BACKGROUND

Dispute Resolution Program services attempt to settle civil disputes through intervention by a neutral party who either recommends an appropriate resolution to the conflict or facilitates a process by which both sides agree to settle their differences. The Board of Supervisors approved adoption of Resolution No. 2008-516 increasing the Dispute Resolution Programs Act (DRPA) distribution to eight dollars (\$8.00) per applicable civil filing and authorizing the establishment and maintenance of a Dispute Resolution Program Fees account into which the fees collected would be deposited and held in a trust account by the County. The Executive Office handles the administration of the Dispute Resolution Program.

RFP PROCESS AND AWARD FOR FUNDING

County Purchasing, on behalf of the Executive Office, released a Request for Proposal (RFP EOARC-017) for Dispute Resolution Program services, mailing solicitations to five (5) organizations and advertising on the County's Internet site. Six responses were received. The proposals were reviewed by an evaluation team consisting of personnel from the Executive Office, EDA, Orange County Workforce Investment Board and Dispute Resolution Program, and Human Relations Commission and Senior Services of L.A. County. The evaluation team reviewed the proposals and recommended awarding grant funds based upon DRPA criteria which include: structure and scope of the services; number of participants to be served; experience, qualifications and administrative capability; overall cost to the County; overall benefits to the County. The evaluation committee recommended that funding is given to Chapman University School of Law and Riverside County Bar Association to provide Dispute Resolution Program services for the County.

Chapman University School of Law will provide 600 mediations in Riverside County for a budget funding request of \$162,768. The primary role for the Chapman University School of Law mediation clinic will be to provide mediation services on small claims case and civil harassment cases at the Riverside County court facilities.

Riverside County Bar Association, through its Dispute Resolution Services (DRS) organization, will provide 300 mediations annually with requested funding in the amount of \$150,000. The DRS organization will provide mediators and arbitrators for a variety of case categories, including, but not limited to, personal injury/wrongful death, employment, business, insurance and professional malpractice, probate, landlord/tenant, construction and other types of disputes.

For those people who are unable to pay for mediation services there will be no charge to the program recipients. The organizations that provide Dispute Resolution Program services will only receive 50% of the funding from the County as stated in the DPRA, and will obtain the balance of the funding through direct billing clients for those who can pay, in kind donations and matching funds from other sources.

REVIEW/APPROVAL: Purchasing concurs with this request and County Counsel approves the agreements to form.

CONTRACTOR's obligations hereunder shall be satisfied when CONTRACTOR has provided to COUNTY the appropriate form of dismissal (or similar document) relieving the COUNTY from any liability for the action or claim involved. The specified insurance limits required in this Agreement shall in no way limit or circumscribe CONTRACTOR's obligations to indemnify and hold harmless the COUNTY.

e) The COUNTY'S Reserved Rights--Insurance. If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or, there is a material change in the equipment to be used in the performance of the scope of work (such as the use of aircraft or watercraft) the COUNTY reserves the right to adjust the types of insurance required under this Agreement and the monetary limits of liability for the insurance coverage's currently required herein, if; in the COUNTY Risk Manager's reasonable judgment, the amount or type of insurance carried by the CONTRACTOR has become inadequate.

f) CONTRACTOR shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

g) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

Failure on the part of COUNTY to require exact, full and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms or preventing COUNTY from enforcement of the terms of this Agreement.

22.3 In the event the CONTRACTOR receives payment under this Agreement, which is later disallowed by COUNTY for nonconformance with the terms of the Agreement, the CONTRACTOR shall promptly refund the disallowed amount to the COUNTY on request; or at its option the COUNTY may offset the amount disallowed from any payment due to the CONTRACTOR.

The COUNTY reserves the right to purchase more or less than the quantities specified in this Agreement.

22.5 CONTRACTOR shall comply with all applicable Federal, State and local laws and regulations. CONTRACTOR will comply with all applicable COUNTY policies and procedures. In the event that there is a conflict between the various laws or regulations that may apply, the CONTRACTOR shall comply with the more restrictive law or regulation.

22.7 CONTRACTOR shall comply with all applicable requirements of the Occupational Safety and Health Administration (OSHA) standards and codes as set forth by the U.S. Department of Labor and the State of California (Cal/OSHA).

22.8 This Agreement shall be governed by the laws of the State of California. Any legal action related to the performance or interpretation of this Agreement shall be filed only in the Superior Court of the State of California located in Riverside, California, and the parties waive any provision of law providing for a change of venue to another location. In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

**TO AGREEMENT BETWEEN CHAPMAN SCHOOL OF LAW
AND COUNTY OF RIVERSIDE**

STATEMENT OF WORK AND REPORTING REQUIREMENTS

Statement of Work

The primary goal of the Dispute Resolution Program Act (“the Act”) is reducing case loads through community and court processes. The Chapman School of Law (“CSL”) will provide services as defined in the Act and its regulations. All terms of the Act and its regulations apply to CSL’s services and related work under this Agreement.

CSL will deliver services as outlined in its proposal dated May 14, 2010, submitted in response to County’s RFP No. EOARC-017. CSL’s proposal and County’s RFP are both incorporated by reference into this Agreement.

CSL shall administer the alternate dispute resolution program in accordance with the Act and its regulations, including recruitment and training for all its volunteers and mediators in the program.

CSL will help people resolve civil harassment and small claims cases currently filed in courts located in Riverside County through free, voluntary mediation or conciliation services rather than having to appear before a judge for adjudication. In addition, CSL seeks to reconcile those who have been alienated by conflict; and to help them learn how to change their intuitive response to conflict by proactively and constructively addressing potentially similar situations in the future. This will be done in partnership with the courts. Services will be provided to, but not be limited to, indigent and low-to-moderate income County residents.

Services will be provided on the days and times the cases are calendared by the court. Mediators will provide services for a particular morning or afternoon court calendar.

CSL shall provide training for its mediators as required by the Act and its regulations.

It is anticipated that 600 cases will be mediated annually. Mediation services will be provided free of charge to the disputants.

Reporting Requirements and Records

CSL shall submit monthly reports to the County's Executive Office by the tenth of the month following the delivery of service. Reporting requirements may be changed during the contract period if the Executive Office finds the need for additional information. The Executive Office may require a specific format for the monthly reports. Reports shall include documentation of but not be limited to:

- A brief summary of CSL's activities during the prior month related to this Agreement, including but not limited to the dispute resolution services handled and the locations served throughout Riverside County.
- A listing of the disputes or cases handled by CSL during the prior month, including a description of their status, case numbers, the court and judge making the referral to CSL, individuals assisted, the nature of the dispute or case, and the full name of the mediator assigned. The list shall be arranged by geographic location within Riverside County where the services have been provided.
- Outreach activities and publicity.
- Community Forums / Community Education, including submission of rosters.
- Volunteer recruitment and training.
- Analysis of demographic intake for services.
- Contacts with partner agencies and meeting outcomes.
- Copies of follow-up evaluations from disputants.
- A description of CSL's expenditures over the prior month related to this Agreement.
- A list of civic groups, social services agencies, governmental entities, and justice system agencies which have made referrals to CSL.

It is further understood and agreed by the parties that CONTRACTOR in the performance of this Agreement is subject to the control or direction of COUNTY merely as to the results to be accomplished and not as to the means and methods for accomplishing the results.

CONTRACTOR's obligations hereunder shall be satisfied when CONTRACTOR has provided to COUNTY the appropriate form of dismissal (or similar document) relieving the COUNTY from any liability for the action or claim involved. The specified insurance limits required in this Agreement shall in no way limit or circumscribe CONTRACTOR's obligations to indemnify and hold harmless the COUNTY.

EXHIBIT A

TO AGREEMENT BETWEEN THE RIVERSIDE COUNTY BAR ASSOCIATION DISPUTE RESOLUTION SERVICE AND THE COUNTY OF RIVERSIDE

STATEMENT OF WORK AND REPORTING REQUIREMENTS

Statement of Work

The primary goal of the Dispute Resolution Program Act ("the Act") is reducing case loads through community and court processes. The Riverside County Bar Association Dispute Resolution Service ("DRS") will provide services as defined in the Act and its regulations. All terms of the Act and its regulations apply to DRS' services and related work under this Agreement.

DRS will deliver services as outlined in its proposal dated May 14, 2010, submitted in response to County's RFP No. EOARC-017. DRS' proposal and County's RFP are both incorporated by reference into this Agreement.

DRS shall administer the alternate dispute resolution program in accordance with the Act and its regulations, including recruitment and training for all its volunteers and mediators in the program.

DRS will receive referrals or court orders for mediation directly from the court. The range of cases to be mediated under the program will be approximately 300 cases per year, and will include Probate matters and Family Law matters where custody and visitation issues are resolved or reserved to the court. The DRS program is intended to supplement the court's mandatory mediation program (Code of Civil Procedure Section 1775 et seq.) by providing mediation services for cases valued between \$50,000 and \$200,000 (non-complex cases).

Mediation services will be provided by a qualified and trained mediator supplied by DRS and will be free of charge for the first three hours. Should the parties desire to extend the mediation, beyond three hours, the parties will be responsible for and shall share the mediator's \$200 per hour charge. The parties must stipulate in writing to extend the mediation and to share the \$200 per hour cost of the mediator. Those unable to pay the mediation charge will not be required to do so; DRS will have a sliding scale of payment options available as required by the Act.

DRS shall randomly select a mediator unless the parties request a particular mediator from the DRS list. DRS will coordinate the scheduling of the mediation at DRS facilities. DRS will conduct the mediation in accordance with Business and Professions Code Sections 465 - 471.5. At the conclusion of the mediation, DRS will report back to the court whether the matter was settled or not, in a form acceptable to the court.

Reporting Requirements and Records

DRS shall submit monthly reports to the County's Executive Office by the tenth of the month following the delivery of service. Reporting requirements may be changed during the contract period if the Executive Office finds the need for additional information. The Executive Office may require a specific format for the monthly reports. Reports shall include documentation of but not be limited to:

- A brief summary of DRS' activities during the prior month related to this Agreement, including but not limited to the dispute resolution services handled and the locations served throughout Riverside County.
- A listing of the disputes or cases handled by DRS during the prior month, including a description of their status, case numbers, the court and judge making the referral to DRS, individuals assisted, the nature of the dispute or case, and the full name of the mediator assigned. The list shall be arranged by geographic location within Riverside County where the services have been provided.
- Volunteer recruitment and training.
- Analysis of demographic intake for services.
- Copies of follow-up evaluations from disputants.
- A description of DRS' expenditures over the prior month related to this Agreement.
- DRS' fee schedule for services provided, including the sliding scale fee schedule used.
- DRS' additional fees paid by the parties for services provided beyond the initial three hours of mediation.
- Description of how funds received by DRS under this Agreement are being coordinated with other resources (e.g. funding from any other sources, local, community, state, federal, in-kind).
- Any additional information reasonably requested by the County.

DRS will be paid only upon submission of sufficient monthly reports and approval of these reports by the County. DRS may be required to meet with the County to review monthly reports.

DRS shall maintain records to support all program activities and make those records available for audit.

DRS shall retain all program records for a minimum of ten (10) years. No records shall be destroyed in the event of an in-progress audit by the County or the State of California.
