3 property damage which may arise from CITY'S construction of
4 PROJECT or the performance of its obligations hereunder, whether
5 such construction or performance be by CITY, by any of its

2 cancellation, termination, non-renewal or reduction in coverage,
3 CITY shall, forthwith, secure replacement insurance meeting the
4 provisions of this paragraph.

5 Failure to maintain the insurance required by this paragraph shall be

14 construction is substantially complete and requesting that DISTRICT conduct a final inspection
15 of NEW CHANNEL.

16
17 23. Upon completion of PROJECT construction, provide DISTRICT with a
18 copy of CITY'S Notice of Completion.

19 24. Accept ownership and sole responsibility for the operation and maintenance
20 of PROJECT until such time as DISTRICT accepts ownership and responsibility for operation
21 and maintenance of NEW CHANNEL. Further, it is mutually understood by the parties hereto
22 that prior to DISTRICT acceptance of ownership and responsibility for the operation and
23 maintenance of NEW CHANNEL, PROJECT shall be in a satisfactorily maintained condition as
24 solely determined by DISTRICT. CITY shall continue thereafter to own and have sole
25 responsibility for operating and maintaining the structural integrity of BRIDGE.
26
27
28

1 25. Grant DISTRICT, by execution of this Agreement, the rights to (i) keep
2 BRIDGE free and clear of sediment and debris, and (ii) construct, inspect, operate and maintain
3 NEW CHANNEL within CITY rights of way.

4 26. Pay, if suit is brought upon this Agreement or any bond guaranteeing the
5 completion of NEW CHANNEL, all costs and reasonable expenses and fees, including
6 reasonable attorneys' fees, and acknowledge that, upon entry of judgment, all such costs,
7 expenses and fees shall be computed as costs and included in any judgment rendered.
8

9 27. Upon completion of construction of PROJECT, but prior to DISTRICT
10 acceptance of NEW CHANNEL for ownership, operation and maintenance, CITY'S civil
11 engineer of record or construction civil engineer of record, duly registered in the State of
12 California, shall provide DISTRICT a redlined "record drawing" copy of IMPROVEMENT
13 PLANS for NEW CHANNEL. After DISTRICT approval of the redlined "record drawing"
14 drawings, CITY'S engineer shall schedule with DISTRICT a time to (i) transfer the redlined
15 changes onto DISTRICT'S original mylars and (ii) incorporate changes to DISTRICT'S Perris
16 Valley Channel – Lateral A plans (District Drawing No. 4-617) at DISTRICT'S office, after
17 which the engineer shall review, stamp and sign the original NEW CHANNEL PLANS
18 "RECORD DRAWING". Also, prior to DISTRICT acceptance of NEW CHANNEL for

28

SECTION II

DISTRICT shall:

1. Review and approve IMPROVEMENT PLANS prior to the start of NEW CHANNEL construction.

2. Convey TRANSFER PARCEL to CITY in accordance with the terms of ACQUISITION AGREEMENT.

3. Inspect NEW CHANNEL construction. However, DISTRICT shall provide any comments to CITY personnel who shall be solely responsible for all quality control communications with CITY'S contractor(s) during construction of PROJECT.

4. Grant CITY, by execution of this Agreement, the right to construct, inspect, operate and maintain those portions of BRIDGE, if any, which extend beyond TRANSFER PARCEL into DISTRICT'S Perris Valley Channel - Lateral A right of way.

5. Keep an accurate accounting of all DISTRICT costs associated with the review and approval of IMPROVEMENT PLANS, the preparation, review and approval of right of way and conveyance documents and the processing and administration of this Agreement.

6. Keep an accurate accounting of all DISTRICT construction inspection costs, and within forty-five (45) days after DISTRICT acceptance of NEW CHANNEL as being complete, submit a final cost statement to CITY. If the deposit, as set forth in Section I.3. exceeds such costs, DISTRICT shall reimburse CITY the excess amount within sixty (60) days after DISTRICT acceptance of NEW CHANNEL as being complete. If at any time the costs exceed the deposit or are anticipated by DISTRICT to exceed the deposit, CITY shall pay such additional amount(s), as deemed reasonably necessary by DISTRICT to complete inspection of NEW CHANNEL, within thirty (30) days after receipt of billing from DISTRICT.

It is further mutually agreed:

2. CITY shall complete construction of NEW CHANNEL within twelve (12) consecutive months after execution of this Agreement and within two hundred fifty (250) consecutive calendar days after commencing work on NEW CHANNEL. It is expressly understood that since time is of the essence in this Agreement, failure of CITY to perform the work within the agreed upon time shall constitute authority for DISTRICT to perform the remaining work. In which case, CITY shall subsequently reimburse DISTRICT for DISTRICT costs incurred.

In the event CITY wishes to expedite issuance of a Notice to Proceed, CITY may elect to furnish an independent qualified construction inspector at CITY'S sole cost and expense. CITY shall furnish appropriate documentation of the individual's credentials and experience to DISTRICT for review and, if appropriate, approval. DISTRICT shall review the

1 individual's qualifications and experience and, upon approval thereof, said individual,
2 hereinafter called "DEPUTY INSPECTOR", shall be authorized to act on DISTRICT'S behalf
3 on all NEW CHANNEL construction and quality control matters. If CITY'S initial construction
4 inspection deposit furnished pursuant to Section I.3. exceeds ten thousand dollars (\$10,000.00),
5 DISTRICT shall refund to CITY up to eighty percent (80%) of CITY'S initial inspection deposit
6 within forty-five (45) days of DISTRICT'S approval of DEPUTY INSPECTOR; however, a
7 minimum balance of ten thousand dollars (\$10,000.00) shall be retained on account.
8

9 4. NEW CHANNEL construction work shall be on a five (5) day, forty (40)
10 hour work week with no work on Saturdays, Sundays or DISTRICT designated legal holidays,
11 unless otherwise approved in writing by DISTRICT. If CITY feels it is necessary to work more
12 than the normal forty (40) hour work week or on holidays, CITY shall make a written request
13 for permission from DISTRICT to work the additional hours. The request shall be submitted to
14 DISTRICT at least seventy-two (72) hours prior to the requested additional work hours and state
15 the reasons for the overtime and the specific time frames required. The decision of granting
16 permission for overtime work shall be made by DISTRICT at its sole discretion and shall be
17 final. If permission is granted by DISTRICT, CITY will be charged the cost incurred at the
18 overtime rates for additional inspection time required in connection with the overtime work in
19 accordance with Ordinance Nos. 671 and 749, including any amendments thereto, of the County
20 of Riverside.
21
22

23 5. DISTRICT and CITY each pledge to cooperate in regard to the operation
24 and maintenance of their respective facilities as set forth herein and to discharge their respective
25 maintenance responsibilities in an expeditious fashion so as to avoid the creation of any
26 nuisance condition or undue maintenance impact upon the others facilities.
27
28

1 6. CITY shall indemnify, defend, save and hold harmless DISTRICT and
2 County of Riverside (including their respective officers, districts, special districts and
3 departments, their respective directors, officers, Board of Supervisors, elected and appointed
4 officials, employees, agents, representatives, independent contractors, and subcontractors) from

18 performance under this Agreement, or failure to comply with the requirements of this
19 Agreement, including but not limited to: (a) property damage; (b) bodily injury or death; (c)
20 payment of attorney's fees or (d) any other element of any kind or nature whatsoever.

23 7. CITY shall defend, indemnify and hold DISTRICT and the County of
24 Riverside free and harmless from and against any and all damages, costs, liabilities and claims
25 (including, without limitation, reasonable attorneys' fees) arising in any way from DISTRICT'S
26 performance of inspection services as set forth herein.
27
28

1 8. Any waiver by DISTRICT or by CITY of any breach of any one or more of
2 the terms of this Agreement shall not be construed to be a waiver of any subsequent or other
3 breach of the same or of any other term hereof. Failure on the part of DISTRICT or CITY to
4 require exact, full and complete compliance with any terms of this Agreement shall not be
5 construed as in any manner changing the terms hereof, or estopping DISTRICT or CITY from
6 enforcement hereof.
7

8 9. If any provision in this Agreement is held by a court of competent
9 jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless
10 continue in full force without being impaired or invalidated in any way.
