BACKGROUND:

The Monterey Avenue and Varner Road Street Improvement project is complete. As a part of the project, street improvements were completed along the frontage of Robertson's Ready Mix located at 72640 Varner Road in Thousand Palms.

On February 14, 2006, Robertson's Ready Mix paid to the Riverside County Transportation Department a deposit of \$343,186, in lieu of constructing ultimate street improvements along their frontage at 72460 Varner Road, in Thousand Palms. The street improvements were a requirement of their approved Conditional Use Permit #03314.

The street improvements have been completed by the Redevelopment Agency (RDA), and RDA is asking that the in-lieu fees, paid by Robertson's Ready Mix, be used to reimburse the RDA for the improvements constructed by the RDA as a part of the Varner Road and Monterey Street Improvement Project. The actual costs paid by the RDA which, are subject to reimbursement, are \$373,607; reimbursement will not exceed cash-in-lieu deposit of \$343,186. Attached is the reimbursement agreement for execution by the Board of Supervisors and by the Board of Directors.

Below is a timeline of the project:

December 14, 2004, Agenda Item 3.8 – The Board of Supervisor made the findings for the street improvement project.

December 14, 2004, Agenda Item 4.2 – The Board of Directors approved the agreement between the RDA and Albert A. Webb and Associates to develop the street improvement plans.

February 14, 2006, Robertson's Ready Mix paid a deposit of \$343,186 in lieu of constructing ultimate street improvements along their frontage at 72460 Varner Road. (CUP03314)

June 19, 2007, Agenda Item 4.2 – The Board of Directors conducted public hearing, approved the project and adopted a mitigated negative declaration for the project.
