As you are aware, on June 30, 2010, the County was awarded a \$500,000 Anti-Human Trafficking grant from the California Emergency Management Agency (CalEMA) to develop multi-disciplinary participation with federal, state and local law enforcement agencies; prosecution and non-governmental organizations for the purpose of identifying trafficked victims.

The grant solicitation from the U.S. Department of Justice (DOJ) requires that submitted applications include signed certifications. In addition, the grant requires a local share commitment of 25% cash or an in-kind match. Any resulting grant award will be brought to the Board for review and decision to accept the funds, contingent on the availability of the local share at that time.

County Counsel has reviewed the documents and approved them as to form.
