Dear Ms. Spencer:

On February 10, 2011 the Mt. San Jacinto Community College District approved Resolution #2010/11-174, Rescheduling Election of Trustees to consolidate the election date for members of the Board with the date for the California general election in November in even years (Elections Code 1001) pursuant to Election Code section 1302 (b).

This action was taken as Mt. San Jacinto was informed that there would be a cost savings to the District resulting from aligning the District's election with the statewide general elections and knowing that there is generally a greater turnout for statewide general elections rather than for special local elections including school board member elections.

Therefore, the Mt. San Jacinto Community College District request that the Registrar place Mt. San Jacinto Community College District Resolution #2010/11-174, Rescheduling Elections of Trustees on the Riverside County Board of Supervisors agenda requesting formal approval of the change by the Board of Supervisors at a public meeting within 60 days after submission and after the resolution has been posted in accordance with law.

The District is prepared to pay the expense of mailing the notice of approval of the change in election date by the Riverside County Board of Supervisors as required by elections Code 10405.7 (e). The District understands that if the consolidation of election is approved by the Board of Supervisors that the next District election will be moved to November 2012 and each subsequent trustee election will be held two years thereafter in November of even years. It is also understood that the term of office of current trustees expiring in November 2011 will be

**Re: Mt. San Jacinto Community College District Request To Reschedule Governing Board of Trustee Elections From Odd-Numbered Years To Even-Numbered Years; Elections Code Section 10405.7**

Dear Supervisors:

Please be advised that the Mt. San Jacinto Community College District ("District") at its regularly scheduled meeting held February 10, 2011, voted to change its governing board of trustees' election schedule from odd-numbered years to even-numbered years.

Pursuant to Elections Code section 10405.7, the District hereby submits a copy of the District's resolution along with this formal request to the County Board of Supervisors to approve the change sought by the District.

Under Elections Code section 10405.7(d)(1), the County Board of Supervisors shall approve the resolution within sixty (60) days of receiving the request unless it finds that the ballot style, voting equipment, or computer capacity is such that additional elections or materials cannot be handled.

The District seeks to consolidate its election with the statewide general election for several reasons. First, voter turnout is generally greater for statewide general elections than for special local elections including school board member elections. Second, there is a cost savings to the District for consolidating.

The District is prepared to bear the cost of the notice to the voters pursuant to Elections Code section 10405.7(e).

Please feel free to contact the undersigned should you have any questions or concerns. The District appreciates your attention to this matter.

Very truly yours,

Roger W. Schultz, Ph.D.

**RESCHEDULING ELECTION OF TRUSTEES**

**WHEREAS**, the current date for election of trustees of the Mt.
