hundred thirty-nine (3,439) cubic yards of dirt has been graded. A search of Riverside County records indicates that no permit for grading has been obtained. This creates a public and attractive nuisance.
2. Follow-up inspections on March 13, 2010, April 1, 2010 and June 18, 2010, revealed that the property continues to be in violation of Riverside County Ordinance No. 457.
3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for grading without a permit.
