SUBLEASE

This Sublease is made effective December 1, 2002 ("Commencement Date"), by and between Murrietta Executive Air Park MEA, LLC, a California Corporation, ("MEA" or "Sublessor"), and French Valley Air Park, Inc., a California Corporation, ("Sublessee").

RECITALS

1. Sublessor is the tenant under a Lease effective October 1, 2001 (the "Lease" or "Master Lease"), by and between MEA as Lessee and the County of Riverside ("County"), as Lessor, covering an approximately 4 acre portion of the French Valley Airport ("Airport"). A copy of the Master Lease is attached hereto as Exhibit "A" and made a part hereof.
2. Sublessor intends to sublease to Sublessee a portion of the premises covered by the Master Lease and has obtained or will obtain permission from the County to sublease to Sublessee. The legal description of such portion is attached hereto as Exhibit "B" and made a part hereof. Sublessee intends to sublease such portion from Sublessor.

AGREEMENT

1.0 Premises. Sublessor hereby subleases to Sublessee, and Sublessee hereby subleases from Sublessor upon the terms and conditions hereinafter set forth, those certain premises ("Premises"), ~~Unit no. two (2)~~ located at the Airport, including the real property described in Exhibit "B" and the area outlined on Exhibit "C" attached hereto and made a part hereof, said Premises being a portion of the premises currently leased to Sublessor under the Master Lease, to include the right to use certain portions of the Common Area as hereinafter further provided. "Common Area" is defined as any portion of the property referred to in Paragraph 3.2.

2.0 Term. This Sublease shall commence on the first day of the month following execution by all parties thereto, and shall terminate September 30, 2031 in accordance with the Master Lease. If the Sublessor exercises the option to extend the Master Lease for ten (10) years as provided by Paragraph 3. (b) of the Master Lease, then the Sublessee shall have the option to extend this sublease for a period of ten (10) years to coincide with the Master Lease.

3.0 Use. The principal authorized use of the Premises is private, personal hangar facility and office use, and use related thereto or associated with such private, personal occasional non-aviation related use as may be approved by Sublessor in its sole and absolute discretion and by the County, all as set forth in Paragraph 4 of the Master Lease; as may be further restricted elsewhere in this Sublease and by the Rules and Regulations attached hereto as Exhibit "D" and made a part hereof by reference ("Rules and Regulations"), all as set forth below.

100

3.1 Authorized Use. Sublessee is authorized to use the Premises for activities attendant to its private and personal hanger operation as may be approved by Sublessor and by the County, and in accordance with the provisions of the Master Lease and this Sublease, and not in conflict with the Sublessor.

3.2 Non-Exclusive Use. Sublessor grants to Sublessee, its employees, officers, patrons, and guests jointly in common with others entitled to the use thereof, a non-exclusive license to use the roadways and other Common Areas on the Airport, including use of the landing area and the right of aircraft ingress and egress between the Premises and landing area, to include those areas immediately contiguous to the Premises, as further depicted on Exhibit "C".

4.0 Rent and Charges.

4.01 Initial Rent. Beginning on the Commencement Date, Sublessee shall pay initial rent of \$164.06 (One Hundred Sixty-four Dollars and Six Cents) per month to be paid quarterly to the Sublessor at the office of Sublessor without reduction, abatement, deduction, offset or any prior demand therefor in advance of the first day of each quarter of the term hereof and subject to adjustment, which shall equal one 16th of the amount due from Sublessor to County under the Master Lease. Payments will be made to the office of the sublessor at 2262 Rutherford Road, Suite 103, Carlsbad, CA 92008.

4.02. Non-Aviation Related Use License. If Sublessee desires/or wishes to obtain a license from the County authorizing a non-aviation related use, in accordance with Paragraph 4 of the Master Lease, prior to issuance of such license. Any such non-aviation use must first be approved by Sublessor prior to Sublessee making application to the County for such non-aviation related use.

4.03. Annual Adjustment. The rent shall be adjusted commencing one year from the Commencement Date, and each year thereafter during the term, including any extension thereof, as provided in the Master Lease.

5.0 Utilities. Unless separately metered or billed to Sublessee, Sublessee shall pay all charges for all electricity, gas, water, sewer, trash disposal and other utility services used on or for the subleased Premises, including a pro rata share of the Common Area utilities.

5.01 Common Area Payments. Sublessee shall pay on a one-sixteenth pro rata basis, all charges for all maintenance, landscaping, sweeping to include security, common area insurance, management, and other Common Area costs to keep the Common Area in pristine condition on/or for the subleased Premises, including around the exterior of the

NO

Premises. Sublessee's estimated portion of all utilities, common area sweeping, landscaping charges and other common area charges billed by Sublessor to maintain the Common Area, ("Common Area Charges") not otherwise paid by Sublessee are less than the actual Common Area Charges, Sublessee shall promptly pay the amount due to Sublessor. If the Common Area Charges for the previous year actually paid by Sublessee are more than the Actual Common Area Charges, Sublessee shall be credited with the amount of the difference which shall be applied to reduce the ensuing year's Common Area Charges.

6.0 Late Payments. If Sublessee shall fail to pay when due, any rent, amounts or charges payable by Sublessee under this Sublease or the Master Lease, then:

6.01 Interest on Past Due Obligations. Such unpaid amount shall bear interest, including common area payments, from the due date to the date of payment at the lesser of one percent (1%) per month or the maximum rate allowed under the applicable usury law.

6.02 Late Charges. Sublessee shall pay to Sublessor an additional sum of ten percent (10%) of any amount which remains due and unpaid 20 days after the due date. Sublessee acknowledges that late payment by Sublessee to Sublessor will cause Sublessor to incur costs not contemplated by this Sublease, including but not limited to processing and accounting charges, and late charges which may be imposed upon Sublessor, and that the exact amount of such costs is extremely difficult and impracticable to fix. The parties agree that this late charge represents a fair and reasonable estimate of the costs that Sublessor will incur by reason of late payment by Sublessee.

7.0 Use Conditions.

7.01 Non-Exclusive Use. To the extent granted to Sublessor in the Master Lease, Sublessor grants to Sublessee, its employees, officers, patrons and guests jointly and in common with others entitled to the use thereof, a non-exclusive license to use the roadways and other common areas of the Airport, including the use of the landing area.

7.02 Compliance with Rules, Regulations, Ordinance, Codes and Law. Sublessee shall at Sublessee's sole cost and expense at all times during the term of this Sublease or any renewal or extension thereof comply with and observe all rules, regulations, ordinances, codes and laws which have been or may be promulgated by Sublessor, the County, and the Rules and Regulations attached hereto, or other jurisdictions that relate to the Premises and the use of the facilities of the Airport including all fire regulations, safety regulations, noise control regulations and security regulations. Such rules, regulations, ordinances, codes, Rules and Regulations and laws are hereby made a part of this Sublease and Sublessee's failure to keep and observe the rules and regulations shall constitute a breach of the terms of this Sublease in like manner as if the same were contained herein. Sublessor and the County reserve the right to amend or supplement the

Handwritten initials

rules, regulations, ordinances, codes and laws and to adopt additional rules, regulations, ordinances, codes and laws applicable to the Premises, to Sublessee's use of the Premises, and the use of the facilities of the Airport. Sublessor shall have no obligation to Sublessee as a result of the violation of any such rules by any other person. Sublessee shall at all times obey the statutes, codes, ordinances, laws and regulations of the United States of America, the State of California, the County and any other governmental entity having jurisdiction, as the same may from time to time be amended during the term of this Sublease.

7.03 Security. Sublessee will acquaint itself with the County's security plan and all Federal Aviation Administration and other security requirements and shall at all times fully abide by the same. If Sublessor or the County is fined for any breach of security as a result of Sublessee's negligence or failure to abide by applicable security requirements, Sublessee shall reimburse Sublessor or the County, as appropriate, for such fine immediately upon demand. Sublessee shall similarly be responsible for the negligence or non-compliance of any of its assignees, subtenants or their licensees, invitees or guests.

7.04 Other Use Restrictions. Sublessee shall not commit or suffer to be committed any waste or any public or private nuisance or any other act or thing which may disturb the quiet enjoyment of any other person or organization at the Airport or upon the Premises or Common Area. Sublessee's method of lighting the Premises and its installation of all exterior light fixtures shall be subject to Sublessor's sole and absolute discretion. Sublessee shall maintain access control to the Premises in conformance with Federal Airport Security regulations, the security plan of the County and other federal and County directives and regulations that may be issued. All motor vehicles parked or operated upon the Premises or Common Area by Sublessee, its officers, employees, guests, patrons, and invitees shall be parked or operated in accordance with the County's and Sublessor's traffic and parking regulations, ordinances and other directives. Sublessee shall at all times maintain the Premises of Sublessee, as well as Common Areas used by Sublessee, in a clean condition, free from any garbage, trash, litter, oil, grease, or any other solvents or any debris not related to the use of the Premises. Any items applicable to the maintenance and support of aircraft, automobiles or related uses to Sublessee's business or office shall not be stored on the exterior of said Premises and shall not be visible from the exterior of the Premises. All maintenance of aircraft shall be at all times for the private, personal use of Sublessee and shall not be for profit, or public use, or sale.

8.0 Maintenance of Premises.

8.01 Delivery. Sublessor agrees to deliver the Premises in working order and Sublessee agrees to accept the Premises in the delivered condition without further additions, modifications or improvements by the Sublessor. Sublessee agrees that Sublessor has made no warranties or representations of any kind respecting the condition

of the Premises or utilities located thereon or the use to which the Premises may be put.

8.02 Maintenance Costs. Sublessee at its sole cost and expense shall at all times maintain the Premises and all buildings, structures and improvements thereon in a good state of repair and in a safe, clean, neat and sanitary condition. In the event Sublessee fails to make any repairs required to be made by Sublessee in accordance with the terms of this Sublease, Sublessor shall notify Sublessee of such failure, if within thirty (30) days of such notice, Sublessee has failed to make such repairs, Sublessor shall have the option but not the obligation to make such repairs at the expense of Sublessee. Sublessor shall have the option but not the obligation to make such repairs at the expense of Sublessee. Should Sublessor opt to make said repairs, Sublessor shall have the right to charge Sublessee, as additional rent due hereunder upon demand, all costs of Sublessor for making such repairs on a pro rata basis. If Sublessee fails to pay all costs to Sublessor for making repairs, Sublessor shall have the right to lien the property for said costs, to include costs of any suit together with reasonable attorneys fees. Sublessor shall have no liability to Sublessee for any damage, inconvenience or interference with the use of the Premises by Sublessee as a result of the making of any repairs made by Sublessor and the rent shall not be abated by reason thereof.

9.0 Alterations and Improvements. Sublessee shall not install, make, or suffer to be made, any alterations or improvements to the interior or exterior of the Premises or any part thereof without the prior written consent of Sublessor, such consent shall not be unreasonably withheld or delayed. If in accordance with good construction practices, applicable governmental requirements, the special conditions, plans and specifications approved by Sublessor. Sublessee shall comply with all construction and labor regulations of Sublessor and the County and shall provide reasonable insurance coverage required by Sublessor and the County, or other means of surety, to the reasonable satisfaction of Sublessor and the County shall be provided to ensure that, in the event that the Sublessee defaults and is unable to complete construction, there will be funds provided to return the Premises to the original condition and to satisfy any liens for labor and materials that may be brought for work on the Premises. improvements, additions to or alterations of the Premises except movable furniture and trade fixtures shall at the termination of this Sublease remain attached to and become part of the Premises and be surrendered to Sublessor in good condition, reasonable use and wear excepted, or at the option of Sublessor shall be removed by Sublessee and the Premises restored to the same condition which existed prior to the installation of any alterations, additions or improvements. Sublessor shall have the right to post a notice of non-responsibility for liens arising out of any work performed, materials furnished and obligations incurred by Sublessee. Sublessee agrees to advise Sublessor and the County in writing at least ten (10) business days in advance of the date upon which alterations will commence in order to permit Sublessor or County to post such a notice. Sublessee shall keep the Premises free from any and all liens arising out of any work performed, materials furnished or obligations incurred by Sublessee. Sublessee shall indemnify, defend and hold Sublessor and County harmless against any claim, demand, liability or expense on account of claims for work done or materials supplied for Sublessee or person claiming under it.

10.0 Relocation of Premises. In the event that the County requires the Premises for other Airport purposes, then the County in the exercise of its commercial business judgment shall first determine whether other reasonably comparable improved property at the Airport reasonably suitable for Sublessee's use is available. If such property is available then Sublessor or the County may, at the County's expense, relocate Sublessee to such property and the parties are unable to agree upon an appropriate rate of rent, the rent shall be established by such arbitrators as may be agreed upon by the parties, or if there is no such agreement then by arbitration conducted pursuant to the then existing rules of the American Arbitration Association. If in the exercise of its commercial business judgment the County determines that other reasonably suitable comparable improved property at the Airport reasonably suitable for Sublessee's use is not available, then the County shall pay to Sublessee the condemnation value of the improvements (condemnation value shall be the market value of the improvements made by Sublessee depreciated on a straight-line basis over the lease term). Except in the case of emergency, if all or any part of the Premises is taken or condemned by the County, the County agrees to provide Sublessee with not less than one hundred eighty (180) days written notice prior to the condemnation date.

11.0 Damage or Destruction. If the improvements to the Premises are damaged or destroyed during the term hereof, Sublessee may repair or rebuild said improvements to the condition immediately prior to the date of damage or destruction, within sixty (60) days after the occurrence of the event causing the damage or destruction. This Sublease shall continue and Sublessee shall diligently complete the repair or rebuilding of said improvements. Sublessee shall apply any insurance proceeds received as a result of damage to the improvements to the repair or replacement of said improvements.

12.0 Condemnation.

12.01 Total Taking. If all the Premises are taken or condemned for a public or quasi-

LOK

public use, by an entity other than the County, this Sublease shall terminate as of the date of condemnation and Sublessee shall thereupon be released from any liability thereafter occurring hereunder.

12.02 Partial Taking. If any party of the Premises are taken or condemned for a public or a quasi-public use by an entity other than the County and there is such a major change in the character of the property as to prevent Sublessee from using the Premises in substantially the same manner as theretofore used then in such event Sublessee may terminate this Sublease as of the date of condemnation by giving written notice to Sublessor within fifteen (15) days after the date of condemnation. If any part of the Premises are taken or condemned for a public or quasi-public use by entity other than the County and either party does not have the power to terminate this Sublease as hereinabove set forth, then this Sublease shall continue in full force and effect except that as to the part so taken this Sublease shall terminate as of the date of condemnation and the annual rent payable hereunder shall be adjusted so that Sublessee shall be required to pay for the remainder of the term only such portion of such rent as the value of the remaining part after condemnation bears to the value of the Premises at the date of condemnation. In the event that the parties are unable to agree upon an appropriate rate of rent, the rent shall be established by such arbitrators as may be agreed upon by the parties, or if there is no such agreement then by arbitration conducted pursuant to the then existing rules of the American Arbitration Association.

13.0 Assignments and Subleases.

13.01 No portion of the Premises or of Sublessee's interest in this Sublease may be acquired by any other person or entity, whether by sale, assignment, mortgage, sublease, transfer, may be withheld in Sublessor's sole and absolute discretion except as provided in Section 13.02 below. Sublessor has the right to grant or withhold its consent as provided in Section 13.05 below. Any attempted transfer without consent shall be void and shall constitute a non-curable breach of this Sublease. If Sublessee is a partnership, any cumulative transfer of more than twenty percent (20%) of the partnership interests shall require Sublessor's consent. If sublessee is a corporation, any change in the ownership of a controlling interest of the voting stock of the corporation shall require Sublessor's consent.

13.02 Sublessee Affiliate. Sublessee may assign this Sublease or sublease the Premises without Sublessor's consent, to any corporation which controls, is controlled by or is under common control with Sublessee, or to any corporation resulting from the merger of or consolidation with Sublessee ("Sublessee's Affiliate"). In such case, any Sublessee's Affiliate shall assume in writing all of Sublessee's obligations under this Sublease.

13.03 No Release of Sublessee. No transfer permitted by this Article Thirteen, whether with or without Sublessor's consent, shall release Sublessee or change Sublessee's

primary liability to pay the rent and to perform all other obligations of Sublessee under this Sublease. Sublessor's acceptance of rent from any other person is not a waiver of any provision of this Article Thirteen. Consent to one transfer is not a consent to any subsequent transfer. If Sublessee's transferee defaults under this Sublease, Sublessor may proceed directly against Sublessee without pursuing remedies against the transferee. Sublessor may consent to subsequent assignments or modifications of this Sublease by Sublessee's transferee, without notifying Sublessee or obtaining its consent. Such action shall not relieve Sublessee's liability under this Sublease.

13.04 First Offer to Sublease. At all times during the term of this Sublease, prior to making any transfer of Sublessee's interest other than as provided in Paragraph 13.01 or 13.02, any proposed transfer of the Sublease and the Premises shall first be offered to Sublessor, who shall have three (3) days to accept or reject any offer to sublease or purchase the Sublease and/or Premises. Sublessee shall provide a copy of any offer to purchase the Sublease or Premises immediately upon receipt by Sublessee.

13.05 Sublessor's Consent. Sublessee's request for consent to any transfer described in Section 13.01 shall set forth in writing the details of the proposed transfer, including the name, business of the prospective transferee, financial details of the proposed transfer (e.g., the term of and the rent and security deposit payable under any proposed assignment or sublease), and any other information Sublessor deems relevant. Sublessor shall have the right to withhold consent, or to grant consent, in its sole and absolute discretion based on the following factors: (i) the business of the proposed assignee or sublessee and the proposed use of the Premises; and (ii) Sublessee's compliance with all of its obligations under the Sublease. Sublessor's consent to any such transfer shall not be unreasonably withheld.

13.06 No Merger. No merger shall result from Sublessee's sublease of the Premises under this Article Thirteen, Sublessee's surrender of this Sublease or the termination of this Sublease in any other manner. In any such event, Sublessor may terminate any or all subleases or succeed to the interest of Sublessee as Sublessor under any or all subleases.

14.0 Default.

14.01 Event of Default. Each of the following events shall be an event of default hereunder by Sublessee and a breach of this Sublease: (a) the failure by Sublessee to pay Sublessor any rent or other charges due under this Sublease as and when the same become due; (b) the failure by Sublessee to perform or observe any other agreements, terms, covenants or conditions, or Rules and Regulations attached hereto and made a part hereof, as such Rules and Regulations may be amended from time to time by Sublessor; (c) the filing by or against Sublessee in any court pursuant to any statute of the United States or of any state of a petition in bankruptcy or insolvency or for reorganization or arrangement or for the appointment of a receiver or trustee of all or any portion of

NDK

Sublessee's property if within thirty (30) days after the commencement of any such proceedings against Sublessee or after such assignment for the benefit of creditors such petition shall not have been dismissed or such assignment shall not have been revoked; (d) the transfer of Sublessee's interest in this Sublease to any person, firm or corporation whether voluntarily or by operation of law except in the manner expressly permitted in this Sublease; or (e) vacating or abandoning the Premises by Sublessee at any time during the term hereof.

14.02 Sublessor's Remedies. In the event of default as described in section 14.01, Sublessor shall notify Sublessee in writing that Sublessee is in default, and Sublessee will then have a cure period of thirty (30) days from date of notice from Sublessor to cure such an event. Sublessor shall have the following remedies if Sublessee fails to correct default. The remedies are not exclusive; they are cumulative and in addition to any remedies now or later allowed by law. Sublessor can continue this Sublease in full force and effect. Sublessor can enter the Premises and relet them or any part of them to third parties for Sublessee's account. No act by Sublessor in reletting the Premises allowed by this section shall terminate this Sublease. In the event of Sublessee's default and Sublessor's reentering of the Premises, Sublessee agrees to pay Sublessor as an additional item of damages, the cost of repairs, alterations, redecorating, Sublease commissions and Sublessor's other expenses incurred in reletting the Premises to a new tenant.

14.03 Sublessor's Default. In the event Sublessor fails to keep its Master Lease current with the County, to include failure to make any payments of rent to County as and when due, and Sublessee has been making payments directly to Sublessor, Sublessee shall have the right, after giving Sublessor thirty (30) days notice to cure, to make the payments, directly to County. If Sublessor does not cure within the applicable time period, Sublessee shall have the right to enter into a direct Lease with County.

14.04 Attorneys Fees. In the event of any action at law or in equity between Sublessor and Sublessee arising out of or concerning this Sublease or any right or obligation derived therefrom, then in addition to all other relief at law or in equity, the prevailing party shall be entitled to recover from the unsuccessful party reasonable attorneys fees and costs incurred therein by the prevailing party.

15.0 Indemnity and Insurance

15.01 Waiver. This Sublease is made upon the express condition that Sublessee hereby waives all claims against Sublessor for damages to property or for injuries or death to any person or persons from any cause.

15.02 Indemnity. Sublessee hereby agrees to and shall indemnify and defend Sublessor against and hold Sublessor harmless from any and all claims, demands, actions, damages, liability and expense in connection with or for loss of or damage to property or injury or

Whe

death to any person from any cause whatsoever while in , upon , or about the Premises or any such claims, demands or the like, arising from or out of any occurrence in, upon or at the Premises from or in connection with the occupancy or use by Sublessee of the Premises or any part thereof or from or in connection with the business conducted by Sublessee in the Premises or occasioned wholly or in part by any act or omission of Sublessee, its agents, contractors, employees, licensees or concessionaires.

15.03 Insurance Coverage. During the term of this Sublease including any extension or renewal thereof, Sublessee at its cost shall at all times maintain in full force and effect comprehensive public liability insurance and property damage insurance (each more particularly described below) upon the Premises and upon all aircraft, and automobiles operated by Sublessee at the Airport.

15.03.01 Hangarkeeper's Liability (Ground Coverage) Should Sublessee's operations include care, custody or custody of aircraft stored on the Premises, Sublessee shall maintain hangarkeeper's legal liability insurance in an amount sufficient to fully cover the replacement value of all aircraft for which said custody is assumed while on the ground.

15.03.02 Hangarkeeper's Liability (Flight Coverage) Should Sublessee's operations include care, custody or custody of aircraft stored on the Premises that will be flight tested or used in commercial flight operations, Sublessee shall maintain hangarkeeper's legal liability insurance in an amount sufficient to fully cover the replacement value of all aircraft for which said custody is assumed while on the ground.

15.03.03 Aircraft Liability. Sublessee, and Sublessee's affiliates, sublessees, and licensees, shall maintain aircraft liability insurance which shall provide combined single limit for bodily injury and property damage for all aircraft owned, leased or operated by any of them from the Premises with minimum limits of One Million Dollars (\$1,000,000). Proof of insurance will be required to show that Murrieta Executive Airpark to be named as an additional insured.

15.03.04 Fire Insurance. Sublessee shall maintain fire insurance covering the Premises and all improvements, including protection against perils included within the classification standard fire and extended coverage together with insurance against vandalism and malicious mischief; in an amount sufficient to fully cover the replacement cost of all improvements.

15.04 Other Insurance Requirements. All policies shall name Sublessor, and the County as an additional insured. Insurance shall be with a company or companies satisfactory to Sublessor and the County in the amounts of not less than that specified herein or in minimum amounts as may be subsequently adjusted by Sublessor or the

County in the exercise of their commercial business judgment and consistent with airport industry practice for similar kinds of activities. Sublessee shall at all times during the term of this Sublease, including any extension or renewal hereof, provide Sublessor and the County with a certificate from the insurance carrier or carriers insuring Sublessee as set forth therein. Insurance policies shall not be subject to cancellation except after notice to Sublessor and the county by registered mail at least thirty (30) days prior to such cancellation. Where policies have normal expirations during the term of this Sublease or any extension thereof written evidence of renewal shall be furnished to Sublessor and the County thirty (30) days prior to such expiration.

15.05 Waiver of Subrogation. The parties release each other and their respective authorized representatives from any claims for damage to any person or to the Premises and to the fixtures, personal property, Sublessee improvements and alterations by Sublessor or Sublessee in or on the Premises that are caused by or result from risks insured against under any insurance policy carried by either party and in force at the time of any such damage to the extent of the insurance proceeds received from such policy. Each party shall cause each insurance policy obtained by it to provide that the insurance company waives all right of recovery by way of subrogation against either party in connection with any damage covered by any policy. If the insurance cannot be obtained or the party in whose favor a waiver of subrogation is desired refuses to pay the additional premium charged the other party is relieved of the obligation to obtain a waiver of subrogation right with respect to the particular insurance involved.

16.0 Hazardous Substances. The provisions of this section, which govern Sublessee's obligations with regard to hazardous substances, as defined below, shall survive termination of this Sublease.

16.01 Responsibility for and Definition of Hazardous Substances. Sublessee agrees to indemnify, defend, protect and hold Sublessor free and harmless from and against any and all claims, liability, loss, damage, actions or causes of action, costs and expenses (including attorney's fees) arising from or in connection with the presence of any Hazardous Substances other than those which can be shown to have been present in, on or under the Premises prior to the Commencement Date. Furthermore, Sublessee shall, at Sublessee's sole cost and expense, be responsible for the receiving, use, storage, handling, transportation, generation, spillage, migration, discharge, release, and disposition of all hazardous waste, toxic substances, or related materials including, without limitation, gasoline, oil, grease, battery acid, diesel fuel, flammable, combustible, explosive, corrosive, caustic, carcinogenic or radioactive matter, or any other Hazardous Substances to the extent any such are used, stored, brought onto, located on or shipped from within the Premises in connection with Sublessee's occupancy and use thereof, in accordance with all applicable rules, regulations, orders, ordinances, statutes, codes and laws. For purposes of this Sublease, "Hazardous Substances" shall include, but not be limited to petroleum or petroleum related materials and/or substances defined as

“hazardous substances”, hazardous materials”, “hazardous waste” or “toxic substances” in any federal, state or local laws or regulations adopted or publications promulgated pursuant to said laws (hereinafter collectively referred to as the “Laws”). Sublessee shall at Sublessee’s sole cost and expense, comply fully with all requirements of the Laws applicable to Sublessee’s use of the Premises and obligations contained herein.

16.02 Cleanup of Hazardous Substances. In the event of a release, leak, spill, or threatened or actual contamination or deterioration of the Premises or groundwater by a Hazardous Substance, other than those which can be shown to have been present in, on or under the Premises prior to the Commencement Date, whether the result of an act or omission of Sublessee or its agents, employees, contractors, licensees, or invitees or any other third parties, Sublessee shall, immediately notify Sublessor, the County, and all appropriate health, safety and environmental regulatory agencies. Sublessee hereby covenants and agrees to implement and complete, at its sole cost and expense, and to the satisfaction of Sublessor and the County, all investigation and remediation measures required by such agency or agencies. If Sublessee fails to take such action Sublessor may, but shall not be obligated to, take such action. In such event, all costs incurred by Sublessor or the County with respect to such cleanup activities shall be for the account of Sublessee and Sublessee shall promptly make reimbursement therefore. Sublessee shall not take any remedial action in response to the presence of any Hazardous Substances in any way connected with the Premises, nor enter into any settlement agreement, consent decree or other compromise in respect to any claims relating to any Hazardous Substances in any way connected with the Premises without first notifying the Sublessor and the County of Sublessee’s intention to do so and affording Sublessor and the County ample opportunity to appear, intervene or otherwise appropriately assess and protect its interest and respect thereto.

16.03 Hazardous Substances from Subtenants or Assignees. As between Sublessor and Sublessee, Sublessee shall bear responsibility for the presence of any Hazardous Substances as a result of a subtenant’s or assignee’s activities, whether before, during or after construction, in or around any part of the Premises or the soil, groundwater or soil vapor on or under the Premises. Upon demand by Sublessor, Sublessee shall defend any investigation, action or proceeding alleging the presence of any Hazardous Substances in any such location, which affects the Premises or which is brought or commenced against Sublessor or the County, whether alone or together with Sublessee or any other person, all at Sublessee’s own cost and by counsel to be approved by Sublessor. In the alternative, Sublessor or the County may elect to conduct its own defense at the expense of Sublessee.

16.04 Compliance Regarding Hazardous Substances. Sublessee shall comply and cause all occupants of the Premises to comply with all statutes, codes, regulations, rules, ordinances, orders and other laws governing or applicable to Hazardous Substances as well as the recommendations of any qualified environmental engineer or other expert

which apply or pertain to the Premises, Sublessee's use of the Premises or of the facilities of the Airport. Sublessee acknowledges that the presence of Hazardous Substances may permanently and materially impair the value and use of the Premises.

16.05 Notice Regarding Hazardous Substances. Sublessee shall promptly notify Sublessor and the County if Sublessee knows, suspects or believes that there may be any Hazardous Substances in or around the Premises, or in the soil, groundwater or soil vapor on or under the Premises, or that Sublessee or the Premises may be subject to any threatened or pending investigation by any governmental agency under any statute, code, regulation, rule, ordinance, order or other law pertaining to any Hazardous Substance.

16.06 Site Visits, Observations and Testing. Sublessor, the County, and their agents and representatives shall have the right from time to time to enter and visit the Premises to make observations of the Premises, take and remove soil or groundwater samples, and conduct tests. Sublessor is under no duty, however, to visit or observe the Premises or to conduct tests. No site visit, observation or testing by Sublessor shall result in a waiver of any default of Sublessee or impose any liability on Sublessor. In no event shall any site visit, observation or testing by Sublessor be a representation that Hazardous Substances are or are not present in, on or under the Premises or that there has been compliance with any statute, code, regulation, rule, ordinance, order or other law pertaining to Hazardous Substances. Neither Sublessee nor any other party is entitled to rely on any site visit, observation or testing by Sublessor. Sublessor shall not be obligated to disclose to Sublessee or any other party any report or finding made as a result, or in connection with, any site visit, observation or testing by Sublessor. Sublessor shall not be obligated to disclose to Sublessee or any other party any report or finding made as a result, or in connection with, any site visit, observation or testing by Sublessor. In each instance, Sublessor shall give Sublessee reasonable notice before entering the Premises.

16.07 Business Response Plan. Sublessee must conform with the Murrieta Executive Airpark "Business Response Plan" on file with the Airport Fire Marchall in accordance with the Health and Safety Code.

17.0 Sublessee Rights and Obligations. Sublessor grants to Sublessee all rights and benefits with respect to the Premises that are granted to Sublessor under the terms of the Master Lease. Sublessee assumes and agrees to perform all obligations and duties with respect to the Premises that have been assumed by Sublessor in the Master Lease. Sublessee shall have the right at any time to take any action required to be taken, but not timely taken, by Sublessor, which may be necessary to prevent or cure a default under the terms of the Master Lease. To the extent that the County fails or refuses to perform its obligations under the Master Lease with respect to the leased Premises, Sublessor shall perform such obligations. Further, Sublessor agrees not to modify or surrender the Master Lease as it relates to this Sublease and the Premises, without the prior consent of Sublessee, and any modification or surrender made without such consent shall be null and void and shall have no effect on the rights of Sublessee under this Sublease.

19.0 Taxes. In the event a possessory interest tax or property tax is levied by the appropriate County or State taxing authority, Sublessee shall be solely responsible for payment of Sublessee's pro rata share of such tax.

20.0 Protection of Lenders.

20.01 Subordination. Sublessor shall have the right to subordinate this Sublease to any deed of trust or mortgage encumbering the Premises, any advances made on the security thereof and any renewals, modifications, consolidations, replacements or extensions thereof, whenever made or recorded. Sublessee shall cooperate with Sublessor and any lender which is acquiring a security interest in the Premises or the Sublease. Sublessee shall execute such further documents and assurances as such lender may require, provided that Sublessee's obligations under this Sublease shall not be increased in any material way (the performance of ministerial acts shall not be deemed material), and Sublessee shall not be deprived of its rights under this Sublease. Sublessee's right to quiet possession of the Premises during the Sublease Term shall not be disturbed if Sublessee pays the rent and performs all of Sublessee's obligations under this Sublease and is not otherwise in default. If any beneficiary or mortgagee elects to have this Sublease prior to the lien of its deed of trust or mortgage and gives written notice thereof to Sublessee, this Sublease shall be deemed prior to such deed of trust or mortgage whether this Sublease is dated prior or subsequent to the date of said deed of trust or mortgage or the date of recording itself.

20.02 Attornment. If Sublessor's interest in the Premises is acquired by any beneficiary under a deed of trust, mortgagee, or purchaser at a foreclosure sale, Sublessee shall attorn to the transferee of or successor to Sublessor's interest in the Premises and recognize such transferee or successor as Sublessor under this Sublease. Sublessee waives the protection of any statute or rule of law which gives or purports to give Sublessee any right to terminate this Sublease or surrender possession of the Premises upon the transfer of Sublessor's interest.

20.03 Signing of Documents. Sublessee shall sign and deliver any instrument or

Handwritten initials or signature

documents necessary or appropriate to evidence any such attornment or subordination or agreement to do so. Sublessee has ten (10) days to do so after written request.

20.04 Estoppel Certificates.

20.04.01 Unless Sublessee has entered into a direct lease with the County, upon Sublessor's written request, Sublessee shall execute, acknowledge and deliver to Sublessor a written statement certifying: (i) that none of the terms or provisions of this Sublease have been changed (or if they have been changed, stating how they have been changed); (ii) that this Sublease has not been canceled or terminated; (iii) the last date of payment of the Base Rent and other charges and the time period covered by such payment; (iv) that Sublessor is not in default under this Sublease (or, if Sublessor is claimed to be in default, stating why); and (v) such other representations or information with respect to Sublessee.

20.04.02 If Sublessee does not deliver such statement to Sublessor within ten (10) days, Sublessor, and any prospective purchaser or encumbrancer, may conclusively presume and rely upon the following facts: (i) that the terms and provisions of this Sublease have not been changed except as otherwise represented by Sublessor; (ii) that this Sublease has not been canceled or terminated except as otherwise represented by Sublessor; (iii) that not more than one years Base Rent or other charges have been paid in advance, and (iv) that Sublessor is not in default under the Sublease. In such event, Sublessee shall be estopped from denying the truth of such facts.

20.05 Sublessee's Financial Condition. Unless Sublessee has entered into a direct lease with the County, within ten (10) days after written request from Sublessor, Sublessee shall deliver to Sublessor such financial statements as Sublessor reasonably requires to verify the net worth of Sublessee or any assignee, subtenant, or guarantor of Sublessee. In addition, Sublessee shall deliver to any lender designated by Sublessor any financial statements required by such lender to facilitate the financing or refinancing of the Premises. Sublessee represents and warrants to Sublessor that each such financial statement is a true and accurate statement as of the date of such statement. All financial statements shall be confidential and shall be used only for the purposes set forth in this Sublease.

21.0 Time. Time is of the essence.

22.0 Entire Agreement. This Sublease contains all agreements between Sublessor and Sublessee with respect to any matter mentioned herein. This Sublease may be modified only by a writing signed by the parties in interest at the time of the modification.

23.0 Applicable Law. This Sublease shall be governed by the laws of the State of California.

A handwritten signature in black ink, appearing to be 'HJD'.

24.0 No Waiver. Sublessor's waiver of any provision of this Sublease shall not be deemed a waiver of any other provision hereof, or of any subsequent breach by Sublessee of the same or any other provision. Sublessor's consent to, or approval of, any act shall not be deemed to render unnecessary the obtaining of Sublessor's consent to, or approval of, any subsequent act by Sublessee.

25.0 Partial Invalidity. The invalidity or unenforceability of any provision of this Sublease or the application thereof to any person or circumstances shall in no way affect the validity of any other provision or its application to any other person or circumstances.

26.0 Interpretation. The captions of the Sections of this Sublease are to assist the parties in reading this Sublease and are not a part of the terms or provisions of this Sublease. Whenever required by the context of this Sublease, the singular shall include the plural and the plural shall include the singular. 27.0 Corporate Authority; Partnership Authority. If Sublessee is a corporation, each person signing this Sublease on behalf of Sublessee represents and warrants that he has full authority to do so and that this Sublease binds the corporation. Within thirty (30) days after this Sublease is signed, Sublessee shall deliver to Sublessor a certified copy of a resolution of Sublessee's Board of Directors authorizing the execution of this Sublease or other evidence of such authority reasonably acceptable to Sublessor. If Sublessee is a partnership, each person or entity signing this Sublease for Sublessee represents and warrants that he or it is a general partner of the partnership, that he or it has full authority to sign for the partnership and that this Sublease binds the partnership and all general partners of the partnership. Sublessee shall give written notice to Sublessor of any general partner's withdrawal or addition. Within thirty (30) days after this Sublease is signed, Sublessee shall deliver to Sublessor a copy of Sublessee's recorded statement of partnership or certificate of limited partnership.

28.0 Joint and Several Liability. All parties signing this Lease as Sublessee shall be jointly and severally liable for all obligations of Sublessee.

29.0 Force Majeure. If Sublessor cannot perform any of its obligations due to events beyond Sublessor's control, the time provided for performing such obligations shall be extended by a period of time equal to the duration of such events. Events beyond Sublessor's control include, but are not limited to, acts of God, war, terrorism, civil commotion, labor disputes, strikes, fire, flood or other casualty, shortages of labor or material, government regulation or restriction and weather conditions.

counterpart documents are executed, the counterparts shall constitute a single binding instrument.

31.0 Negotiated Agreement. The parties hereby acknowledge, agree and understand that this Sublease and its wording have been arrived at through a process of negotiation between the parties in which each party participated to the fullest extent desired by that party and that neither party is to be deemed the party who prepared this Lease or the party who caused any uncertainty to exist within the meaning of California Civil Code Section 1654.

LEASE

(FRENCH VALLEY AIRPORT)

The COUNTY OF RIVERSIDE, herein called County, leases to Murrieta Executive Air Park MEA, LLC, a California Corporation, herein called Lessee, the property described below under the following terms and conditions:

1. Recitals.

(a) County owns approximately four (4) acres of vacant land at the French Valley Airport, County of Riverside, California.

(b) County desires to lease said property to Lessee for the construction of aircraft hangars and aviation related buildings.

(c) Lessee desires to lease said property from the County, for the construction of aircraft storage hangars, and aviation related buildings.

2. Description. The premises leased hereby are located within the French Valley Airport, County of Riverside, California, and consist of approximately 152,460 square feet of vacant land, being legally described in Exhibit "A" attached hereto and incorporated by reference herein. Said property is hereafter referred to as the "Leased Premises."

3. Term.

(a) This lease shall commence the first day of the month following execution by all parties thereto and terminate thirty (30) years thereafter, term of thirty (30) years.

(b) With respect to the Leased Premises and subject to the provisions of paragraphs 5, 8, 12(c), 17, and 18 hereof, and provided that the Lessee, at the time of exercising of the option, is in full compliance with all the terms of this Lease, the Lessee shall have the option to extend this Lease for a period of ten (10) years.

(c) Any holding over by the Lessee after the expiration of this Lease shall be on a day-to-day basis strictly, and continuing tenancy rights shall not accrue to the Lessee.

1 4. Use.

2 (a) The Leased Premises is leased hereby for the following purposes:

3 (1) Provide aircraft storage inside hangar buildings.

4 (b) The leased premises shall not be used for any purpose other than in
5 paragraph 4 (a) without first obtaining the written consent of County, which consent shall
6 not be unreasonably withheld.

7 5. Rent.

8 (a) Commencing after the construction rate reduction period, as referred
9 to below in 5b, Lessee shall pay to Lessor as base rent for the use and occupancy of the
10 Leased Premises, monthly rent equal to two thousand six hundred twenty five dollars
11 (\$2,625.00). Said rent is due and payable in advance on the first of each month.

12 (b) During construction of the leased premises, Lessee shall pay a
13 monthly rent equal to one thousand three hundred twelve dollars and fifty
14 cents(\$1,312.50), not to exceed twelve (12) months from the date of Lease execution by
15 all parties. Rent shall then be paid as described in paragraph 5(a) above.

16 (c) Beginning July 1, 2005, and every fifth (5th) year thereafter, the basic
17 monthly rent shall be one-twelfth (1/12) of eight percent (8%) of the appraised fair market
18 land value, excluding Lessee's improvements. A property appraisal for this purpose is to
19 be performed by an independent certified appraiser, mutually acceptable to County and
20 Lessee, knowledgeable in aviation appraising, in good standing with the American Institute
21 of Real Estate Appraisers and to be procured by the County. Once established, said land
22 rent shall be adjusted annually in the manner set forth in Paragraph 5 (d) below.

23 (d) Consumer Price Index. Beginning July 1, 2001 and at each July 1st
24 thereafter, except for dates coinciding with the appraisals conducted every fifth year as
25 referenced in 5(c), the rent shall be adjusted by the percentage change, in the CPI, All
26 Urban Consumers, LA-Anaheim Area for the twelve month period ending two months
27 before the month of rent adjustment under this paragraph. In no event will application of
28 this paragraph result in a monthly rental amount lower than the most previous monthly

1 rental amount.

2 6. Additional Obligations of Lessee. Lessee shall, during the term of this Lease
3 and any extensions thereof:

4 (a) Observe and obey, and compel its employees, agents, invitees
5 and those doing business with it to observe and obey all such rules and regulations of
6 County which are now in effect or which may hereafter be promulgated; provided that such
7 rules and regulations may not unduly interfere or conflict with the rights and privileges
8 granted to Lessee in this amendment or any later amendments.

9 (b) Employ and maintain on the leased premises sufficient
10 personnel who are trained and skilled in order to competently perform the tasks related to
11 the services being offered.

12 (c) Operate the leased premises and perform services for the use
13 and benefit of the general public without discrimination on the grounds of race, religion,
14 color or national origin or in any manner prohibited by Part 15 of the Federal Aviation
15 Administration Regulations.

16 (d) Operate the leased premises and the facilities thereon in a progressive
17 and efficient manner, charging fair and reasonable prices for each unit or service, said
18 prices being competitive with prices charged by other fixed based operators in the
19 Southern California area. Upon request from County, Lessee shall furnish County with a
20 schedule of all prices for each unit or service offered for sale or lease to the general public.

21 (e) Provide landscaping and janitorial services at its own expense.

22 (f) The Lessee shall observe the Taxiway Object Free Area adjacent to
23 their leasehold to allow the passage of taxiing aircraft. The Taxiway Object Free Area
24 boundary for Taxiway A is one hundred ten (110) feet from the center line of the taxiway.

25 7. Permits, Licenses and Taxes. Lessee shall secure, at its expense, all
26 necessary permits and licenses as it may be required to obtain, and Lessee shall pay all
27 fees and taxes levied or required by any authorized public entity. Lessee recognizes and
28 understands that this lease may create a possessory interest subject to property taxation

1 and that Lessee may be subject to the payment of property taxes levied on such interest.

2 8. On-Site Improvements.

3 (a) Lessee, at its expense, shall construct, or cause to be constructed the
4 following improvements:

5 (1) Within two months of lease execution, Lessee shall submit a
6 plot plan to the Economic Development Agency showing the location and dimensions of
7 all planned improvements. Upon approval of the layout by the Economic Development
8 Agency, Lessee shall submit to the County for building permits. Construction of said
9 improvements shall commence within thirty (30) days after the County approves building
10 permits and be completed within twelve (12) months of Lease execution. The site may be
11 developed in phases subject to the approval of the Economic Development Agency,
12 provided that all construction is completed within twenty four (24) months of Lease
13 execution. Lessee shall obtain performance, material and labor payment bonds in the
14 amounts required by law and determined by County and shall furnish County with copies
15 thereof prior to the commencement of such construction.

16 (b) All improvements to be at lessees sole cost. Lessee shall pay for
17 construction of any required utility extensions and hookups and any access road
18 improvements. Lessee shall pay for all drainage improvements required to comply with
19 French Valley Airport Master Drainage Plan. This Lease is subject to the provisions set
20 forth in **Exhibit "C"**, attached hereto and by this reference made apart of this Lease. All
21 improvements to be submitted to County for approval prior to start of any construction.

22 (c) Any improvements, alterations and installation of fixtures, to be
23 undertaken by Lessee, shall have the prior written approval of the Economic Development
24 Agency after Lessee has submitted to County proposed plot and building plans, and
25 specifications therefore, in writing. In addition, Lessee understands and agrees that such
26 improvements, alterations and installation of fixtures may be subject to County Ordinance
27 Nos. 348 and 457, as well as other applicable County ordinances, and that Lessee shall
28 fully comply with such ordinances prior to the commencement of any construction in

1 connection therewith.

2 (d) All improvements, alterations and fixtures, shall remain or become as
3 the case may be, the property of County with the exception of trade fixtures as that term
4 is used in Section 1019 of the Civil Code; provided, however, that Lessee shall have the
5 full and exclusive use and enjoyment of such improvements, alterations and fixtures during
6 the term of this lease. At or prior to the expiration of this lease, Lessee shall remove, at its
7 expense, such trade fixtures and restore said leased premises to their original shape and
8 condition as nearly as practicable. In the event Lessee does not so remove such trade
9 fixtures, they shall become the property of the County for no further consideration of any
10 kind and Lessee shall execute any documents that may be required or necessitated
11 conveying its interest in such improvements, alterations and fixtures to County.

12 9. Off-Site Improvements

13 (a) County and Lessee herein acknowledge that Lessee has no fee title
14 interest in or to the Leased Premises.

15 (b) It is understood by the parties hereto that utility services are available
16 in the general vicinity of the leased premises, but in order for the on-site improvements
17 required in Paragraph 7 herein to be fully usable and operational, Lessee, at its expense,
18 shall extend and/or connect, or cause to be extended and/or connected, to any utility
19 service facilities that may be required or desired by Lessee in the use, operation and
20 maintenance of such on-site improvements. After such extensions and/or connections
21 have been made, Lessee shall be responsible for payment of the use of such utility
22 services, without limitation, all electricity, gas, telephone, water and sewer.

23 If necessary, County shall grant right-of-way utility easements to the Lessee for telephone
24 and/or electricity improvements. After such extensions and/or connections have been
25 made, Lessee shall be responsible for payment of the use of any utility services, without
26 limitation, all electricity, gas, telephone and water.

27 (c) Lessee shall obtain, or cause to be obtained performance, material
28 and labor, and payment bonds in the amounts required by law and determined by County

1 and shall furnish County with copies thereof prior to the commencement of such off-site
2 improvements.

3 10. Additional Obligations of Lessee. The Lessee shall maintain the Leased
4 Premises, approaches thereto, and improvements now or hereafter located thereon, in
5 good and sanitary order, condition, and repair, and upon any termination of this Lease,
6 Lessee agrees to surrender said Leased Premises and improvements thereon in such
7 condition, reasonable use and wear thereof and damages by fire, acts of God, war, civil
8 insurrection, or by the elements excepted.

9 11. Compliance with Law. Lessee shall, at its sole cost and expense, comply
10 with all of the requirements of all governmental agencies now in force, or which may
11 hereafter be in force, pertaining to the Leased Premises, and any improvements hereafter
12 constructed or maintained thereon, and Lessee shall faithfully observe all ordinances now
13 or hereafter in force in the use of the Leased Premises.

14 12. County's Reserved Rights.

15 (a) The leased premises are accepted by Lessee subject to any and all
16 existing easements or other encumbrances, and County shall have the right to enter upon
17 the leased premises and to install, lay, construct, maintain, repair and operate such
18 sanitary sewers, drains, storm water sewers, pipelines, manholes, connections, water, oil
19 and gas pipelines, and telephone and telegraph power lines and such other facilities and
20 appurtenances necessary or convenient to use in connection therewith, over, in, upon,
21 through, across and along the leased premises or any part thereof. County also reserves
22 the right to grant franchises, easements, rights of way and permits in, over and upon, along
23 or across any and all portions of said leased premises as County may elect; provided,
24 however, that no right of the County provided for in this paragraph shall be so executed as
25 to interfere unreasonably with Lessee's use hereunder, or impair the security of any
26 secured creditor of Lessee. County shall cause the surface of the leased premises to be
27 restored to its original condition (as they existed prior to any such entry) upon the
28 completion of any construction by County or its agents. In the event such construction

1 renders any portion of the leased premises unusable, the rent shall abate pro rata as to
2 such unusable portion during the period of such construction. Any right of County set forth
3 in this paragraph shall not be exercised unless a prior written notice of thirty (30) days is
4 given to Lessee; provided, however, in the event such right must be exercised by reason
5 of emergency, then County shall give Lessee such notice in writing as is reasonable under
6 the existing circumstances.

7 (b) County reserves the right to further develop or improve the aircraft
8 operating area of French Valley Airport as it deems appropriate. County reserves the right
9 to take any action it considers necessary to protect the aerial approaches of the French
10 Valley Airport against obstruction, together with the right to prevent Lessee from erecting
11 or permitting to be erected, any building or other structure on the French Valley Airport,
12 which in the opinion of county, would limit the usefulness of the French Valley Airport or
13 constitute a hazard to aircraft.

14 (c) During the time of war or national emergency, County shall have the
15 right to lease the landing area of the French Valley Airport, or any part thereof, to the
16 United States Government for military use and, if such lease is executed, the provisions
17 of this lease insofar as they are inconsistent with the provisions of such lease to the
18 Government, shall be suspended. In that event, a just and proportionate part of the rent
19 hereunder shall be abated, and the period of such closure shall be added to the term of
20 this lease, or any extensions thereof, so as to extend and postpone the expiration thereof
21 unless. Lessee otherwise elects to terminate this lease.

22 (d) Notwithstanding any provisions herein, this lease shall be subordinate
23 to the provisions of any existing or future agreement between County and the United
24 States, relative to the operation or maintenance of the French Valley Airport, the terms and
25 execution of which have been or may be required as a condition precedent to the
26 expenditure or reimbursement to County of Federal funds for the development of said
27 airport.

28 (e) This lease is subject to the provisions set forth in **Exhibit "B"**

1 (Federally Required Lease Provisions), attached hereto and by this reference made a part
2 of this lease.

3 13. Inspection of Premises. County, through its duly authorized agents, shall
4 have, at any time during normal business hours, the right to enter the leased premises for
5 the purpose of inspecting, monitoring and evaluating the obligations of Lessee hereunder
6 and for the purpose of doing any and all things which it is obligated and has a right to do
7 under this lease.

8 14. Quiet Enjoyment. Lessee shall have, hold and quietly enjoy the use the
9 leased premises so long as lessee shall fully and faithfully perform the terms and
10 conditions that the lessee is required to do under this lease.

11 15. Compliance with Government Regulations. Lessee shall, at Lessee's sole
12 cost and expense, comply with the requirements of all local, state and federal statutes,
13 regulations, rules, ordinances and orders now in force or which may be hereafter in force,
14 pertaining to the leased premises. The final judgment, decree or order of any Court of
15 competent jurisdiction, or the admission of Lessee in any action or proceedings against
16 Lessee, whether Lessee be a party thereto or not, that Lessee has violated any such
17 statutes, regulations, rules, ordinances, or orders, in the use of the leased premises, shall
18 be conclusive of that fact as between County and Lessee.

19 16. Discrimination or Segregation.

20 (a) Lessee shall not discriminate in Lessee's recruiting, hiring, promotion,
21 demotion or termination practice on the basis of race, religious creed, color, national origin,
22 ancestry, sex, age, physical handicap, medical condition or marital status with respect to
23 its use of the leased premises hereunder, and Lessee shall comply with the provisions of
24 the California Fair Employment and Housing Act (Government Code Sections 12900 et
25 seq.), the Federal Civil Rights Act of 1964 (P.L. 88-352), and all amendments thereto,
26 Executive Order No. 11246 (30 Federal Register 12319), as amended, and all
27 Administrative Rules and Regulations issued pursuant to said Acts and orders with respect
28 to its use of the leased premises.

1 (b) Lessee shall not discriminate against or cause the segregation of any
2 person or group of persons on account of race, religious creed, color, national origin,
3 ancestry, sex, age, physical handicap, medical condition or marital status, in the
4 occupancy, use, tenure or enjoyment of the leased premises, nor shall Lessee, or any
5 person claiming under or through Lessee, establish or permit any such practice or
6 practices of discrimination or segregation with reference to the selection, location, number,
7 use or occupancy of any persons within the leased premises.

8 (c) Lessee assures that it will undertake an affirmative action program as
9 required by 49 CFR, Part 21, to insure that no person shall on the grounds of race, creed,
10 color, national origin, or sex be excluded from participating in any employment activities
11 covered in 49 CFR, Part 21, with respect to its use of the leased premises. Lessee further
12 assures that no person shall be excluded on these grounds from participating in or
13 receiving services or benefits of any program or activity covered herein with respect to its
14 use of the leased premises. Lessee further assures that it will require that its
15 subcontractors and independent contractors provide assurance to Lessee that they
16 similarly will undertake affirmative action programs and that they will require assurances
17 from their subcontractors and independent contractors, as required by 49 CFR, Part 21,
18 to the same effect with respect to their use of the leased premises.

19 17. Termination by County. County shall have the right to terminate this lease
20 on 30 days written notice served on Lessee, provided Lessee has not cured or taken
21 affirmative steps to cure the default within said 30 days:

22 (a) In the event a petition is filed for voluntary or involuntary bankruptcy
23 for the adjudication of Lessee as debtors.

24 (b) In the event that Lessee makes a general assignment, or Lessee's
25 interest hereunder is assigned involuntarily or by operation of law, for the benefit of
26 creditors.

27 (c) In the event of abandonment of the leased premises by Lessee.
28

1 (d) In the event Lessee fails or refuses to perform, keep or observe any
2 of Lessee's duties or obligations hereunder; provided, however, that Lessee shall have
3 thirty (30) days in which to correct Lessee's breach or default after written notice thereof
4 has been served on Lessee by County.

5 (e) In the event Lessee fails, or refuses, to meet its rental obligations, or
6 any of them, hereunder or as otherwise provided by law.

7 (f) Failure of Lessee to maintain insurance coverage required herein and
8 to provide evidence of coverage to the County.

9 18. Termination by Lessee(s).

10 Lessee shall have the right to terminate this lease in the event County fails
11 to perform, keep, or observe any of its duties or obligations hereunder; provided, however,
12 that County shall have thirty (30) days in which to correct its breach or default after written
13 notice thereof has been served on it by Lessee; provided, further, however, that in the
14 event such breach or default is not corrected, Lessee may elect to terminate this lease in
15 its entirety or as to any portion of the premises affected thereby, and such election shall
16 be given by an additional thirty (30) day written notice to County.

17 19. Eminent Domain. If any portion of the leased premises shall be taken by
18 eminent domain and a portion thereof remains which is usable by Lessee for the purposes
19 set forth in Paragraph 4 herein, this lease shall, as to the part taken, terminate as of the
20 date title shall vest in the condemnor, or the date prejudgment possession is obtained
21 through a court of competent jurisdiction, whichever is earlier, and the rent payable
22 hereunder shall abate pro rata as to the part taken; provided, however, in such event
23 County reserves the right to terminate this lease as of the date when title to the part taken
24 vests in the condemnor or as of such date of prejudgment possession. If all of the leased
25 premises are taken by eminent domain, or such part be taken so that the leased premises
26 are rendered unusable for the purposes set forth in Paragraph 4 herein, this lease shall
27 terminate. If a part or all of the leased premises be so taken, all compensation awarded
28 upon such taking shall be apportioned between County and lessee according to law.

1 20. Indemnity. The Lessee covenants to hold County harmless from any and All
2 loss, claims, or damages resulting from Lessee's violation of any term, provision, covenant,
3 or condition of this lease, or the use, misuse, or neglect of said Leased Premises,
4 improvements, and appurtenances, and from all claims arising out of any alleged defective
5 or unsafe condition thereof, except with respect to any claims arising out of the conduct of
6 County. County shall not be liable to Lessee, nor to any other person or entity, for any
7 damage or injury occasioned by any defect in the Leased Premises, its improvements, or
8 appurtenances. Without limiting or qualifying the foregoing, it is agreed that Lessee shall
9 notify County immediately in writing, of any damage or injury to the Leased Premises, its
10 improvements, or to any appurtenances, or to the sidewalk or curb abutting thereon, or as
11 to any other condition which may expose the Lessee or County to public liability. The use
12 of the term Lessee and County in this paragraph also includes their tenants, employees,
13 agents, representatives, and invitees.

14 21. Insurance. Lessee shall procure and maintain or cause to be maintained, at
15 its sole cost and expense, the following insurance coverages during the term of this Lease.
16 The procurement and maintenance of the insurance required below will not diminish or limit
17 Lessee's obligation to indemnify or hold the County harmless.

18 I. Workers Compensation

19 Workers Compensation Insurance (Coverage A) as prescribed by the laws
20 of the State of California. Policy shall include Employers' Liability (Coverage
21 B) including Occupational Disease with limits not less than \$1,000,000 per

4 Lessee's performance of its obligations hereunder. Policy shall name the
5 County of Riverside, Specials Districts, Directors, Officers, Board of
6 Supervisors, elected officials, employees, agents and representatives as
7 Additional Insureds. Policy's limit of liability shall not be less than \$3,000,000

STORM WATER POLLUTION PREVENTION PLAN INTRODUCTION AND PURPOSE

The California airport group members have submitted their Notices of Intent (NOIs) and are now in the compliance phase of the California General Permit. The General Permit requires airport discharges to: eliminate non-storm water discharges; develop and implement a storm water pollution prevention plan; and perform monitoring of discharges to the storm water drainage system.

The required Storm Water Pollution Prevention Plan (SWPPP) must emphasize the storm water Best Management Practices (BMPs) and be designed to comply with Best Available Technology Economically Achievable (BAT) and Best Conventional Pollutant Control Technology (BCT). The SWPPP has two major objectives: 1) to identify the source of pollutants that affect the quality of the industrial storm water discharge; and 2) to describe practices which may be implemented to reduce the pollutants in the industrial storm water discharge.

The SWPPP is to be certified and implemented by October 1, 1992. Although the SWPPP is not submitted to the Regional Board, it must be retained on file at the airport for the duration of the permit. The SWPPP must be available for Regional Board and public review. The Regional Board may notify airport representatives if the SWPPP does not meet the minimal requirements. Within 30 days of the notice, the airport must submit a time schedule in which the required changes will be made. Once the changes have been made, the airport will provide written certification to verify the completed change. The documentation should then be retained as part of the SWPPP.

2003-19934
03/19/2003 09:00A
81 of 107

The airport is responsible for amending the SWPPP whenever there is a change in construction, operation, or maintenance which will affect the quality or quantity of the industrial storm water discharge. The SWPPP should also be amended if the objective of controlling pollutants in the storm water discharge are not being achieved.

Materials Management Practices:

1.) All hazardous material spills must be reported to the airport manager, County Hazardous materials Div. Of County Health, and Riverside County Fire. Liquid absorbent materials are stored at the airport.

2.) Areas where materials are stored and or have the possibility to spill are inspected monthly, with spot inspections during the daily airport inspections.

3.) Insure material handlers have proper licenses and training.

Pollutant List

The airport is required to list any pollutants that have a reasonable potential to be present in the storm water discharge in significant quantities. The definition of significant quantities varies depending on the material. In general, a significant quantity is a quantity of material larger than that consumed within a normal day's operations or a quantity resulting in spills beyond the immediate clean-up capabilities of the individual charged with the use of the materials. For regulated substances, a significant quantity is a "reportable" quantity of those substances. An estimate of the annual quantities of these pollutants in the discharge is also required. List substances and quantities in the following table (Table 3-1) and retain a copy in the SWPPP documentation.

EXCLUSIONS FROM COVERAGE

The following matters are expressly excluded from the coverage of this policy and the Company will not pay loss or damage, costs, attorneys' fees or expenses which arise by reason of:

1. (a) Any law, ordinance or governmental regulation (including but not limited to building or zoning laws, ordinances, or regulations) restricting, regulating, prohibiting or relating to (i) the occupancy, use, or enjoyment of the land; (ii) the character, dimensions or location of any improvement now or hereafter erected on the land; (iii) a separation in ownership or a change in the dimensions or area of the land or any parcel of which the land is or was a part; or (iv) environmental protection, or the effect of any violation of these laws, ordinances or governmental regulations, except to the extent that a notice of the enforcement thereof or a notice of a defect, lien or encumbrance resulting from a violation or alleged violation affecting the land has been recorded in the public records at Date of Policy.
(b) Any governmental police power not excluded by (a) above, except to the extent that a notice of the exercise thereof or a notice of a defect, lien or encumbrance resulting from a violation or alleged violation affecting the land has been recorded in the public records at Date of Policy.
2. Rights of eminent domain unless notice of the exercise thereof has been recorded in the public records at Date of Policy, but not excluding from coverage any taking which has occurred prior to Date of Policy which would be binding on the rights of a purchaser for value without knowledge.
3. Defects, liens, encumbrances, adverse claims or other matters:
 - (a) whether or not recorded in the public records at Date of Policy, but created, suffered, assumed or agreed to by the insured claimant; but not known to the Company, not recorded in the public records at Date of Policy, but known to the insured claimant and not disclosed in writing to the Company by the insured claimant prior to the date the insured claimant became an insured under this policy;
 - (c) resulting in no loss or damage to the insured claimant;
 - (d) attaching or created subsequent to Date of Policy; or
 - (e) resulting in loss or damage which would not have been sustained if the insured claimant had paid value for the insured mortgage or for the estate or interest insured by this policy.
4. Unenforceability of the lien of the insured mortgage because of the inability or failure of the insured at Date of Policy, or the inability or failure of any subsequent owner of the indebtedness, to comply with the applicable doing business laws of the state in which the land is situated.
5. Invalidity or unenforceability of the lien of the insured mortgage, or claim thereof, which arises out of the transaction evidenced by the insured mortgage and is based upon usury or any consumer credit protection or truth in lending law.
6. Any claim, which arises out of the transaction vesting in the insured the estate or interest insured by this policy or the transaction creating the interest of the insured lender, by reason of the operation of federal bankruptcy, state insolvency or similar creditors' rights laws.

1. DEFINITION OF TERMS.

The following terms when used in this policy mean:

(a) "insured": the insured named in Schedule A, and, subject to any rights or defenses the Company would have had against the named insured, those who succeed to the interest of the named insured by operation of law as distinguished from purchase including, but not limited to, heirs, distributees, devisees, survivors, personal representatives, next of kin, or corporate or fiduciary successors. The term "insured" also includes

(i) the owner of the indebtedness secured by the insured mortgage and each successor in ownership of the indebtedness except a successor who is an obligor under the provisions of Section 12(c) of these Conditions and Stipulations (reserving, however, all rights and defenses as to any successor that the Company would have had against any predecessor insured, unless the successor acquired the indebtedness as a purchaser for value without knowledge of the asserted defect, lien, encumbrance, adverse claim or other matter insured against by this policy as affecting title to the estate or interest in the land);

(ii) any governmental agency or governmental instrumentality which is an insurer or guarantor under an insurance contract or guaranty insuring or guaranteeing the indebtedness secured by the insured mortgage, or any part thereof, whether named as an insured herein or not;

(iii) the parties designated in Section 2 (a) of these Conditions and Stipulations.

(b) "insured claimant": an insured claiming loss or damage.

(c) "insured lender": the owner of an insured mortgage.

(d) "insured mortgage": a mortgage shown in Schedule B, the owner of which is named as an insured in Schedule A.

(e) "knowledge" or "known": actual knowledge, not constructive knowledge or notice which may be imputed to an insured by reason of the public records as defined in this policy or any other records which impart constructive notice of matters affecting the land.

(f) "land": the land described or referred to in Schedule { A }, and improvements affixed thereto which by law constitute real property. The term "land" does not include any property beyond the lines of the area described or referred to in Schedule { A }, nor any right, title, interest, estate or easement in abutting streets, roads, avenues, alleys, lanes, ways or waterways, but nothing herein shall modify or limit the extent to which a right of access to and from the land is insured by this policy.

(g) "mortgage": mortgage, deed of trust, trust deed, or other security instrument.

(h) "public records": records established under state statutes at Date of Policy for the purpose of imparting constructive notice of matters relating to real property to purchasers for value and without knowledge.

(i) "unmarketability of the title": an alleged or apparent matter affecting the title to the land, not excluded or excepted from coverage, which would entitle a purchaser of the estate or interest described in Schedule A or the insured mortgage to be released from the obligation to purchase by virtue of a contractual condition requiring the delivery of marketable title.

2. CONTINUATION OF INSURANCE.

(a) After Acquisition of Title by Insured Lender. If this policy insures the owner of the indebtedness secured by the insured mortgage, the coverage of this policy shall continue in force as of Date of Policy in favor of (i) such insured lender who acquires all or any part of the estate or interest in the land by foreclosure, trustee's sale, conveyance in lieu of foreclosure, or other legal manner which discharges the lien of the insured mortgage; (ii) a transferee of the estate or interest so acquired from an insured corporation, provided the transferee is the parent or wholly-owned subsidiary of the insured corporation, and their corporate successors by operation of law and not by purchase, subject to any rights or defenses the Company may have against any predecessor insureds; and (iii) any governmental agency or governmental instrumentality which acquires all or any part of the estate or interest pursuant to a contract of insurance or guaranty insuring or guaranteeing the indebtedness secured by the insured mortgage.

(b) After Conveyance of Title by an Insured. The coverage of this policy shall continue in force as of Date of Policy in favor of an insured only so long as the insured retains an estate or interest in the land, or holds an indebtedness secured by a purchase money mortgage given by a purchaser from the insured, or only so long as the insured shall have liability by reason of covenants of warranty made by the insured in any transfer or conveyance of the estate or interest. This policy shall not continue in force in favor of any purchaser from an insured of either (i) an estate or interest in the land, or (ii) an indebtedness secured by a purchase money mortgage given to an insured.

(c) Amount of Insurance. The amount of insurance after the acquisition or after the conveyance by an insured lender shall in neither event exceed the least of:

(i) The amount of insurance stated in Schedule A;

(ii) The amount of the principal of the indebtedness secured by the insured mortgage as of Date of Policy, interest thereon, expenses of foreclosure, amounts advanced pursuant to the insured mortgage to assure compliance with laws or to protect the lien of the insured mortgage prior to the time of acquisition of the estate or interest in the land and secured thereby and reasonable amounts expended to prevent deterioration of improvements, but reduced by the amount of all payments made; or

(iii) The amount paid by any governmental agency or governmental instrumentality, if the agency or the instrumentality is the insured claimant, in the acquisition of the estate or interest in satisfaction of its insurance contract or guaranty.

3. NOTICE OF CLAIM TO BE GIVEN BY INSURED CLAIMANT.

An insured shall notify the Company promptly in writing (i) in case of any litigation as set forth in 4(a) below, (ii) in case knowledge shall come to an insured hereunder of any claim of title or interest which is adverse to the title to the estate or interest or the lien of the insured mortgage, as insured, and which might cause loss or damage for which the Company may be liable by virtue of this policy, or (iii) if title to the estate or interest or the lien of the insured mortgage, as insured, is rejected as unmarketable. If prompt notice shall not be given to the Company, then as to that insured all liability of the Company shall terminate with regard to the matter or matters for which prompt notice is required; provided, however, that failure to notify the Company shall in no case prejudice the rights of any insured under this policy unless the Company shall be prejudiced by the failure and then only to the extent of the prejudice.

4. DEFENSE AND PROSECUTION OF ACTIONS; DUTY OF INSURED CLAIMANT TO COOPERATE.

(a) Upon written request by an insured and subject to the options contained in Section 6 of these Conditions and Stipulations, the Company, at its own cost and without unreasonable delay, shall provide for the defense of such insured in litigation in which any third party asserts a claim adverse to the title or interest as insured, but only as to those stated causes of action alleging a defect, lien or encumbrance or other matter insured against by this policy. The Company shall have the right to select counsel of its choice (subject to the right of such insured to object for reasonable cause) to represent the insured as to those stated causes of action and shall not be liable for and will not pay the fees of any other counsel. The Company will not pay any fees, costs or expenses incurred by an insured in the defense of those causes of action which allege matters not insured against by this policy.

(b) The Company shall have the right, at its own cost, to institute and prosecute any action or proceeding or to do any other act which in its opinion may be necessary or desirable to establish the title to the estate or interest or the lien of the insured mortgage, as insured, or to prevent or reduce loss or damage to an insured. The Company may take any appropriate action under the terms of this policy, whether or not it shall be liable hereunder, and shall not thereby concede liability or waive any provision of this policy. If the Company shall exercise its rights under this paragraph, it shall do so diligently.

(c) Whenever the Company shall have brought an action or interposed a defense as required or permitted by the provisions of this policy, the Company may pursue any litigation to final determination by a court of competent jurisdiction and expressly reserves the right, in its sole discretion, to appeal from any adverse judgment or order.

(d) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding, an insured shall secure to the Company the right to so prosecute or provide defense in the action or proceeding, and all appeals therein, and permit the Company to use, at its option, the name of such insured for this purpose. Whenever requested by the Company, an insured, at the Company's expense, shall give the Company all reasonable aid (i) in any action or proceeding, securing evidence, obtaining witnesses, prosecuting or defending the action or proceeding, or effecting settlement, and (ii) in any other lawful act which in the opinion of the Company may be necessary or desirable to establish the title to the estate or interest or the lien of the insured mortgage, as insured. If the Company is prejudiced by the failure of an insured to furnish the required cooperation, the Company's obligations to such insured under the policy shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation, with regard to the matter or matters requiring such cooperation.

5. PROOF OF LOSS OR DAMAGE.

In addition to and after the notices required under Section 3 of these Conditions and Stipulations have been provided the Company, a proof of loss or damage signed and sworn to by each insured claimant shall be furnished to the Company within 90 days after the insured claimant shall ascertain the facts giving rise to the loss or damage. The proof of loss or damage shall describe the defect in, or lien or encumbrance on the title, or other matter insured against by this policy which constitutes the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage. If the Company is prejudiced by the failure of an insured claimant to provide the required proof of loss or damage, the Company's obligations to such insured under the policy shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation, with regard to the matter or matters requiring such proof of loss or damage.

In addition, an insured claimant may reasonably be required to submit to examination under oath by any authorized representative of the Company and shall produce for examination, inspection and copying, at such reasonable times and places as may be designated by any authorized representative of the Company, all records, books, ledgers, checks, correspondence and memoranda, whether bearing a date before or after Date of Policy, which reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the insured claimant shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect and copy all records, books, ledgers, checks, correspondence and memoranda in the custody or control of a third party, which reasonably pertain to the loss or damage. All information designated as confidential by an insured claimant provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of an insured claimant to submit for examination under oath, produce other reasonably requested information or grant permission to secure reasonably necessary information from third parties as required in this paragraph, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this policy as to that insured for that claim.

6. OPTIONS TO PAY OR OTHERWISE SETTLE CLAIMS; TERMINATION OF LIABILITY.

In case of a claim under this policy, the Company shall have the following additional options:

(a) To Pay or Tender Payment of the Amount of Insurance or to Purchase the Indebtedness.

(i) to pay or tender payment of the amount of insurance under this policy together with any costs, attorneys' fees and expenses incurred by the insured claimant, which were authorized by the Company, up to the time of payment or tender of payment and which the Company is obligated to pay; or

(ii) in case loss or damage is claimed under this policy by the owner of the indebtedness secured by the insured mortgage, to purchase the indebtedness secured by the insured mortgage for the amount owing thereon together with any costs, attorneys' fees and expenses incurred by the insured claimant which were authorized by the Company up to the time of purchase and which the Company is obligated to pay.

If the Company offers to purchase the indebtedness as herein provided, the owner of the indebtedness shall transfer, assign, and convey the indebtedness and the insured mortgage, together with any collateral security, to the Company upon payment thereof.

Upon the exercise by the Company of the option provided for in paragraph a (i), all liability and obligations to the insured under this policy, other than to make the payment required in that paragraph, shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation, and the policy shall be surrendered to the Company for cancellation.

Upon the exercise by the Company of the option provided for in paragraph a (ii) the Company's obligation to an insured Lender under this policy for the claimed loss or damage, other than the payment required to be made, shall terminate, including any liability or obligation to defend, prosecute or continue any litigation.

(b) To Pay or Otherwise Settle With Parties Other than the Insured or With the Insured Claimant.

(i) to pay or otherwise settle with other parties for or in the name of an insured claimant any claim insured against under this policy, together with any costs, attorneys' fees and expenses incurred by the insured claimant which were authorized by the Company up to the time of payment and which the Company is obligated to pay; or

(ii) to pay or otherwise settle with the insured claimant the loss or damage provided for under this policy, together with any costs, attorneys' fees and expenses incurred by the insured claimant which were authorized by the Company up to the time of payment and which the Company is obligated to pay.

Upon the exercise by the Company of either of the options provided for in paragraphs b(i) or b(ii), the Company's obligations to the insured under this policy for the claimed loss or damage, other than the payments required to be made, shall terminate, including any liability or obligation to defend, prosecute or continue any litigation.

Conditions and Stipulations Continued Inside Cover

CONDITIONS AND STIPULATIONS - CONTINUED

7. DETERMINATION AND EXTENT OF LIABILITY.

This policy is a contract of indemnity against actual monetary loss or damage sustained or incurred by the insured claimant who has suffered loss or damage by reason of matters insured against by this policy and only to the extent herein described.

(a) The liability of the Company under this policy to an insured lender shall not exceed the least of:

(i) the Amount of Insurance stated in Schedule A, or, if applicable, the amount of insurance as defined in Section 2 (c) of these Conditions and Stipulations;

(ii) the amount of the unpaid principal indebtedness secured by the insured mortgage as limited or provided under Section 8 of these Conditions and Stipulations or as reduced under Section 9 of these Conditions and Stipulations, at the time the loss or damage insured against by this policy occurs, together with interest thereon; or

(iii) the difference between the value of the insured estate or interest as insured and the value of the insured estate or interest subject to the defect, lien or encumbrance insured against by this policy.

(b) In the event the insured lender has acquired the estate or interest in the manner described in Section 2(a) of these Conditions and Stipulations or has conveyed the title, then the liability of the Company shall continue as set forth in Section 7(a) of these Conditions and Stipulations.

(c) The liability of the Company under this policy to an insured owner of the estate or interest in the land described in Schedule A shall not exceed the least of:

(i) the Amount of Insurance stated in Schedule A; or,

(ii) the difference between the value of the insured estate or interest as insured and the value of the insured estate or interest subject to the defect, lien or encumbrance insured against by this policy.

(d) The Company will pay only those costs, attorneys' fees and expenses incurred in accordance with Section 4 of these Conditions and Stipulations.

8. LIMITATION OF LIABILITY.

(a) If the Company establishes the title, or removes the alleged defect, lien or encumbrance, or cures the lack of a right of access to or from the land, or cures the claim of unmarketability of title, or otherwise establishes the lien of the insured mortgage, all as insured, in a reasonably diligent manner by any method, including litigation and the completion of any appeals therefrom, it shall have fully performed its obligations with respect to that matter and shall not be liable for any loss or damage caused thereby.

(b) In the event of any litigation, including litigation by the Company or with the Company's consent, the Company shall have no liability for loss or damage until there has been a final determination by a court of competent jurisdiction, and disposition of all appeals therefrom, adverse to the title, or, if applicable, to the lien of the insured mortgage, as insured.

(c) The Company shall not be liable for loss or damage to any insured for liability voluntarily assumed by the insured in settling any claim or suit without the prior written consent of the Company.

(d) The Company shall not be liable to an insured lender for: (i) any indebtedness created subsequent to Date of Policy except for advances made to protect the lien of the insured mortgage and secured thereby and reasonable amounts expended to prevent deterioration of improvements; or (ii) construction loan advances made subsequent to Date of Policy, except construction loan advances made subsequent to Date of Policy for the purpose of financing in whole or in part the construction of an improvement to the land which at Date of Policy were secured by the insured mortgage and which the insured was and continued to be obligated to advance at and after Date of Policy.

9. REDUCTION OF INSURANCE; REDUCTION OR TERMINATION OF LIABILITY.

(a) All payments under this policy, except payments made for costs, attorneys' fees and expenses, shall reduce the amount of insurance pro tanto. However, as to an insured lender, any payments made prior to the acquisition of title to the estate or interest as provided in Section 2(a) of these Conditions and Stipulations shall not reduce pro tanto the amount of insurance afforded under this policy as to any such insured, except to the extent that the payments reduce the amount of the indebtedness secured by the insured mortgage.

(b) Payment in part by any person of the principal of the indebtedness, or any other obligation secured by the insured mortgage, or any voluntary partial satisfaction or release of the insured mortgage, to the extent of the payment, satisfaction or release, shall reduce the amount of insurance pro tanto. The amount of insurance may thereafter be increased by accruing interest and advances made to protect the lien of the insured mortgage and secured thereby, with interest thereon, provided in no event shall the amount of insurance be greater than the Amount of Insurance stated in Schedule A.

(c) Payment in full by any person or the voluntary satisfaction or release of the insured mortgage shall terminate all liability of the Company to an insured lender except as provided in Section 2(a) of these Conditions and Stipulations.

10. LIABILITY NONCUMULATIVE.

It is expressly understood that the amount of insurance under this policy shall be reduced by any amount the Company may pay under any policy insuring a mortgage to which exception is taken in Schedule B or to which the insured has agreed, assumed, or taken subject, or which is hereafter executed by an insured and which is a charge or lien on the estate or interest described or referred to in Schedule A, and the amount so paid shall be deemed a payment under this policy to the insured owner.

The provisions of this Section shall not apply to an insured lender, unless such insured acquires title to said estate or interest in satisfaction of the indebtedness secured by an insured mortgage.

11. PAYMENT OF LOSS.

(a) No payment shall be made without producing this policy for endorsement of the payment unless the policy has been lost or destroyed, in which case proof of loss or destruction shall be furnished to the satisfaction of the Company.

(b) When liability and the extent of loss or damage has been definitely fixed in accordance with these Conditions and Stipulations, the loss or damage shall be payable within 30 days thereafter.

12. SUBROGATION UPON PAYMENT OR SETTLEMENT.

(a) The Company's Right of Subrogation.

Whenever the Company shall have settled and paid a claim under this policy, right of subrogation shall vest in the Company unaffected by any act of the insured claimant.

The Company shall be subrogated to and be entitled to all rights and remedies which the insured claimant would have had against any person or property in respect of the claim had this policy not been issued. If requested by the Company, the insured claimant shall transfer to the Company all rights and remedies against any person or property necessary in order to perfect this right of subrogation. The insured claimant shall permit the Company to sue, compromise or settle in the name of the insured claimant and to use the name of the insured claimant in any transaction or litigation involving these rights or remedies.

If a payment on account of a claim does not fully cover the loss of the insured claimant, the Company shall be subrogated (i) as to an insured owner, to all rights and remedies in the proportion which the Company's payment bears to the whole amount of the loss; and (ii) as to an insured lender, to all rights and remedies of the insured claimant after the insured claimant shall have recovered its principal, interest, and costs of collection.

If loss should result from any act of the insured claimant, as stated above, that shall not void this policy, but the Company, in that event, shall be required to pay that part of any losses insured against by this policy which shall exceed the amount any, lost to the Company by reason of the impairment by the insured claimant of the Company's right of subrogation.

(b) The Insured's Rights and Limitations.

Notwithstanding the foregoing, the owner of the indebtedness secured by insured mortgage, provided the priority of the lien of the insured mortgage or enforceability is not affected, may release or substitute the personal liability of any debtor or guarantor, or extend or otherwise modify the terms of payment, or release a portion of the estate or interest from the lien of the insured mortgage, or release any collateral security for the indebtedness.

When the permitted acts of the insured claimant occur and the insured claimant has knowledge of any claim of title or interest adverse to the title to the estate or interest in the land, the priority or enforceability of the lien of an insured mortgage, as insured, the Company shall be required to pay only that part of any losses insured against by this policy which shall exceed the amount, if any, lost to the Company by reason of the impairment by the insured claimant of the Company's right of subrogation.

(c) The Company's Rights Against Non-Insured Obligors.

The Company's right of subrogation against non-insured obligors shall exist as to all such obligors, without limitation, the rights of the insured to indemnities, guaranties, or policies of insurance or bonds, notwithstanding any terms or conditions contained in those instruments which provide for subrogation rights by reason of this policy.

The Company's right of subrogation shall not be avoided by acquisition of title to the insured mortgage by an obligor (except an obligor described in Section 1(a)(ii) of these Conditions and Stipulations) who acquires the insured mortgage as a result of a release of the insured mortgage, indemnity, guarantee, other policy of insurance, or bond and the obligor will not be subrogated under this policy, notwithstanding Section 1(a)(i) of these Conditions and Stipulations.

13. ARBITRATION.

Unless prohibited by applicable law, either the Company or the insured may demand arbitration pursuant to the Title Insurance Arbitration Rules of the American Arbitration Association. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the insured arising out of or relating to this policy, any service of the Company in connection with its issuance or the breach of policy provision or other obligation. All arbitrable matters when the Amount of Insurance is \$1,000,000 or less shall be arbitrated at the option of either the Company or the insured. All arbitrable matters when the Amount of Insurance is in excess of \$1,000,000 shall be arbitrated only when agreed to by both the Company and the insured. Arbitration pursuant to this policy and under the Rules in effect on the date the demand for arbitration is made or, at the option of the insured, the Rules in effect at Date of Policy shall be binding upon the parties. The award may include attorneys' fees only if the law of the state in which the land is located permit a court to award attorneys' fees to the prevailing party. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.

The law of the situs of the land shall apply to an arbitration under the Title Insurance Arbitration Rules.

A copy of the Rules may be obtained from the Company upon request.

14. LIABILITY LIMITED TO THIS POLICY; POLICY ENTIRE CONTRACT.

(a) This policy together with all endorsements, if any, attached hereto by the Company is the entire policy and contract between the insured and the Company. In interpreting any provision of this policy, this policy shall be construed as a whole.

(b) Any claim of loss or damage, whether or not based on negligence, and which arises out of the status of the lien of the insured mortgage or of the title to the estate or interest covered hereby or by any action asserting such claim, shall be restricted to this policy.

(c) No amendment of or endorsement to this policy can be made except by a writing endorsed hereon or attached hereto signed by either the President, a Vice President, the Secretary, an Assistant Secretary, or validating officer or authorized signatory of the Company.

15. SEVERABILITY.

In the event any provision of the policy is held invalid or unenforceable under applicable law, the policy shall be deemed not to include that provision and all other provisions shall remain in full force and effect.

16. NOTICES WHERE SENT.

All notices required to be given the Company and any statement in writing required to be furnished the Company shall include the number of this policy and shall be addressed to: Consumer Affairs Department, P.O. Box 27567, Richmond, Virginia 23261-7567.
