BACKGROUND:

On January 5, 2010, the Board of Supervisors approved the construction agreement between Tel Tech Plus, Inc., and the County of Riverside for the BCTC Building Electrical Renovation Project. During construction, \$40,482 in change orders were approved, increasing the total contract value to \$701,283. The project has been inspected and found to comply with all contract requirements. This Board action will release the balance of the contract retention funds of \$70,128 to Tel Tech Plus, Inc.

All costs associated with this agreement will be fully funded by the Capital Improvement Program Fund, thus no net county cost will be incurred as a result of this agreement.
