**BACKGROUND:**

The aim of the 2011 Inaugural Inland Empire Quality of Life Summit, presented by the Inland Empire Economic Partnership, is to provide a forum to discuss the many unique resources, opportunities and successes. The considerable challenges within the region will be addressed with an emphasis on how leaders can capitalize on the area's strengths to benefit every individual that chooses to live, work or play in the Inland Empire. This event will also serve as an opportunity for professionals to teach each other about their respective industries, so we may learn from each other, form partnerships, and create relationships that continue to propel this region into a new era of prosperity.

I would like to use Fourth District Community Improvement funds to support this event.
