**BACKGROUND:**

The UASI program provides financial assistance to address the unique multi-disciplinary planning, operations, equipment, training and exercise needs of high-threat, high density urban areas, and to assist the areas in building and sustaining capabilities to prevent, protect against, respond to, and recover from threats or acts of terrorism and weapons of mass destruction.

On March 11, 2011, the County of Riverside was awarded an augmentation to the FY 08 subaward in the amount of \$17,000. Equipment purchases must be completed no later than April 4, 2011.
