BACKGROUND:

On August 14, 2006, the Board of Directors approved an agreement between the Redevelopment Agency for the County of Riverside and the City of Murrieta for the Historic Downtown Street Improvement Project in the amount of \$1,300,000 to fund improvements to designated streets and increase economic viability for businesses in the installation of a public sound system. The street improvements were completed and payment was made to the city for those improvements. The City of Murrieta has not completed the second phase of the project and the agreement has since expired. The City of Murrieta has requested an extension of the agreement for an additional 36 months from the date of expiration to complete the project.

County Counsel has reviewed and approved the amendment as to form. Staff recommends the approval of the First Amendment to the Agreement.
