BACKGROUND (cont'd from page 1):

Updated fire and building codes developed to increase fire resistance in buildings and homes will take effect in January 2011. These codes bring California in line with the 2009 International Building, Fire and Residential Code and will be enforced by the County's fire and building departments. This amendment to Ordinance No. 787 will adopt as amended, revised and supplemented the 2010 California Fire Code.

FISCAL:

Under Board Policy A-67, the Board of Supervisors is to consider the costs associated with preparing, processing and implementing an ordinance amendment in deciding whether to adopt an order initiating the amendment. The estimated cost of preparing, processing and implementing this amendment is \$30,000 which will be paid by the Fire Department.
