

**SUBMITTAL TO THE FLOOD CONTROL AND WATER CONSERVATION DISTRICT BOARD
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

602B

FROM: General Manager-Chief Engineer

SUBMITTAL DATE:
May 17, 2011

SUBJECT: Cooperative Agreement
Arlington Basin Hydro-Geologic Investigation Study

RECOMMENDED MOTION:

1. Approve the Agreement between the District and Western Municipal Water District;
2. Authorize the Chairman to execute the Agreement documents on behalf of the District; and
3. Authorize the District's General Manager-Chief Engineer to extend the Agreement for an additional one-year term.

BACKGROUND:

Under the Agreement, Western Municipal Water District (Western) will assume the lead role in administering a contract with a consultant for completion of the Study. The District and Western will each contribute 50% toward the cost of completing the Study, with the total District contribution not to exceed \$225,000. County Counsel has approved the Agreement as to legal form, and Western has executed the Agreement.

1 COOPERATIVE AGREEMENT

2 Arlington Basin Hydro-Geologic Investigation Study

3 The RIVERSIDE COUNTY FLOOD CONTROL AND WATER
4 CONSERVATION DISTRICT (DISTRICT) and the WESTERN MUNICIPAL WATER
5 DISTRICT (WESTERN), hereby agree as follows:

6 RECITALS

7 A. The 1983 Project Agreement No. 9 and the July 6, 1988 Joint Participation
8 Agreement between the ORANGE COUNTY WATER DISTRICT, the SANTA ANA
9 WATERSHED PROJECT AUTHORITY, and WESTERN called for the Development and
10 Utilization of Desalted Water from the Arlington Desalter. In 2005, the Arlington Desalter was
11 transferred to WESTERN pursuant to that certain Facilities Acquisition Agreement; and

12 B. WESTERN is contemplating various alternatives to expand the Arlington
13 Desalter from 6.3 million gallons per day ("mgd") to 8.6 mgd, or possibly up to 10 mgd. As
14 part of that analysis, WESTERN has investigated the feasibility of producing additional
15 groundwater and it has been concluded that increasing the production rates of Arlington
16 Desalter wells beyond current production is not feasible without artificial recharge. As a result,
17 three (3) potential recharge sites have been identified in the Riverside-Arlington Basin, as
18 shown in Attachment "A", attached hereto and made a part hereof, which may be suitable for the
19 purpose of artificial recharge whereby the source of the recharge water would be stormwater,
20 dry-weather, or recycled water; and

21 C. WESTERN desires to have a hydro-geologic investigation and report
22 conducted for the three (3) proposed recharge sites ("REPORT"). The objectives of the
23 REPORT would be to evaluate the subsurface conditions of the proposed sites for artificial
24 recharge for the Arlington Basin and to determine if the sites or surrounding areas have been
25 exposed to contamination that would impact the ability to recharge water; and

1 PROGRESS PAYMENT, DISTRICT shall either provide notice to WESTERN concerning a
2 PROGRESS PAYMENT'S deficiencies or authorize payment to WESTERN for DISTRICT'S
3 share of the itemized cost set forth in WESTERN'S cover letter. When a PROGRESS
4 PAYMENT is found to be generally satisfactory, DISTRICT shall make payment to WESTERN
5 within thirty (30) days of DISTRICT'S receipt thereof. In the event that DISTRICT finds a
6 PROGRESS PAYMENT to be unsatisfactory, DISTRICT shall withhold payment pending
7 resubmission of the PROGRESS PAYMENT and/or satisfactory resolution of DISTRICT'S
8 comments.

9 Upon DISTRICT'S final approval of a PROGRESS PAYMENT, DISTRICT
10 shall make payment to WESTERN of DISTRICT'S share of the itemized cost as set forth in
11 WESTERN'S cover letter. Said payment shall be made within thirty (30) days of DISTRICT'S
12 final approval and such final approval shall not be unreasonably withheld.

13 It is anticipated that CONSULTANT'S work on the REPORT will be completed
14 on or before August 31, 2011 ("COMPLETION DATE"). In the event WESTERN determines
15 that the REPORT will not be completed on or before the COMPLETION DATE, WESTERN
16 will provide DISTRICT with information as to the new COMPLETION DATE, and any other
17 information in regard thereto, in the applicable cover letter and PROGRESS PAYMENT.

18 3. This Agreement shall be effective upon the date of full execution of this
19 Agreement by both WESTERN and DISTRICT ("EFFECTIVE DATE").

20 4. The term of this Agreement shall be for one year from the EFFECTIVE
21 DATE. By mutual written consent of DISTRICT and WESTERN, this Agreement may be
22 amended for an additional one-year to allow for completion of the performance of services
23 under the CONSULTANT AGREEMENT and completion of the payment obligations as set
24 forth herein. This Agreement shall remain in effect during the term unless earlier terminated
25 under the following procedures:

26 (a) If either party to this Agreement believes that the other party has
27 failed to perform any obligation of that party in accordance with the terms of this Agreement,

1 hereinafter called "DEFAULT", the party alleging the Default shall provide written notice,
2 hereinafter called "DEFAULT NOTICE", to the other party, setting forth the nature of the
3 alleged DEFAULT. Unless otherwise provided by a specific term of this Agreement, the party
4 claimed to be in DEFAULT shall have: (i) with respect to a DEFAULT involving the payment
5 of money, ten (10) working days after its receipt of the DEFAULT NOTICE to completely cure
6 such DEFAULT, and (ii) with respect to any other type of DEFAULT, thirty (30) days from its
7 receipt of the DEFAULT NOTICE to completely cure such DEFAULT or, if such DEFAULT
8 cannot reasonably be cured within such thirty (30) day period, to commence the cure of such
9 DEFAULT within the thirty (30) day period and diligently prosecute the cure to completion
10 thereafter. If the party claimed to be in DEFAULT does not cure such DEFAULT with the time
11 periods and procedures as set forth herein, the party alleging the DEFAULT may then terminate
12 this Agreement.

13 5. If either party brings suit to enforce or to recover for breach of any term,
14 covenant or condition contained herein, the prevailing party shall be entitled to attorney fees in
15 addition to the amount of any judgment, recovery and costs.

16 6. DISTRICT and WESTERN shall each be responsible for their respective
17 staff costs and expenses including the cost of any additional consultants retained by either
18 agency to assist with the administration of their respective responsibilities or with their review
19 of CONSULTANT's work pursuant to the CONSULTANT AGREEMENT.

20 7. The General Manager-Chief Engineer of DISTRICT or his designee, is
21 authorized to act on behalf of DISTRICT, and approve and make payments to WESTERN for
22 DISTRICT's share of the costs of the REPORT and to otherwise make payments and perform
23 DISTRICT's obligations under this Agreement.

24 8. The General Manager of WESTERN or his designee is authorized to act on
25 behalf of WESTERN and authorize payment to CONSULTANT for its services.

26 9. WESTERN shall indemnify, defend, save and hold harmless DISTRICT
27 and County of Riverside and their respective officers, agents, servants, employees and
28

1 independent contractors free and harmless from any and all claims, demands, debts, suits,
2 actions and causes of action of whatsoever kind, nature or sort, including, but not by way of
3 limitation, wrongful death, the expenses of the defense of said parties and the payment of
4 attorneys' fees in any such action, arising out of or in any manner connected with any act or
5 omission of WESTERN, its officers, agents, servants and employees, done or performed
6 pursuant to this Agreement.

7 10. DISTRICT shall indemnify, defend, save and hold harmless WESTERN
8 and its respective officers, agents, servants, employees and independent contractors free and
9 harmless from any and all claims, demands, debts, suits, actions and causes of action of
10 whatsoever kind, nature or sort, including, but not by way of limitation, wrongful death, the
11 expenses of the defense of said parties and the payment of attorneys' fees in any such action,
12 arising out of or in any manner connected with any act or omission of DISTRICT, its officers,
13 agents, servants and employees, done or performed pursuant to this Agreement.

14 11. All notices and statements required to be sent to the parties of this
15 Agreement will be mailed by first class mail, postage prepaid to the following addresses:

20	Riverside, CA 92501	Riverside, CA 92518

21 12. Any waiver by DISTRICT or by WESTERN of any breach of any one or
22 more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or
23 other breach of the same or of any other term hereof. Failure on the part of DISTRICT or
24 WESTERN to require exact, full and complete compliance with any terms of this Agreement
25 shall not be construed as in any manner changing the terms hereof, or estopping DISTRICT or
26 WESTERN from enforcement hereof.

27 13. This Agreement is to be construed in accordance with the laws of the State
28 of California. If any provision of this Agreement is held by a court of competent jurisdiction to

1 be invalid, void or unenforceable, the remaining provisions shall be declared severable and shall
2 be given full force and effect to the extent possible.

3 14. Any product and/or reports prepared under this Agreement shall be the joint
4 property of DISTRICT and WESTERN, and may be used by each for its joint or individual
5 purpose.

6 15. This Agreement is intended by the parties hereto as a final expression of
7 their understanding with respect to the subject matter hereof and as a complete and exclusive
8 statement of the terms and conditions thereof and supersedes any and all prior and
9 contemporaneous agreements and understandings, oral or written, in connection therewith. This
10 Agreement may be modified only upon the mutual written agreement of the parties hereto.

11 16. Any action at law or in equity brought by any of the parties hereto for the
12 purpose of enforcing a right or rights provided for by the Agreement, shall be tried in a court of
13 competent jurisdiction in the County of Riverside, State of California, and the parties hereto
14 waive all provisions of law providing for a change of venue in such proceedings to any other
15 county. Prior to the filing of any legal action, the parties shall be obligated to attend a mediation
16 session with a neutral mediator to try to resolve the dispute.

17 17. This Agreement is the result of negotiations between the parties hereto, and
18 the advice and assistance of their respective counsel. The fact that this Agreement was prepared
19 as a matter of convenience by DISTRICT shall have no import or significance. Any uncertainty
20 or ambiguity in this Agreement shall not be construed against DISTRICT because DISTRICT
21 prepared this Agreement in its final form.

22 18. This Agreement may be executed and delivered in any number of
23 counterparts or copies, hereinafter called "COUNTERPART", by the parties hereto. When each
24 party has signed and delivered at least one COUNTERPART to the other parties hereto, each
25 COUNTERPART shall be deemed an original and, taken together, shall constitute one and the
26 same Agreement, which shall be binding and effective as to the parties hereto.
