SUBJECT: AMENDMENT #4 (CS-01137-04) WITH OLIVE CREST TREATMENT CENTERS, INC.

BACKGROUND:

DPSS implemented the Wraparound program on July 31, 2007, with the Board's approval of a contract (CS 3497-00) with Olive Crest Treatment Centers, Inc. (Olive Crest).

Since that time, DPSS has exercised the options available to renew this agreement for fiscal years 2008/09 and 2009/10. In addition, we amended the agreement to increase the number of children and families to be served through this program to 60 on monthly basis. This has had the added benefit of reducing the number of children who would have been placed in group homes.

In anticipation of the need to rebid for these services, on March 8, 2010, Request for Proposal (RFP) # DPARC-146 was released to solicit vendors interested in offering Wraparound services. The RFP was released to forty (40) prospective bidders and was advertised on the County Purchasing website. In response, on April 12, 2010, DPSS received eight (8) proposals.

Due to an extended evaluation process to determine the most responsive bidder, a contract was not available to be awarded prior to June 30, 2010. In order to ensure continuity of services to the children and families currently participating in the program, on June 29, 2010 (Item 3.51), DPSS requested Board approval of the third amendment to the contract (CS-01137-03), to provide a three-month extension of the contract with Olive Crest through September 30, 2010.

Most recently, a Best-and-Final-Offer (BAFO) was sent to all vendors to do a cost analysis for providing wraparound service. A second BAFO is underway with the top four (4) bidders to determine the bidders' experience and when they can begin providing wraparound services should they be awarded a contract.

Based on the current status of the bidder responses and remaining evaluation process, we anticipate that a new contract may not be operational by September 30, 2010. Therefore, at this time, it is being requested that the Board execute the attached fourth amendment (CS-01173-04) to the current contract with Olive Crest Treatment Centers, which will allow for a total of a six (6) month extension to the effective term in order to continue providing Wraparound services to children and families without interruption. The extension will allow DPSS to thoroughly review all submitted proposals, conduct interviews, award a contract to the most responsive bidder, and properly transition clients should the incumbent not be the awarded bidder.

FINANCIAL DATA: 40% State Funds and 60% County General Funds. Sufficient funds have been budgeted in the FY 2010-11 budget.
