The Honorable Board of Supervisors

RE: Funding agreement between the Coachella Valley Association of Governments (CVAG) and the County of Riverside to provide preliminary engineering and environmental services for a proposed grade separation of Avenue 66 and the Union Pacific Railroad

March 24, 2011

Page 2 of 2

BACKGROUND: A Union Pacific Railroad (UPRR) at grade crossing currently exists on Avenue 66 in eastern Riverside County just south of the City of Coachella paralleling State Route 86S. A grade separation project has been proposed to provide an elevated structure to bypass the current two-lane, at grade UPRR crossing.

The existing, at grade crossing of the UPRR on Avenue 66 regularly requires that traffic stop for passing trains, including a substantial number of agricultural freight trucks. 71 freight trains currently pass through Riverside County on this line on a daily basis with the number projected to increase to 107 by 2030. A grade separation rail crossing will separate surface street traffic from rail lines so the increasing frequency of freight trains will not delay automobile and truck traffic, and will improve overall safety in the area. The project is also expected to provide air quality benefits due to reduced vehicle idling at the train crossing.

The UPRR and State Highway 86S are both designated NAFTA freight corridors.

The terms of the agreement provide that CVAG will contribute fifty percent of the cost to perform the preliminary engineering and environmental services for the proposed improvements. CVAG's contributions are capped at \$500,000 (50% of \$1,000,000) for this phase of work. The Transportation Department will be responsible for performing the referenced services.

**AGENCY REIMBURSEMENT AGREEMENT
BY AND BETWEEN CVAG AND THE COUNTY OF RIVERSIDE**

for the

**CONTINUING DESIGN PROCESS
FOR THE AVENUE 66 GRADE SEPARATION PROJECT**

THIS AGREEMENT is made and entered into this ___ day of _____, 2010, by and between the County of Riverside (Agency), and the Coachella Valley Association of Governments (CVAG), a California joint powers agency, and is made with reference to the following background facts and circumstances:

The Coachella Valley Area Transportation Study, a valley-wide study prepared under the auspices of CVAG, has identified various transportation and highway projects throughout the Coachella Valley as projects of regional importance. These projects are listed in the 2005 Update of the Transportation Project Prioritization Study document; and,

Approval of a highway financing measure by the voters of Riverside County in November, 1988, (Measure A), as well as the approval of an extension by the voters in November, 2002, has created a source of funds with which to construct such projects; and,

CVAG, by agreement with its member agencies and with the Riverside County Transportation Commission (RCTC), has been designated as the agency through which such funds are to be conveyed and disbursed for the purpose of completing said regional transportation projects; and,

The CVAG Executive Committee, on July 31, 2006, approved the implementation of the amended Transportation Uniform Mitigation Fee (TUMF) Ordinance to increase the collected TUMF, effective January 1, 2007; and,

Under CVAG's policy of funding eligible projects by member jurisdictions, effective January 1, 2007, the responsible jurisdiction(s) will be responsible for paying Twenty-five Percent (25%) of the project costs (the Local Share), as well as any ineligible project costs, and CVAG will be responsible for Seventy-five Percent (75%) of eligible project costs (the Regional Share). Historically, the CVAG Regional Share has been paid as a reimbursement to the jurisdiction, as invoices are submitted and approved. Agency participants acknowledge that all submitted payment requests must be eligible for reimbursement by CVAG as outlined in the CVAG Policies and Procedures Manual for the Regional Arterial Program, most recent edition update; and,

CVAG has determined that as to member jurisdictions that do not participate in the TUMF program, projects will continue to go forward under the existing Reimbursement Policy; and,

Agency desires to proceed with a project known as the Continuing Design Process for the Avenue 66 Grade Separation Project (hereinafter, the "Project"). The

total estimated cost of the Project is \$1.0 Million. CVAG's Regional Share of Project cost is not-to-exceed \$500,000.

NOW, THEREFORE, in consideration of the mutual covenants and subject to the conditions contained herein, the parties do agree as follows:

1. The program embodied in this Agreement for the reimbursement of funds by CVAG shall apply only to those regional arterial projects that have heretofore been identified in the CVAG 2005 updated list of projects. The Project is one of those projects and is therefore eligible.

2. The Project is generally described and referred to as the Continuing Design Process for the Avenue 66 Grade Separation Project.

Any excess property purchased to secure the necessary right-of-way for the Project will be shared between the Agency and the Regional Arterial Program proportionately according to the funding of the purchase by each jurisdiction participating in the project. Excess property will be disposed of in the best interests of the Regional Arterial Program, in order to recapture funds expended. Any recaptured funds will reduce the overall cost of the project.

3. The scope of work for the Project is more particularly described in Exhibit "A," entitled "Scope of Services," attached hereto and made a part hereof. The cost estimate for the Project is more particularly described in Exhibit "B," entitled "Estimate of Cost," attached hereto and made a part hereof. The cost estimate includes a calculation intended to allow Agency to recover an amount representing the time of its employed staff in working on the Project, as well as the amount Agency shall pay to outside contractors in connection with the Project. Subject to the terms herein and all applicable rules regarding allowed costs, the amount of the Jurisdiction One-Quarter and the CVAG Three-Quarters shall be calculated by reference to the cost estimates as shown on Exhibit "B." Exhibit "C," attached hereto and made a part hereof, is the "Project Schedule."

4. It is the agreement between CVAG and Agency that, of the total estimated cost of the Project (\$1.0 Million), CVAG shall pay the not-to-exceed Regional Share amount of \$500,000, and Agency shall pay its remaining Local Share of project costs, as well as one hundred percent (100%) of all costs not eligible for reimbursement by CVAG.

5. Agency agrees to seek reimbursement of only those costs, up to the not-to-exceed limit, which are eligible for reimbursement by CVAG, as outlined in the CVAG Policies and Procedures Manual, most recent edition.

5.1 Agency shall be responsible for initial payment of all covered costs as they are incurred. Following payment of such costs, Agency shall submit invoices to CVAG requesting reimbursement of those eligible costs associated with the Project. Each invoice shall be accompanied by detailed contractor invoices, or other demands for payment addressed to Agency, and documents evidencing Agency's payment of the invoices or demands for payment. Agency shall also submit a Project Completion

Report, in a form acceptable to CVAG, with each statement. Agency shall submit invoices not more often than monthly and not less often than quarterly.

5.2 Agency shall, at the design stage of the Project, identify a project specific ratio, "Project Ratio", for the construction phase of the project that distinguishes between "Capacity Enhancement" items, "Rehabilitation" items or "Other" items.

Agency shall apply that "Project Ratio" to the project construction cost and provide CVAG with supporting documents that will clearly identify "Capacity Enhancement" costs, eligible for payment with TUMF revenues, "Rehabilitation" costs, eligible for payment with Measure "A" revenues, and Other costs that are not eligible for reimbursement by CVAG.

All invoices submitted to CVAG for reimbursement shall include a table identifying "Capacity Enhancement" costs eligible for payment with TUMF, "Rehabilitation" costs eligible for payment with Measure "A", and other costs that are not eligible for reimbursement by CVAG.

5.3 Upon receipt of an invoice from Agency, CVAG may request additional documentation or explanation of the Project costs. Undisputed reimbursement amounts shall be paid by CVAG to Agency within thirty (30) days.

5.4 If a post-payment audit or review indicates that CVAG has provided reimbursement to Agency in an amount in excess of eligible costs, or has provided reimbursement of ineligible Project costs, Agency shall reimburse CVAG for the excess or ineligible payments within thirty (30) days of notification by CVAG.

6. Prior to any final payment to Agency by CVAG, a final report shall be submitted to CVAG by Agency containing a record of all payments made for said Project and the source of funds of all such payments, together with a record of all change orders, cost over-runs, and other expenses incurred. Final payment will thereafter be paid by CVAG in accordance with its rules, regulations and policies concerning project cost determination and expense eligibility.

7. The format used for all bids solicited by Agency for the Project shall require itemization sufficient to allow quantities of each bid item to be easily discernible. It shall be the responsibility of Agency to determine what quantity is for Capacity Enhancement and/or Rehabilitation, and to provide CVAG staff with that information.

8. The parties agree that should unforeseen circumstances arise which result in new work not covered in Exhibit "A," an increase of any costs over those shown in Exhibit "B," or other changes in the Scope of Work are proposed, CVAG will in good faith consider an amendment to this Agreement to provide for further appropriate reimbursement if the proposed amendment is in accordance with the policies, procedures, and cost determination/expense eligibility criteria adopted by CVAG.

9. Agency shall maintain an accounting of all funds received from CVAG pursuant to this Agreement in accordance with generally accepted accounting principles. Agency agrees to keep all Project contracts and records for a period of not less than three years from the date a notice of completion is filed by the Agency on such Project;

or, if the Project is not one as to which a notice of completion would normally be recorded, for three years from the date of completion. Agency shall permit CVAG, at any reasonable time, upon reasonable notice, to inspect any records maintained in connection with the Project. CVAG shall have no duty to make any such inspection and shall not incur any liability or obligation by reason of making or not making any such inspection.

10. The occurrence of any one or more of the following events shall, at CVAG's option, constitute an event of default and Agency shall provide CVAG with immediate notice thereof.

10.1 Any warranty, representation, statement, report or certificate made or delivered to CVAG by Agency or any of Agency's officers, employees or agents now or hereafter which is incorrect, false, untrue or misleading in any material respect;

10.2 Agency shall fail to pay, perform or comply with, or otherwise shall breach, any obligation, warranty, term or condition in this Agreement or any amendment to this Agreement, or any agreement delivered in connection with the Project; or,

10.3 There shall occur any of the following: dissolution, termination of existence or insolvency of Agency; the commencement of any proceeding under any bankruptcy or insolvency law by or against Agency; entry of a court order which enjoins, restrains or in any way prevents Agency from paying sums owed to creditors.

11. No waiver of any Event of Default or breach by one party hereunder shall be implied from any omission by the other party to take action on account of such default, and no express waiver shall affect any default other than the default specified in the waiver and the waiver shall be operative only for the time and to the extent therein stated. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition. The consent or approval by one party to or of any act by the other party shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent or similar act.

12. This Agreement is made and entered into for the sole protection and benefit of CVAG and Agency and no third person shall have any right of action under this Agreement.

13. It is the intent of the Agency and CVAG that the Project be represented as being funded by Measure "A"/TUMF funds. All public notices, news releases, and documents shall indicate that the Project is being cooperatively developed by the Agency, RCTC, and CVAG using Measure "A"/TUMF funds.

14. This Agreement is for funding purposes only and nothing herein shall be construed so as to constitute CVAG as a party to the construction or in ownership or a partner or joint venturer with Agency as to the Project. The Agency shall assume the defense of, indemnify and hold harmless CVAG, its member agencies, and their

respective officers, directors, agents, employees, servants, attorneys, and volunteers, and each and every one of them, from and against all actions, damages, claims, losses and expenses of every type and description to which they may be subjected or put by reason of or resulting from the actions or inactions of the Agency related to the Project or taken in the performance of this Agreement or any agreement entered into by Agency with reference to the Project. CVAG shall assume the defense of, indemnify and hold harmless the Agency, its officers, directors, agents, employees, servants, attorneys, and volunteers, and each of them, from and against all actions, damages, claims, losses, and expenses of every type and description to which they may be subjected or put by reason of or resulting from the actions of CVAG taken in the performance of this Agreement.

15. Agency agrees to include in its contract specifications and bid documents a requirement that all prime contractors shall name CVAG and its member agencies as "also insured" on all liability insurance coverage required by Agency on each contract. Agency will provide a copy of the Insurance Certificate to CVAG, depicting CVAG and its member agencies as "also insureds," within 30 days of signing a contract with the prime contractor.

16. Any dispute concerning a question of fact arising under this Agreement that is not disposed of by voluntary negotiations between the parties shall first be decided by the CVAG Executive Director or designee, who may consider any written or verbal evidence submitted by Agency. This decision shall be issued in writing. However, no action in accordance with this Section shall in any way limit either party's rights and remedies through actions in a court of law with appropriate jurisdiction. Neither the pendency of dispute nor its consideration by CVAG will excuse Agency from full and timely performance in accordance with the terms of this Agreement.

17. Any agency receiving federal funds must have an approved Disadvantaged Business Enterprise program. All recipients of Federal Highway Administration (FHWA) funds must carry out the provisions of Part 26, Title 49 of the Code of Federal Regulations (CFR) which established the Federal Department of Transportation's policy supporting the fullest possible participation of firms owned and controlled by minorities and women in the Department of Transportation programs. Except to the extent that such or other contrary federal regulations may apply, Agency covenants that, by and for itself and all persons claiming under or through it, there shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the performance of this Agreement.

18. Agency warrants that all aspects of the Project shall be undertaken in compliance with all applicable local, state and federal rules, regulations and laws. Agency will execute and deliver to CVAG such further documents and do other acts and things as CVAG may reasonably request in order to comply fully with all applicable requirements and to effect fully the purposes of this Agreement.

19. This Agreement may not be assigned without the express written consent of CVAG first being obtained.

20. Agency, its successors in interest and assigns shall be bound by all the provisions contained in this Agreement.

21. No officer or employee of CVAG shall be personally liable to Agency, or any successor in interest, in the event of any default or breach by CVAG or for any amount with may become due to Agency or to its successor, or for breach of any obligation of the terms of this Agreement.

22. Notwithstanding any other provision herein, CVAG shall not be liable for payment or reimbursement of any sums for which CVAG has not first obtained the necessary and appropriate funding from TUMF and/or Measure "A" monies.

23. No officer or employee of CVAG shall have any personal interest, direct or indirect, in this Agreement; nor shall any such officer or employee participate in any decision relating to this Agreement which effects his or her personal interest or the interest of any corporation, partnership or association in which she or he is, directly or indirectly, interested, in violation of any state, federal or local law.

24. Agency warrants that the funds received by CVAG pursuant to this Agreement shall only be used in a manner consistent with CVAG's reimbursement policy and all applicable regulations and laws. Any provision required to be included in this type of agreement by federal or state law shall be deemed to be incorporated into this Agreement.

25. All notices or other communications required or permitted hereunder shall be in writing and shall be either personally delivered (which shall include delivery by means of professional overnight courier service which confirms receipt in writing, such as Federal Express or UPS); sent by telecopier or facsimile machine capable of confirming transmission and receipt; or sent by certified or registered mail, return receipt requested, postage prepaid to the following parties at the following addresses or numbers:
