RECOMMENDED MOTION: (Continued)

4. Delegate change order authority to the Assistant County Executive Officer, or designee, in accordance with the public contract code; and
5. Approve a project budget of \$5,948,434.

BACKGROUND:

Approximately five years ago, Eastvale Fire Station No. 27 was opened to alleviate pressure from Station 16 and Station 17. However, the project was constructed on a temporary site with temporary trailers. Therefore, on July 29, 2008, the Board of Supervisors approved an agreement between the County of Riverside and STK Architects, Inc., for design and construction management services for Eastvale Fire Station No. 27. The new and permanent Eastvale Fire Station will be a 10,814 square foot facility and will have appropriate living spaces, a large three bay apparatus, office space, public lobby, full kitchen, dining area, and ample room for equipment storage.

On March 16, 2010, the Board approved the plans and specification and authorized the Clerk of the Board to advertise the Notice Inviting Bids for Eastvale Fire Station. On June 23, 2010, at 2:00 pm, 23 bids were received. Upon detailed review County Counsel and Agency staff determined that the low bid submitted by R.I.C. Construction Co., Inc., in the amount of \$2,911,123, was responsive and complete.

An Environmental Assessment (EA) evaluating the project was completed in accordance with CEQA guidelines and there have been no changes with regard to the project since adoption of the Mitigated Negative Declaration in February, 2008. The EA indicates that no significant impacts will occur as a result of the development and operation of Fire Station No. 27. The Economic Development Agency completed all CEQA mitigation measures stipulated in the mitigation monitoring program.

This project has been partially funded with Development Impact Fees (DIF). \$3.1 million of DIF funds has already been committed to the project for the land acquisition, design, and partial construction costs. An additional \$2,848,434, is required in order to complete the construction of the project.

Staff recommends that the Board of Supervisors accept and award the construction contract to the lowest and responsive bidder R.I.C Construction Co., Inc., in the amount of \$2,911,123 (excludes Course of Construction Insurance which will be provided by the County, per Section 2.3.6, of the Specifications for the Eastvale Fire Station), authorize the Chairman to sign the contract documents, delegate change order authority to the Assistant County Executive Office, or designee, and approve the total project budget.
