BACKGROUND:

The American Red Cross- Coachella Valley Disaster Operations provides shelter, food, and essential supplies to families and individuals who are displaced due to fires and other disasters.

Jordan Outreach Ministries operates the Kids Klub after school program for children ages 5 through 18. The program offers a variety of enriching activities, including: Study Klub, sports, computer center activities and learning, arts and crafts, and other age appropriate activities. It targets and serves children from Indio, Coachella, Thermal, Mecca and the outlying unincorporated areas of the county.

The Blythe Health and Safety Day in Blythe is held by the Joan of Arc Catholic Church in Blythe. The community event includes public, non-profit and community groups promoting good physical and mental health.

California State University, San Bernardino started offering classes in the Coachella Valley on the campus of College of the Desert. The Palm Desert campus is celebrating the 25th Anniversary in a series of events that will take place throughout the year.

I would like to use Fourth District Community Improvement Funds to support this event.
