BACKGROUND: Supervisor Buster's Student of the Year Program has been honoring students since 2010. The vision of this program is to promote, acknowledge and praise our local elementary and high school students for their efforts to succeed academically. Supervisor Buster recognizes the importance of education and the hard work that these students have put into their academics, school and community. The funding for Lake Mathews Elementary will be used to support youth programs and provide needed assistance for purchasing and updating the school's technology equipment.

I request that the Board of Supervisors approve a contribution of \$1,000 to support the Student of the Year Program-Lake Mathews Elementary School-Technology Fund.
