RECOMMENDATIONS:

The Planning Director recommended an order initiating proceedings from "Indian Lands" (IND) ("Areas Subject to Indian Jurisdiction") to "Agriculture" (AG) (10 Ac. Min.) on approximately 40 acres of land due to the rural nature of the area and due to a possible future land division with two parcels. The Planning Commission made the comments below. The Planning Director continues to recommend an order initiating proceedings from "Indian Lands" (IND) ("Areas Subject to Indian Jurisdiction") to "Agriculture" (AG) (10 Ac. Min.). For additional information regarding this case, see the attached Planning Department Staff Report.

COUNTY OF RIVERSIDE PLANNING DEPARTMENT STAFF REPORT

PROJECT DESCRIPTION AND LOCATION:

The applicant proposes to amend the General Plan from "Indian Lands" (IND) or "Areas Subject to Indian Jurisdiction" to "Agriculture" (AG) (10 AC Min.) on approximately 40 acres of land. The applicant's goal with this proposed general plan amendment is to create a future land division with two parcels and this proposed general plan initiation or GPIP is a first step before a possible future tentative parcel map can be submitted.

The project is located within Torres Martinez tribal land within the community of Oasis near the northwest portion of the Salton Sea, and more specifically located, northerly of 72nd Avenue, westerly of Pierce Street, and easterly of Filmore Street within the Lower Coachella Valley Zoning District.

BACKGROUND:

A proposed General Plan Amendment (GPA) shall not be processed unless the Board of Supervisors (Board) adopts an order initiating proceedings for the proposed GPA. The Planning Director is required to prepare and submit to the Board a report and recommendation concerning initiation.

Before submitting his report and recommendation to the Board, the Planning Director must request comments on the proposed GPA from the Planning Commission (Commission) and must include the Commission's comments, if any, in his report. The Commission may make its comments in any form it deems appropriate. For example, the Commission may recommend that the Board adopt or decline to adopt an order initiating proceedings for the proposed GPA. A recommendation is not, however, required and the Commission may choose instead to simply identify its concerns regarding the proposed GPA. In addition to any comments the Commission may make as a group, the Planning Director will include the comments of individual Commission members in his report to the Board.

A noticed public hearing is not required for the Commission to comment on the initiation of a proposed GPA. Nor is such a hearing required for the Board to actually initiate or decline to initiate proceedings for the proposed GPA. The Planning Department did, however, notify the applicant by mail that the Commission would consider the initiation of this proposed GPA on this date, at this time and at this place.

After reviewing the Planning Director's report and recommendation, which as noted above, must include the Commission's comments, the Board may either adopt or decline to adopt an order initiating proceedings for the proposed GPA.

If the Board adopts an order initiating proceedings, the proposed GPA will thereafter be processed, reviewed, heard and decided in accordance with all the procedures applicable to GPA applications, including noticed public hearings before the Commission and the Board. The adoption of an order initiating proceedings does not imply that the proposed GPA will be approved.

If the Board declines to adopt an order initiating proceedings, the proposed GPA shall not be processed.

GENERAL PLAN AMENDMENT NO. 1102

PC Staff Report: September 15, 2010

Page 2 of 3

The Board established the initiation procedures for proposed GPAs in Ordinance No. 348.4573 which was effective May 8, 2008. Proposed GPA No. 1102 is considered an Entitlement/Policy GPA as described in Section 2.4 of that ordinance.

Proposed General Plan Amendment No. 1102 is a stand-alone case. The applicant proposes to modify existing "Indian Lands" or "Areas Subject to Indian Jurisdiction" on the General Plan to "Agriculture" (10 Acres Minimum). The applicant wishes to file a future parcel map which this GPIP is a necessary first step which the applicant is proposing to create two parcels which consist of one 10.5 acre lot and one 30.5 acre lot. The 40 acre site contains a mobile home(s) with the majority of site being vacant with desert vegetation. Surrounding lots contain existing scattered single family homes, vacant properties, and field crops. The proposed GPIP from "Indian Lands" to "Agriculture" would maintain the rural nature of the area with the possibility of two future rural lots of 10.5 acres and 30.5 acres. The "Agriculture" designation would be compatible with this extensive rural area with limited improvements and existing access along Avenue 72. Domestic water is available to the site, but sewer lines are not in the immediate vicinity. The site may use existing and future septic systems due to rural lot sizes.

In further support of this proposed general plan initiation, staff reviewed the Torres Martinez Land Use Plan. According to this plan, the subject parcel is designated "Residential (R)", which would not preclude the potential for future residential development with the proposed "Agriculture" land use designation since "Agriculture" land allows one dwelling per 10 acres. If the site is changed to "Agriculture" as a result of this general plan initiation with future implementing project such as a tentative parcel map, the site could be changed to residential with subsequent general plan amendment and be subject to Torres Martinez tribal review. Should GPA 1102 be initiated, any future implementing plans for development would be routed to the Torres Martinez Tribe for review and comment.

For additional information, refer to the attached Worksheet for General Plan Amendment Initiation Consideration Analysis.

ENTITLEMENT/POLICY FINDINGS

(Check all that apply)

Is there a reasonable possibility that the first two findings listed below and any one or more of the subsequent findings listed below can be made?*

Finding	Yes	No	Comment
The proposed change does not involve a change in or conflict with: the Riverside County Vision; any General Planning Principle set forth in General Plan Appendix B; or any Foundation Component designation in the General Plan.	X		The GPA responds to the increased need for potential single-family housing within the community which the change from Indian Lands to Agriculture land will accommodate by allowing a potential future residential parcel map to be filed which will maintain the rural character or the area with the potential for a 30 acre lot and 10 acre lot.
The proposed amendment would either contribute to the purposes of the General Plan or, at a minimum, would not be detrimental to them.	X		The proposed amendment does contribute to the purposes of the General Plan as it proposes improved residential development and maintains rural lot size with possible future land division.
Special circumstances or conditions have emerged that were unanticipated in preparing the General Plan.	X		The proposal supplies a need for higher densities and affordable housing within the community which the land is intended to be divided as the result of the general plan amendment for future housing which may increase as opposed to maintaining one 40 acre lot.
A change in policy is required to conform to changes in state or federal law or applicable findings of a court of law.		X	
An amendment is required to comply with an update of the Housing Element or change in State Housing Element law.		X	
An amendment is required to expand basic employment job opportunities (jobs that contribute directly to the County's economic base) and that would improve the ratio of jobs-to-workers in the County.		X	
An amendment is required to address changes in ownership of land or land not under the land use authority of the Board of Supervisors.		X	

*** THE ADOPTION OF AN ORDER BY THE BOARD OF SUPERVISORS INITIATING AMENDMENT PROCEEDINGS SHALL NOT IMPLY ANY SUCH AMENDMENT WILL BE APPROVED.**
