RESOLUTION NUMBER 2011-020

RESOLUTION OF THE COUNTY OF RIVERSIDE AUTHORIZING THE ISSUANCE OF SIX SERIES OF BONDS IN THE AGGREGATE AMOUNT NOT TO EXCEED \$155,000,000 BY THE REDEVELOPMENT AGENCY FOR THE COUNTY OF RIVERSIDE FOR THE PURPOSE OF FINANCING AND REFINANCING REDEVELOPMENT ACTIVITIES, AND PROVIDING OTHER MATTERS PROPERLY RELATING THERETO

- I. **WHEREAS**, the Redevelopment Agency for the County of Riverside (the "Agency") has adopted redevelopment plans for its Project Area No. 1, its Jurupa Valley Project Area, its Mid-County Redevelopment Project Area, its Desert Communities Redevelopment Project Area, and its Interstate 215 Corridor Redevelopment Project Area (collectively, the "Redevelopment Projects") under Part 1 of Division 24 of the Health and Safety Code of the State of California (the "Redevelopment Law");
- II. **WHEREAS**, the Redevelopment Law, and particularly Chapter 6 thereof, authorizes redevelopment agencies to incur indebtedness for any of their corporate purposes;
- III. **WHEREAS**, the Agency desires to issue six (6) separate series of bonds (as further described herein, the "Bonds") in order to obtain funds to finance and refinance redevelopment activities (the "Redevelopment Activities") with respect to the Redevelopment Projects, as more fully set forth in Appendix A hereto;
- IV. **WHEREAS**, the Agency has heretofore determined to finance and refinance the Redevelopment Activities as necessary and essential for the benefit of the various Redevelopment Projects; and
- V. **WHEREAS**, the Redevelopment Projects and the Bonds comply with all provisions of the Redevelopment Law in effect as of the date hereof.

1
2 **NOW, THEREFORE, BE IT RESOLVED** by the Board of Supervisors of the County of
3 Riverside, as follows:

4
5 **Section 1. Recitals True and Correct.** The County of Riverside hereby finds and declares
6 that the above recitals are true and correct.

7
8 **Section 2. Significant Public Benefits.** The County of Riverside hereby determines that
9 there are significant public benefits to the Agency from the issuance of the Bonds in that the
10 Redevelopment Activities will be of benefit to the County of Riverside by fostering economic
11 growth, and will also serve to increase property taxes generated within the Redevelopment
12 Projects.

13
14 **Section 3. Issuance and Sale of Bonds.** The County of Riverside hereby authorizes and
15 approves the issuance of up to the six series of Bonds, as follows:

- 16
17 i. Redevelopment Agency for the County of Riverside Project Area No. 1-1986 Tax
Allocation Bonds, Series A, in an initial amount not to exceed \$10,000,000;
- 18
19 ii. Redevelopment Agency for the County of Riverside Jurupa Valley Project Area 2011
Tax Allocation Bonds, Series B, in an initial amount not to exceed \$45,000,000;
- 20
21 iii. Redevelopment Agency for the County of Riverside Mid-County Redevelopment
Project Area 2011 Tax Allocation Bonds, Series C, in an initial amount not to exceed
22 \$5,000,000;
- 23
24 iv. Redevelopment Agency for the County of Riverside Desert Communities
Redevelopment Project Area 2011 Tax Allocation Bonds, Series D, in an initial amount
not to exceed \$20,000,000; and
- 25
26 v. Redevelopment Agency for the County of Riverside Interstate 215 Corridor
Redevelopment Project Area 2011 Tax Allocation Bonds, Series E, in an initial amount
27 not to exceed \$30,000,000.
- 28

1 vi. Redevelopment Agency for the County of Riverside Affordable Housing 2011 Tax
2 Allocation Bonds, Series F, in an initial amount not to exceed \$45,000,000.

3 The County of Riverside hereby also approves the sale of the Bonds.
4

5 **Section 4. Official Action.** All actions heretofore taken by the officers and agents of the
6 Agency with respect to the sale and issuance of the Bonds are hereby approved, confirmed
7 and ratified, and the proper officers of the Agency, including the Designated Officers, are
8 hereby authorized and directed, for and in the name and on behalf of the Agency, to do any
9 and all things and take any and all actions to consummate the lawful issuance and delivery of
10 the Bonds in accordance with this Resolution.

11 **Section 5. Effective Date.** This resolution shall take effect from and after the date of
12 approval and adoption thereof.

JURUPA VALLEY PROJECT AREA

Mission Plaza	\$10,000,000
---------------	--------------

The rehabilitation and new construction of an existing 37 acre blighted shopping center along with associated parking, landscaping and road improvements located at the southeast corner of Mission Blvd and Riverview Drive in the community of Rubidoux.

Sunnyslope sidewalk, curb and gutter and streetlight Improvement Project	\$4,000,000
--	-------------

There is a need to improve pedestrian safety including lighting conditions near the Sunnyslope elementary school. Streets needing sidewalk and street light improvements are west of Valley Way, southwest of 34th Street, southeast of Scenic Drive and north of Granite Hill and 37th Street.

Transportation Road Improvement Projects and Van Buren Beautification \$3,000,000

Grind and Overlay road improvements on Pedley Road from Mission Blvd to Jurupa Road, Fleetwood Road and Via Cerro. Van Buren Beautification and irrigation upgrade. The replacement of 200 hundred trees and irrigation upgrades along Van Buren Boulevard.

Mission Blvd Phase VI \$5,000,000

On July 27, 2004 the Board approved an agreement between the Redevelopment Agency and T.Y. Lin International for consulting, engineering, and construction administration services for the Mission Boulevard Sidewalk Improvement Project from Pedley Road to Valley Way in the community of Glen Avon. The project includes the design and construction of a raised hardscape median throughout the project limits. The expanded project will help in eliminating physical and economic blight in the Project Area.

Glen Avon Revitalization \$8,000,000

The unincorporated community of Glen Avon lies in northwestern Riverside County, south of the 60 Freeway and just to the east of Interstate 15. It is bordered by the City of Fontana on the north, the community of Rubidoux to the east and the community of Mira Loma to the south and west. Glen Avon includes residential, commercial and industrial zoned property. The goal of the Riverside County Redevelopment Agency is to eliminate blight in the commercial core by improving the aesthetics and infrastructure of Mission Boulevard. Presently, the existing streetscape is characterized by intermittent pedestrian walkways, dirt frontages and is devoid of any landscaping. PROJECT SCOPE: The Consultant shall provide complete civil engineering, landscape architectural services and electrical engineering plans and specifications and preliminary and final cost estimates for the construction of the Mission Boulevard improvements. The Glen Avon area designated for improvement is Mission Boulevard, between Pedley Road and San Sevaine Way (approximately 1.75 miles).

The Consultant's design shall be consistent with existing landscaping in nearby communities, where the Riverside County Redevelopment Agency is currently administering projects. The Consultant shall develop and improvement plans which call for low maintenance planting and irrigation elements that reduce overall maintenance costs. In determining overall construction cost, the

Consultant shall utilize low cost, high quality materials so that the project can be successfully completed and maintained with the available funding. The Consultant shall analyze the entire Glen Avon project area when considering design possibilities.

The Consultant shall, in our effort to create a more cohesive neighborhood identity, consider, but not be limited to, the following elements for the Mission Boulevard improvements between Pedley Road and Bellegrave Avenue (approximately .5 mile):

- Enhancing overall pedestrian walk-ability
- Landscape/Streetscape/Hardscape improvements, including medians and walkways
- Landscaped corner and mid-block pop-outs
- Slowing or redirection of traffic circulation
- Lighting, benches and entry monuments
- Options for connecting Avon Street, from Mission Boulevard to Bellegrave Avenue
- Overall community design recommendations

The area of Mission Boulevard between San Sevaine and Bellegrave (approximately 1.25 miles) currently consists of intermittent sidewalks and is predominantly devoid of landscaping. When considering design concepts for this section of Mission Boulevard, the Consultant shall focus only on curb, gutter and sidewalk improvements, with recommendations and cost estimations for improving the north and south sides of Mission Boulevard, both jointly and separately.
