CORONA DRAINS - EAST ONTARIO AVE. SD STAGES 1 AND 2

CORONA DRAINS LINE 1G STAGE 2

The Corona Drains East Ontario Avenue Storm Drain project involves the construction of about one mile of underground storm drain and channel reconstruction within the ElCerrito area of Riverside County and the City of Corona. This project should eliminate ongoing street flooding and backyard nuisance flooding affecting homes located north of Ontario Avenue, east of the 15 Freeway between State Street and Rising Sun Road and provide substantial relief for the older neighborhood between Ambassador Avenue and Envoy Avenue. The pipe size varies from 18 inches to 84 inches in diameter.

The Corona Drains Line 1G Stage 2 project involves the construction of the storm drain within the City of Corona. The project consists of constructing approximately 250 feet of reinforced concrete pipe ranging from 72 inches to 48 inches with multiple inlets and connector pipes. The storm drain connects to the existing facility in Olive Street and extends into Main Street where it will capture northbound flood flows.

NOTICE TO CONTRACTORS

Riverside County Flood Control and Water Conservation District hereinafter called "District", invites sealed proposals for construction of:

Corona Drains – East Ontario Avenue Storm Drain, Stages 1 and 2

and Corona Drains Line 1G, Stage 2

Project No. 2-0-00351-01

located in the city of Corona

and Riverside County, California

Specifications and Contract Documents may be examined at the District's office at 1995 Market Street, Riverside, California, and may be obtained upon payment to District of **\$60.00** per set, received at the District's office and **\$65.00** per set if mailed. The Specifications and Contract Documents are also offered on CD-ROM for \$10.00 received at the District's office and \$15.00 if mailed. No refund.

Each proposal must be accompanied by a certified or cashier's check or bid bond equal to ten percent (10%) of the amount bid, payable to the Riverside County Flood Control and Water Conservation District as a guarantee that the Contractor will, if awarded the contract, execute a satisfactory contract and furnish the required bonds and proof of insurance.

Proposals must be in accordance with the instructions and filed with District by **8:00 a.m. on Tuesday, April 19, 2011** at the District office at the above address which time and place are fixed for the public opening of bids.

General prevailing rate per diem wages and general prevailing rate of per diem wages for holiday and overtime work, including employer payments for health and welfare, pension, vacation, apprentices and similar purposes for each craft, classification or type of workman needed for execution of contracts under the jurisdiction of District have been obtained by the Board of Supervisors of the District from the

Director of Industrial Relations of the State of California for the area where the work is to be done. The said determinations are on file in the principal office of the District, and will be made available to any interested person upon request.

Contractors submitting proposals for this project shall have an "A" Contractors license from the State of California in order to be considered eligible for the contract award.
