Page 2 of 2

BACKGROUND:

By Minute Order dated December 7, 2010 (agenda item 3.37), the Board authorized the Clerk of the Board to advertise for the resurfacing of San Timoteo Canyon Road and Live Oak Canyon Road in the San Timoteo Canyon area of Riverside County. Additionally, the specifications were approved by the Board within this agenda item.

During the advertisement period, one addendum was issued to all registered plan holders as a supplement to the specifications and special provisions. Bidders are required to acknowledge and to take into account all issued addenda on their Contractor's Proposal to be considered for award. The addendum was issued to clarify and modify the approved contract documents. The addendum is attached as Addendum No. 1.

Bids for the project were opened in the office of the Director of Transportation at 2:00 PM, Wednesday, December 29, 2010. Four bids were received. The basis for the selection of a contractor is the lowest responsive and responsible bid for all schedules of work. The lowest responsible bid was submitted by Matich Corporation in the amount of \$1,035,000 which is \$398,502 (28%) below the Engineer's Estimate.

The streets with their limits and are listed below:

<u>ROAD:</u>	<u>FROM:</u>	<u>TO:</u>
San Timoteo Canyon Road	Redlands Boulevard	Live Oak Canyon Road
Live Oak Canyon Road	San Timoteo Canyon Road	San Bernardino County Line

Roadway resurfacing is a preventive measure and reconstruction is needed due to deteriorated pavement conditions. The road improvements will consist of grinding the existing pavement in place, removing or cold plane pavement, re-grading the surface, placing of new AC pavement, and other improvements as needed. Additional improvements include new pavement striping and raised pavement markers.

The project will be completed within the existing budget shown on Attachment "A".

The contractor is qualified and has executed the contract. The contractor has also provided performance bond, payment bond and insurance documents.
