16 matters setting forth the nature and extent of such non-compliance, rectify the same at

12 be constructed, operated and maintained free of certain hazards, including, but not limited to:
13 spores, fungus, molds, bacteria, chemicals or fumes or other causes of any hazardous micro-
14 environments, sometimes known as "Sick Building Syndrome", emanating from or within the
15 Premises that may potentially cause discomfort, bodily injury, sickness or death. Should it be
16 determined that remediation is necessary based on a report by a trained investigator, Lessor
17 will promptly contract with a qualified and experienced company to safely remove the micro-
18 environments using remediation guidelines recommended or required by the appropriate
19 governmental agency. Any cost incurred to cause the Premises to be free of such hazard shall
20 be borne by Lessor.

22 all custodial services in connection with the Leased Premises and such services shall be
23 provided as set forth in the attached Exhibit "E". The provider of such custodial services will
24 perform background checks through LiveScan or in the manner specified by County, of
25 qualified permanent and temporary employees to determine their suitability for employment.
The provider will be bonded in the sum of \$10,000.00, and proof of such insurance, as
supplied by the Lessor, shall be furnished prior to occupancy of Premises by County. In
addition to bonding as required herein, Lessor shall also receive proof of statutory workers'

1 compensation insurance, commercial general liability and vehicle liability insurance from the
2 provider of any custodial functions performed at the Premises location.

3 **8.1.1** Notwithstanding the provisions of Section 8.1 herein, the cost of the
4 monthly custodial services shall be paid by County to Lessor and reconciled annually.
5 Beginning the first month after completion of improvements, County's costs for custodial
6 services shall be Seven Hundred Twenty Dollars (\$720.00) per month. Within sixty (60) days
7 of each anniversary date of the Lease, Lessor shall prepare an itemized expense statement of
8 the actual costs for custodial services for the previous year. County shall receive a rent credit
9 for the amount overpaid, or a check for reimbursement in the event the lease has expired and

15 with respect to the custodial services as set forth in Section 8.1 and Exhibit "E", and Lessor
16 fails to provide such action as required by the terms of this Lease within three (3) days of
17 County's notice, County may take the required action to provide custodial services by its staff
18 or those of a custodial contractor if: (1) County delivers to Lessor an additional written notice
19 advising Lessor that County intends to take the required action if Lessor does not begin the
20 required action within forty-eight (48) hours after the written notice; and (2) Lessor fails to
21 begin the required work within this forty-eight (48) hour period. Upon demand by County,
22 Lessor shall promptly reimburse County the actual cost and expenses thereof, provided said
23 costs and expenses are reasonable. Should Lessor fail to promptly pay the cost and
24 expenses, County may deduct and offset that amount from Rent payable under this Lease.
25 For purposes of this Section, notice given by fax or e-mail shall be deemed sufficient.

16 default of its repair and maintenance obligations under this Section 10, if Lessor commences
17 the repairs and maintenance within eight (8) hours of the aforementioned areas and thirty (30)
18 days for all others after written notice by County to Lessor of the need for such repairs and
19 maintenance. If, due to the nature of the particular repair or maintenance obligation, more than
20 thirty (30) days are reasonably required to complete it, Lessor shall not be in default under this
21 Section 10 if Lessor begins work within this thirty (30) day period and diligently pursues this
22 work to completion.

24 to Lessor of an event or circumstance that requires the action of Lessor with respect to the
25 replacement, repair or maintenance to the Premises or Base Building Systems serving the
Premises as set forth in Section 10.1 and Lessor fails to provide such action as required by the

obligation to reimburse County shall survive expiration or earlier termination of this Lease.

10.3.3 If, within thirty (30) days after receipt of County's written demand for
payment of County's costs incurred in taking such action on Lessor's behalf, Lessor has not
paid the invoice or delivered to County a detailed written objection to it, County may deduct
from Rent payable by County under this Lease the amount set forth in the invoice, plus interest

6 functional environment.

8 occurs in or about the Premises which is the responsibility of the Lessor to repair or maintain,
9 then Lessor shall commence appropriate repairs or maintenance immediately after notice of
10 the condition is given by County, which notice may be via telephone, facsimile, personal
11 contact or any other means, and Lessor shall thereafter diligently pursue to completion said
12 repairs or maintenance.

13 **10.4.3** If Lessor fails to commence repairs within twenty-four (24) hours of
14 the aforementioned notice, or if the County is unable to contact Lessor or any
15 designated agent within a reasonable time based upon the seriousness of the event or
16 situation, County may, but shall not be so obligated to, cause said repairs or replacements to
17 be made or such maintenance to be performed. Upon demand by County, Lessor shall
18 promptly reimburse County the actual cost and expenses thereof, provided said costs and
19 expenses are reasonable. Should Lessor fail to promptly pay the cost and expenses, County
20 may deduct and offset that amount from Rent payable under this Lease.

20 provisions therein. Lessor and Lessor's contractors may be subject to audit to confirm
21 compliance with wage scale regulations.

20 due to Lessor for reimbursement of tenant improvements during the term must be invoiced
21 and received by the County prior to May 1st of each fiscal year in which services to County
22 were provided to ensure payment.

25 undertaken by County shall have the prior written consent of Lessor. Such consent shall not
be unreasonably withheld, conditioned or delayed by Lessor.

County's Self-Insurance for the following coverage, if so requested by Lessor:

13. Damage and Destruction.

13.1 Repair of Damage. County agrees to notify Lessor in writing promptly of any
damage to the Premises resulting from fire, earthquake, or any other identifiable event of a
sudden, unexpected, or unusual nature ("Casualty"). If the Premises, whether covered by
insurance or not, are damaged by a Casualty, or the Casualty results in the Premises not

1 being provided with Base Building Systems or parking facilities, and if neither Lessor nor
2 County has elected to terminate this Lease under this Section 13, Lessor shall promptly and
3 diligently restore Premises, the County Improvements originally constructed by Lessor, Base
4 Building Systems, and County's parking facilities to substantially the same condition as existed
5 before the Casualty, subject to modifications required by building codes and other laws. If
6 County requests that Lessor make any modifications to the County Improvements in
7 connection with the rebuilding, Lessor may condition its consent to those modifications
8 on: (a) confirmation by Lessor's contractor that the modifications shall not increase the time
9 needed to complete the County Improvements; or (b) an agreement by County that the
10 additional construction period shall not extend the rent abatement period.

11 **13.2 Repair Period Notice.** Lessor shall, within thirty (30) days after the date of the
12 Casualty, provide written notice to County indicating the anticipated period for repairing the
13 Casualty ("Repair Period Notice"). The Repair Period Notice shall be accompanied by a
14 certified statement executed by the Contractor retained by Lessor to complete the repairs or, if
15 Lessor has not retained a Contractor, a licensed Contractor not affiliated with Lessor, certifying
16 the Contractor's opinion about the anticipated period for repairing the Casualty. The Repair
17 Period Notice shall also state, if applicable, Lessor's election either to repair or to terminate the
18 Lease under Section 13.3.

19 **13.3 Lessor's Option to Terminate or Repair.** Lessor may elect either to terminate
20 this Lease or to effectuate repairs if: (a) the Repair Period Notice estimates that the period for
21 repairing the Casualty exceeds ninety (90) days from the date of the Casualty; or (b) the
22 estimated repair cost of the Premises, even though covered by insurance, exceeds fifty
23 percent (50%) of the full replacement cost.

24 **13.4 County's Option to Terminate.** If (a) the Repair Period Notice provided by
25 Lessor indicates that the anticipated period for repairing the Casualty exceeds one hundred
26 twenty (120) days, or (b) notwithstanding the above, in the event of a substantial or total
27 casualty to the Premises or improvements, County may by written notice to Lessor within thirty
28 (30) days after such damage or destruction of its intention to terminate this Lease, elect to
29 terminate this Lease by providing written notice (County's Termination Notice) to Lessor within
30 thirty (30) days after receiving the Repair Period Notice. If County does not elect to terminate
31 within said thirty (30) day period, County shall be considered to have waived its' option to
32 terminate.

33 **13.5 Rent Abatement Due to Casualty.** Lessor and County agree that County's
34 Rent shall be fully abated during the period beginning on the later of: (a) the date of the
35 Casualty; or (b) the date on which County ceases to occupy the Premises and ending on the
36 date of Substantial Completion of Lessor's restoration obligations as provided in this Section
37 13 ("Abatement Period"). If, however, County is able to occupy and does occupy a portion of
38 the Premises, Rent shall be abated during the Abatement Period only for the portion of the
39 Premises not occupied by County.

40 **13.6 Damage Near End of Term.** Despite any other provision of this Section 13, if
41 the Premises are destroyed or damaged by a Casualty during the last eighteen (18) months of
42 the original Lease Term, Lessor and County shall each have the option to terminate this Lease
43 by giving written notice to the other of the exercise of that option within thirty (30) days after
44 that damage or destruction, provided, however, County may negate Lessor's election to
45

1 terminate under this Section 13.6 by electing, within ten (10) days after receipt of Lessor's
2 termination notice, to exercise any
3 unexercised option to extend this Lease. If County negates Lessor's election, this Lease shall
4 continue in effect unless Lessor has the right to, and elects to, terminate this Lease under
5 Section 13.3.

6 **13.7 Effective Date of Termination; Rent Apportionment.** If Lessor or County
7 elects to terminate this Lease under this Section 13 in connection with a Casualty, this
8 termination shall be effective thirty (30) days after delivery of notice of such election. County
9 shall pay Rent, properly apportioned up to the date of the Casualty. After the effective date of
10 the termination, Lessor and County shall be discharged of all future obligations under this
11 Lease, except for those provisions that, by their terms, survive the expiration or earlier
12 termination of the Lease.

13 **13.8 Waiver of Statutory Provisions.** The provisions of this Lease, including those
14 in this Section 13, constitute an express agreement between Lessor and County that applies in
15 the event of any Casualty to the Premises. Lessor and County, therefore, fully waive the
16 provisions of any statute or regulation, for any rights or obligations concerning a Casualty
17 including California Civil Code Sections 1932(2) and 1933(4).

18 **13.9 Release on Termination.** In the event of any termination of this Lease in
19 accordance with Section 13, the Parties shall be released there from without further obligation
20 to the other Party, except as may otherwise be specifically set forth in this Lease and items
21 that have accrued and are unpaid.

22 **14. Eminent Domain.**

23 **14.1 Total Condemnation.** If all of the Premises are condemned by eminent
24 domain, inversely condemned, or sold in lieu of condemnation for any public or quasi-public
25 use or purpose, this Lease will terminate as of the date of title vesting in that proceeding and
the Rent will be abated from the date of termination.

14.2 Partial Condemnation. If any portion of the Premises is condemned by
eminent domain, inversely condemned, or sold in lieu of condemnation for any public or quasi-
public use or purpose and the partial condemnation renders the Premises unusable for
County's business, this Lease will terminate as of the date of title vesting or order of immediate
possession in that proceeding and the Rent will be abated to the date of termination. If the
partial condemnation does not render the Premises unusable for the business of County and
less than a substantial portion of the Premises is condemned, Lessor must promptly restore
the Premises to the extent of any condemnation proceeds recovered by Lessor, excluding the
portion lost in the condemnation, and this Lease will continue in full force, except that after the
date of the title vesting, the Rent will be adjusted, as reasonably determined by Lessor and
County.

14.3 Award. If the Premises are wholly or partially condemned, Lessor will be
entitled to the entire award paid for the condemnation, and County waives any claim to any
part of the award from Lessor or the condemning authority. County, however, will have the
right to recover from the condemning authority any compensation that may be separately
awarded to County in connection with costs in removing County's merchandise, furniture,

1 fixtures, leasehold improvements, and equipment to a new location.

2 **14.4 Temporary Condemnation.** In the event of a temporary condemnation, this
3 Lease will remain in effect, County will continue to pay Rent, and County will receive any
4 award made for the condemnation. If a temporary condemnation remains in effect at the
5 expiration or earlier termination of this Lease, County will pay Lessor the reasonable cost of
6 performing any obligations required of County with respect to the surrender of the Premises. If
7 a temporary condemnation is for a period that extends beyond the Term, this Lease will
8 terminate as of the date of occupancy by the condemning authority and any award will be
9 distributed in accordance with Section 14.3.

10 **15. Estoppel Certificates.** Within twenty (20) business days after receipt of a written
11 request by either party, the other party shall execute and deliver to the requesting party an
12 Estoppel Certificate, in the form of the attached Exhibit "G", indicating in the certificate any
13 exceptions to the statements in the certificate that may exist at that time.

14 **16. Subordination, Non-Disturbance, and Attornment.**

15 **16.1 Subordination, Non-Disturbance, and Attornment Agreement.** To carry out
16 the purposes of Section 16.2 and Section 16.3, the Parties agree to execute a Subordination,
17 Non-Disturbance and Attornment Agreement in the form set forth in the attached Exhibit "H".

18 **16.2 Subordination.** County agrees that within forty-five (45) business days after
19 Lessor's written request, it shall execute the agreement referred to in Section 16.1 that Lessor
20 reasonably considers necessary to evidence or confirm the subordination or inferiority of this
21 Lease to the lien of any mortgage, deed of trust or other encumbrance of the Premises or any
22 renewal, extension, modification, replacement thereof, provided however, that such
23 Subordination Agreement shall be strictly limited to matters contained in the Agreement
24 referred to in Section 16.1 and no such Subordination Agreement shall materially increase any
25 of County's obligations or materially decrease any of County's rights under this Lease, nor
shall the possession of County be disturbed, by reason of any foreclosure, sale or other action
under any such trust deed, mortgage or other encumbrance.

16.3 Attornment. If Lessor's interest in the Premises passes to a successor, and
provided County has received the Non-Disturbance agreement referred to in
Section 16.1, County shall, within forty-five (45) business days after Lessor's transferee's
request, execute the agreement referred to in Section 16.1, thereby agreeing to attorn and to
recognize the transferee as the Lessor under this Lease; provided the transfer of Lessor's
interest in the Premises was by sale, lease, foreclosure, deed in lieu of foreclosure, exercise of
any remedy provided in any encumbrance or operation of law.

17. Breach by Lessor.

17.1 Lessor's Default. Except as provided to the contrary in this Lease, Lessor's
failure to perform any of its obligations under this Lease shall constitute a default by Lessor
under the Lease if the failure continues for thirty (30) days after written notice of the failure
from County to Lessor. If the required performance cannot be completed within thirty (30)
days, Lessor's failure to perform shall constitute a default under the Lease unless Lessor
undertakes to cure the failure within thirty (30) days and diligently and continuously attempts to

1 complete this cure as soon as reasonably possible.

2 **17.2 County's Right to Cure Lessor's Default and Deduct Cost.** Except as
3 provided to the contrary in this Lease, if County provides notice to Lessor of Lessor's failure to
4 perform any of its obligations under this Lease and Lessor fails to provide such action as
5 required by the terms of this Lease within the period specified, County may take the required
6 action if: (a) County delivers to Lessor an additional written notice advising Lessor that County
7 intends to take the required action if Lessor does not begin the required action within ten (10)
8 days after the written notice; and (b) Lessor fails to begin the required action within this ten
9 (10) day period.

10 **17.3 Rent Setoff.** If, within thirty (30) days after receipt of County's written demand
11 for payment of County's costs incurred in taking such action on Lessor's behalf, Lessor has
12 not paid the invoice or delivered to County a detailed written objection to it, County may deduct
13 from Rent payable by County under this Lease the amount set forth in the invoice, including
14 transaction costs and attorneys' fees, plus interest at the then legal rate of interest from the
15 date these costs are incurred until the date of County's Rent setoff.

16 **18. Lessor's Representations and Warranties.** Lessor represents and warrants to
17 County that:

18 **18.1 Title.** County's Leasehold interest in the Premises is free and clear of

Lessor shall make no changes or modifications to the Approved Working Drawings without the prior written consent of County, which consent may be withheld if such change or modification would directly or indirectly delay the "Substantial Completion," as that term is defined in Section 6.1 of this Leasehold Improvement Agreement, of the Premises or increase the cost of designing or constructing the Leasehold Improvements. Any changes or modifications approved by the County shall be at Lessor's sole cost and expense.

SECTION 3 - CONSTRUCTION DRAWINGS

3.1 *Selection of Architect/Construction Drawings.* Lessor shall retain an architect or space planner (the "Architect") to prepare the Construction Drawings. Lessor shall retain the engineering consultants (the "Engineers") to prepare all plans and engineering working drawings relating to the structural, mechanical, electrical, plumbing, HVAC, life safety, and sprinkler work of the Leasehold Improvements. The plans and drawings to be prepared by Architect and the Engineers hereunder shall be known collectively as the "Construction Drawings." All Construction Drawings shall comply with

the drawing format and specifications as determined by Lessor, and shall be subject to County's approval. Lessor and Architect shall verify, in the field, the dimensions and conditions as shown on the relevant portions of the Base Building Plans, and Lessor and Architect shall be solely responsible for the same, and County shall have no responsibility in connection therewith. County's review of the Construction Drawings as set forth in this Section 3, shall be for its sole purpose and shall not imply County's review of the same, or obligate Lessor to review the same, for quality, design, Code compliance or other like matters. Lessor shall immediately submit the Approved Working Drawings to the appropriate municipal authorities for all applicable building permits necessary to commence and fully complete the construction of the Leasehold Improvements (the "Permits"). Lessor hereby agrees that neither County nor County's agents or consultants shall be responsible for obtaining any building permit or certificate of occupancy for the Premises and that the obtaining of the same shall be Lessor's responsibility; provided however that County shall, in any event, cooperate with Lessor in executing permit applications and performing other ministerial acts reasonably necessary to enable Lessor to obtain any such permit or certificate of occupancy. No changes, modifications or alterations in the Approved Working Drawings may be made without the prior written consent of County, provided that County may withhold its consent, in its sole discretion, to any change in the Approved Working Drawings if such change would directly or indirectly delay the "Substantial Completion" of the Premises as that term is defined in Section 7.1 of this Leasehold Improvement Agreement.

3.5 County shall use its best, good faith, efforts and all due diligence to cooperate with the Architect, the Engineers, and Lessor to complete all phases of the Construction Drawings and the permitting process and to receive the permits, and approval of the "Construction Costs," as set forth in Section 8.1 below, as soon as possible after the execution of the Lease, and, in that regard, shall meet with Lessor on a scheduled basis to be determined by County, to discuss Lessor's progress in connection with the same. ASBESTOS

- A. Lessor shall operate and maintain the below described spaces free of hazard from asbestos containing construction materials (ACCM's) as defined in Title 15, Sections 1601 and 2607 of the United States Code. An asbestos hazard will be recognized if an average concentration exceeds 0.01 fibers longer than five microns per cubic centimeter of air measured over an eight hour period as determined by the Transmission Electron Microscopy (TEM) method. TEM testing will be mandatory if samples tested by the Phase Contrast Microscopy (PCM) method indicate .1 or more fibers per cc of air.
1. Space leased to the County and plenums in the same HVAC zone.
 2. Common public areas which County employees or its invitees would normally/reasonably use.
 3. Building maintenance areas, utility spaces, and elevator shafts within or serving areas described in items 1 and 2 above.
- B. In the event construction of the building wherein leased premises are located was completed prior to 1979, the Lessor shall provide the County with certification that the areas referred to above are free of asbestos hazard from ACCM's prior to the execution of this lease. If said premises were constructed after 1979, Lessor shall provide County with a written statement to that effect.
- C. Certification shall be in the form of an ACCM's Survey and Evaluation Report prepared by a qualified Industrial Hygienist who shall be certified by the American Board of Industrial Hygiene (ABIH) or an Environmental Protection Agency (EPA) – Asbestos Hazard Emergency Response Act (AHERA) certified inspector. Said survey shall include those areas listed in paragraph (A). Survey requirements are: visual walk-through inspection and testing of suspected ACCM's. Bulk samples of suspected ACCM's shall be analyzed by a laboratory certified by the Department of Health Services and recognized by the EPA Quality Assurance Program using the polarized light microscopy (PLM) method. If friable asbestos is found or the physical condition of suspected ACCM's indicate possible fiber release, air sampling and testing by the Phase Contrast Microscopy (PCM) method must be performed. If asbestos fiber concentrations of .1 fibers per cc of air or greater are found, further testing by the Transmission Electron Microscopy (TEM) method is mandatory. Said survey and evaluation report shall identify all ACCM's found and recommend abatement procedures. If necessary, the report shall also specify guidelines for the implementation of an operation and maintenance plan inclusive of any required monitoring and testing intervals. The report is subject to review and approval by the County and the Lessor shall agree to all conditions contained therein.

- D. If at any time during the term of this lease, or during any extension or renewal hereof, previously unidentified ACCM's hazard is discovered, or airborne asbestos fibers above the maximum allowable limits are found to be entering the County-leased space from any other area within the building or buildings in which the County-leased space is located, the Lessor shall immediately, at Lessor's sole cost and expense, control such release and perform abatement of all hazardous ACCM's that are determined to be affecting the County-leased space.
- E. Lessor shall perform asbestos notification as required by Chapter 10.4 of the Health and Safety Code and shall guarantee that all abatement work as required under the conditions of this lease is performed by a licensed contractor certified by the Contractors State License Board and registered with the Division of Occupational Safety and Health. The County reserves the right to establish consultant oversight of any asbestos related work program at its expense.
- F. Additionally, Lessor shall be responsible for any and all direct or indirect costs associated with the abatement of the above described ACCM's which include, but is not limited to the actual costs to the Lessor for ACCM's abatement and for all required monitoring reports before, during, and after abatement. In effect, all costs shall be borne by the Lessor that are in any way associated with the abatement of ACCM's from the Lessor's building including clean up of contaminated County-owned equipment, furnishings, and materials. Copies of the air monitoring reports shall be furnished to the County together with certification by an Industrial Hygienist Consultant registered with Cal/OSHA that the area is free of hazard from ACCM's.
- G. If it is determined that for safety reasons its employees should be relocated at any time prior to or during the abatement of ACCM's, the Lessor shall provide comparable accommodating space (at no cost to the County) throughout the abatement process. Said determination shall be made by a qualified representative of Cal/OSHA. The Lessor specifically agrees to pay for all costs associated with this move or reimburse the County, if the County paid for this cost, including all reasonable administrative costs and cost of moving or renting furniture, data processing, and telephone equipment.
- H. In the event, after written notice is provided by the County, the Lessor fails, refuses, or neglects to diligently pursue abatement of above described asbestos hazard from ACCM's, the County may effect such abatement; and, in addition to any other remedies it may have, deduct all reasonable costs of such abatement and all costs associated in any way with the abatement of the above described ACCM's from the rent that may then be or thereafter become due throughout the term of this lease. For this purpose and as a condition of this lease agreement, the Lessor shall obtain an EPA generator number and grant license to the County for its use.

- I. In addition to any other remedies it may have, in the event the Lessor fails to diligently pursue abatement of asbestos hazard from ACCM's, as required under the provisions of this lease, the County may, by notice in writing, terminate this lease. Lessor shall be liable to the County for all expenses, losses, and damages reasonably incurred by the County as a result of such termination; including, but not limited to additional rental necessary to pay for an available similar replacement facility over the period of what would have been the remaining balance of the lease term plus any option periods, costs of any necessary alterations to the replacement facility, administrative costs, and costs of moving furniture, data processing, and telephone equipment.

- J. The Lessor shall indemnify, defend, and hold the County of Riverside, its officers, and employees harmless from and against any and all losses, damages, judgements, expenses (including court costs and reasonable attorney fees), or claims whatsoever, arising out of, or in any way connected with or related to, directly or indirectly, the presence of asbestos hazard from ACCM's within the County-leased space or the building in which the leased premises are located.

The Mortgage, together with the promissory note or notes, the loan agreement(s), and other documents executed in connection with it are hereafter collectively referred to as the "Loan Documents".

B. On _____, _____, County and Lessor entered into a lease for the Mortgage Premises (the Lease). The Lease creates a leasehold estate in favor of County for space (the "Premises") located on the Mortgage Premises.

C. In connection with execution of the Mortgage, Lessor also executed and delivered to Lender an Assignment of Leases, Rents and Profits dated _____, _____, and recorded on _____, _____, as Instrument No. _____, in the Official Records of the County Recorder of _____, California concerning all rents, issues and profits from the Mortgage Premises. This document, together with all amendments, renewals, modifications consolidations, replacements, substitutions and extensions, is hereafter referred to as the "Assignment of Rents."

To confirm their understanding concerning the legal effect of the Mortgage and the Lease, in consideration of the mutual covenants and agreements contained in this Agreement and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

Lender and County, intending to be legally bound, agree and covenant as follows:

1. **Representations and Warranties.** County warrants and represents that the Lease is in full force and effect and that, as of the date of this Agreement and to the best of County's knowledge, there is no default under the Lease by Lessor or County.

2. **County Subordination.**

2.1. Subject to the provisions of Section 3, the Loan Documents shall constitute a lien or charge on the Mortgage Premises that is prior and superior to the Lease, to the leasehold estate created by it, and to all rights and privileges of County under it; by this Agreement, the Lease, the leasehold estate created by it, together with all rights and privileges of County under it, is subordinated, at all times, to the lien or charge of the Loan Documents in favor of Lender.

2.2. By executing this Agreement, County subordinates the Lease and County's interest under it to the lien right and security title, and terms of the Loan Documents, and to all advances or payments made, or to be made, under any Loan Document.

3. **Non-disturbance.**

3.1. Lender consents to the Lease.

3.2. Despite County's subordination under Section 2, County's peaceful and quiet possession of the Premises shall not be disturbed and County's rights and privileges under the Lease, including its right to early termination, its right to extend the term of the Lease, its right of first refusal to lease the property after expiration of the original term and any extensions thereof, shall not be diminished by Lender's exercise of its rights or remedies under the Loan Documents, provided that County has not canceled or terminated the Lease, nor surrendered, or abandoned the Premises.

3.3. If (a) Lender shall acquire title to, and possession of, the Premises on foreclosure in an action in which Lender shall have been required to name County as a party defendant, and (b) County is not in default under the Lease beyond any applicable cure or grace periods, has not canceled or terminated the Lease, nor surrendered, vacated or abandoned the Premises and remains in actual possession of the Premises at the time Lender shall so acquire title to, and possession of, the Premises, Lender and County shall enter into a new lease on the same terms and conditions as were contained in the Lease, except that:

(a) The obligations and liabilities of Lender under a new lease shall be subject to the terms and conditions of this Agreement (including the provisions of Sections 5-7);

(b) Lender shall have no obligations or liabilities to County under any such new lease beyond those of Lessor as were contained in the Lease; and

(c) The expiration date of any new lease shall coincide with the original expiration date of the Lease.

3.4. County shall not be named or joined in any foreclosure, trustee's sale, or other proceeding to enforce the Loan Documents unless such joinder shall be legally required to

perfect the foreclosure, trustee's sale, or other proceeding.

4. **Attornment.**

4.1. If Lender shall succeed to Lessor's interest in the Mortgage Premises by foreclosure of the Mortgage, by deed in lieu of foreclosure, or in any other manner, County shall be bound to Lender under all the terms, covenants and conditions of the Lease for the balance of its term with the same force and effect as if Lender were the Lessor under the Lease. County shall be deemed to have full and complete attornment to, and to have established direct privity between County and:

- (a) Lender when in possession of the Mortgage Premises;
- (b) a receiver appointed in any action or proceeding to foreclose the Mortgage;
- (c) any party acquiring title to the Mortgage Premises; or
- (d) any successor to Lessor.

4.2. County's attornment is self-operating, and it shall continue to be effective without execution of any further instrument by any of the parties to this Agreement or the Lease. Lender agrees to give County written notice if Lender has succeeded to the interest of the Lessor under the Lease. The terms of the Lease are incorporated into this Agreement by reference.

4.3. If the interests of Lessor under the Lease are transferred by foreclosure of the Mortgage, deed in lieu of foreclosure, or otherwise, to a party other than Lender (Transferee), in consideration of, and as condition precedent to, County's agreement to attorn to any such Transferee, Transferee shall be deemed to have assumed all terms, covenants, and conditions of the Lease to be observed or performed by Lessor from the date on which the Transferee succeeds to Lessor's interests under the Lease.

5. **Lender as Lessor.** If Lender shall succeed to the interest of Lessor under the Lease, Lender shall be bound to County under all the terms, covenants and conditions of the Lease, and County shall, from the date of Lender's succession to the Lessor's interest under the Lease, have the same remedies against Lender for breach of the Lease that County would have had under the Lease against Lessor; provided, however, that despite anything to the contrary in this Agreement or the Lease, Lender, as successor to the Lessor's interest, shall be:

- (a) liable for any act or omission of the Lessor; provided that the Lender may elect either to perform the pre-existing obligation or to permit the County to perform it and to recover the cost out of Rent;
- (b) subject to any offsets or defenses expressly permitted under the Lease, including abatement rights which County might have had against Lessor;
- (c) bound by any rent or additional rent that County might have paid for more than one month in advance to Lessor; or
- (d) bound by an amendment or modification of the Lease even though

made without Lender's written consent and whether or not the amendment or modification materially adversely affect any right of Lessor under the Lease.

(e) subject to the County's right to assert continuing claims, such as material interference with the County's use and enjoyment of the premises, against the Lender.

6. **Right To Cure.** County agrees that, before County exercises any of its rights or remedies under the Lease, Lender shall have the right, but not the obligation, to cure the default within the same time given Lessor in the lease to cure the default, plus an additional thirty (30) days or ten (10) days in the case of defaults in the payment of money from Lessor to County. County agrees that the cure period shall be extended by the time necessary for Lender to commence foreclosure proceedings and to obtain possession of the Mortgage Premises, provided that:

(a) Lender shall notify County of Lender's intent to effect its remedy;

(b) Lender initiates immediate steps to foreclose on or to recover possession of the Mortgage Premises;

(c) Lender initiates immediate legal proceedings to appoint a receiver for the Mortgage Premises or to foreclose on or recover possession of the Mortgage Premises within the thirty (30) day period; and

(d) Lender prosecutes such proceedings and remedies with due diligence and continuity to completion.

7. **Assignment of Rents.** If Lessor defaults in its performance of the terms of the Loan Documents, County agrees to recognize the Assignment of Rents made by Lessor to Lender and shall pay to Lender, as assignee, from the time Lender gives County notice that Lessor is in default under the terms of the Loan Documents, the rents under the Lease, but only those rents that are due or that become due under the terms of the Lease after notice by Lender. Payments of rents to Lender by County under the assignment of rents and Lessor's default shall continue until the first of the following occurs:

(a) No further rent is due or payable under the Lease;

(b) Lender gives County notice that the Lessor's default under the Loan Documents has been cured and instructs County that the rents shall thereafter be payable to Lessor;

(c) The lien of the Mortgage has been foreclosed and the purchaser at the foreclosure sale (whether Lender or a Transferee) gives County notice of the foreclosure sale. On giving notice, the purchaser shall succeed to Lessor's interests under the Lease, after which time the rents and other benefits due Lessor under the Lease shall be payable to the purchaser as the owner of the Mortgage Premises.

8. **County's Reliance.** When complying with the provisions of Section 7, County shall be entitled to rely on the notices given by Lender under Section 7, and Lessor agrees to release, relieve, and protect County from and against any and all loss, claim, damage, or liability (including reasonable attorney's fees) arising out of County's compliance with such notice.

County shall be entitled to full credit under the Lease for any rents paid to Lender in accordance with Section 7 to the same extent as if such rents were paid directly to Lessor. Any dispute between Lender (or Lender's Transferee) and Lessor as to the existence of a default by Lessor under the terms of the Mortgage, the extent or nature of such default, or Lender's right to foreclosure of the Mortgage, shall be dealt with and adjusted solely between Lender (or Transferee) and Lessor, and County shall not be made a party to any such dispute (unless required by law).

9. **Lender's Status.** Nothing in this Agreement shall be construed to be an agreement by Lender to perform any covenant of the Lessor under the Lease unless and until it obtains title to the Mortgage Premises by power of sale, judicial foreclosure, or deed in lieu of foreclosure, or obtains possession of the Mortgage Premises under the terms of the Loan Documents.

10. **Cancellation of Lease.** County agrees that it will not cancel, terminate, or surrender the Lease, except at the normal expiration of the Lease term or as provided in the Lease.

11. **Special Covenants.** Despite anything in this Agreement or the Lease to the contrary, if Lender acquires title to the Mortgage Premises, County agrees that: Lender shall have the right at any time in connection with the sale or other transfer of the Mortgage Premises to assign the Lease or Lender's rights under it to any person or entity, and that Lender, its officers, directors, shareholders, agents, and employees shall be released from any further liability under the Lease arising after the date of such transfer, provided that the assignee of Lender's interest assumes Lender's obligations under the Lease, in writing, from the date of such transfer.

12. **Transferee's Liability (Non Recourse).** If a Transferee acquires title to the Mortgage Premises:

(a) County's recourse against Transferee for default under the Lease shall be limited to the Mortgage Premises or any sale, insurance, or condemnation proceeds from the Mortgage Premises;

(b) County shall look exclusively to Transferee's interests described in (a) above for the payment and discharge of any obligations imposed on Transferee under this Agreement or the Lease ; and

(i) Transferee, its officers, directors, shareholders, agents, and employees are released and relieved of any personal liability under the Lease;

(ii) County shall look solely to the interests of Transferee set forth in (a) above, and

(iii) County shall not collect or attempt to collect any judgment out of any other assets, or from any general or limited partners or shareholders of Transferee.

13. **Transferee's Performance Obligations.** Subject to the limitations provided in Sections 11 and 12, if a Transferee acquires title to the Mortgage Premises, the Transferee shall perform and recognize all County improvement allowance provisions, all rent-free and rent rebate provisions, and all options and rights of offer, in addition to Lessor's other obligations under the Lease.
