3. The owner be ordered to ascertain the existence or non-existence of asbestos containing materials in said structures by survey and materials sample testing through the Industrial Hygiene Specialist of the County Health Department, Division of Special Services; and, prior to the abatement ordered in paragraph number two (2) above, to secure the removal and disposal of all asbestos containing materials discovered through such survey and testing by contract with a duly certified and licensed contractor for the handling of such materials to avoid citations and/or fines imposed by the South Coast Air Quality Management District (SCAQMD) pursuant to SCAQMD Rule No. 1403.

4. If the owner or whoever has possession or control of the real property does not take the above described action within ninety (90) days of the date of the Board's Order to Abate, that representatives of the Code Enforcement Department, Sheriff's Department, and/or a contractor, upon consent of the owner or receipt of a Court Order authorizing entry onto the real property when necessary under applicable law, shall abate the substandard structure and contents therein, by removing the same from the real property.

5. The reasonable costs of abatement, after notice and an opportunity for hearing, shall be imposed as a lien on the real property, which may be collected as a special assessment against the real property pursuant to Government Code Section 25845 and Ordinance No. 725.

6. County Counsel be directed to prepare the necessary Findings of Facts and Conclusions that the substandard structure on the real property is declared to be in violation of Riverside County Ordinance No. 457 and a public nuisance, and further, to prepare an Order to Abate for approval by the Board.

**BACKGROUND:**

1. An inspection was made of the subject property by the Code Enforcement Officer on August 28, 2009. The inspection revealed a substandard structure (barn) on the subject property in violation of Riverside County Ordinance No. 457 (RCC Title 15). The substandard conditions of the structure included, but were not limited to, the following: lack of required electrical lighting; hazardous wiring; members of walls, partitions, or other vertical supports that split, lean, list or buckle due to defective material or deterioration; faulty weather protection; general dilapidation or improper maintenance.

2. Follow-up inspections on November 30, 2009, February 10, 2010, March 17, 2010, May 19, 2010, June 25, 2010, July 16, 2010 and October 5, 2010, revealed that the property continues to be in violation of Riverside County Ordinance No. 457.

3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for substandard structures.
