BACKGROUND:

On November 16, 2010, DPSS submitted an application for Homeless Assistance funds to the U.S. Department of Housing and Urban Development (HUD). On January 1, 2011, HUD announced twenty (20) renewal grants for Riverside County's homeless projects which included the renewal of the following Supportive Housing Programs:

Operation SafeHouse (OSH), a nonprofit organization, provides transitional housing to twenty Riverside County youths (ages 18-21). The facility is located in the city of Riverside and is known as Main Street Transitional Housing. The previous contract with OSH expired on February 28, 2011. The renewal Grant is from March 1, 2011 through February 28, 2012, in the amount of \$135,756. Services offered include case management, life skills, employment, transportation, education and health care assistance. During the most recent reporting period ending February 28, 2010, OSH reports that thirty-three (33) youth entered the program and thirty-seven (37) transitioned away from the program. Of those that transitioned away, forty-six percent (46%; or 17 of 37) left with employment income and ninety-two percent (92%; or 34 of 37) entered into permanent housing. There is no change to the population served, service site or mode of service delivery.

Jewish Family Service of San Diego dba Desert SOS (JFSSD) is a nonprofit organization located in the Coachella Valley that operates Desert Vista Permanent Supportive Housing program. Desert Vista serves forty (40) homeless individuals living with chronic substance abuse, severe mental illness, veterans, and/or HIV/AIDS with Permanent Supportive Housing. The contract with ECS expired on February 28, 2011. The renewal Grant with JFSSD is from March 1, 2011 through February 28, 2012 in the amount of \$646,847. During the most recent reporting period ending February 28, 2010, ECS assisted fifty-four (54) persons. Services offered include housing, case management, life skills, and education and transportation assistance. Seventy two percent (72%; or 39 of 54) of participants remained in the program for 6 months or more. Seventy-six percent (76%; or 16 of 21) left the program for other permanent housing. There is no change to the population served, service site or mode of service delivery.

Path of Life Ministries (POLM), a nonprofit organization, provides transitional housing for forty-six (46) families with children and four (4) individuals. The facility is located on the March Air Reserve Base and is known as King Hall Transitional Housing. The current year contract with POLM expired on March 31, 2011. The renewal Grant is from April 1, 2011 through March 31, 2012 in the amount of \$325,277. Services offered include housing, case management, life skills, transportation, child care and employment assistance. During the most recent reporting period ending March 31, 2010, POLM reports that forty-one (41) families and seven (7) individuals entered the program. Forty-one (41) families and seven (7) individuals transitioned away from the program. BACKGROUND (continued):

The Riverside County Department of Mental Health's Riverside SafeHaven known as *The Place* is a twenty-five (25) unit permanent supportive housing program with a 24-hour drop in center, serving the most-visible and hardest-to-reach homeless persons with severe mental illness, who have been unable or unwilling to participate in supportive services. Intensive case management, life skills training and mental health treatment is available to all residents. Due to the HUD changes, the program is now designated as a Permanent Housing Program, yet will retain the SafeHaven model of low-demand services within a permanent housing framework. During the most recent reporting period ending June 30, 2010 *The Place* assisted a total of 47 individuals. Ninety-two percent of individuals who exited had obtained income, eighty-eight percent of persons who left exited to permanent housing.

The United States Veterans Initiatives is a nonprofit organization located at March Air Reserve Base in Moreno Valley. The Veteran's In Progress program offers Transitional Housing and Supportive Services to homeless Veterans. According to the last Annual Progress Report submitted for the period of October 1, 2009 through September 1, 2010, one-hundred and fifty-nine (159) homeless veterans were assisted. Sixty percent (60%) of participants who exited the program had income or mainstream benefits. Eighty-one percent (81%) of participants exiting the program went into permanent housing.

Lutheran Social Services of Southern California, a nonprofit organization located in Riverside, operates Amelia's Light Transitional Living Program. According to the latest Annual Progress Report for the period November 1, 2009 through October 31, 2010, the program assisted thirty-six (36) families which included eighty-three (83) children. One-hundred percent (100%) of participants who exited the program had income or mainstream benefits. Eighty-two percent (82%) of those who exited went into permanent housing.

Shelter from the Storm (SFTS), a nonprofit organization, operates the Florence Rigdon House transitional housing project—an 18 unit, 36 bedroom program located in the desert area. Participants and their children may stay up to twenty-four (24) months. One hundred percent of residents in this program are homeless and victims of domestic violence. It is anticipated that all eligible clients will come from emergency shelters. This Agreement provides funding for supportive services, operations, and administrative costs. According to the latest Annual Progress Report submitted by Shelter from the Storm, for the time period August 1, 2009 to July 31, 2010, nine (9) families entered the program and seven (7) families exited the program. Ninety-five percent (97%) of families moved into permanent housing upon exit. Ninety-five percent (95%) also left having obtained income or mainstream benefits.

The Homeless Management Information System (HMIS) is web-based software required by HUD that allows the County to more effectively assess homeless needs, allocate resources, and coordinate services through its enhanced tracking and reporting capabilities. HMIS implementation presents the Riverside County Continuum of Care (CoC) with an opportunity to re-examine how homeless services are provided in the community, and to make informed decisions, and develop appropriate action steps. The implementation of the County's HMIS allows community stakeholders to build new alliances, to strengthen services, meet consumer needs in a more streamlined manner, and obtain information to guide future planning. As we approach the end of FY 2010-11, there were seventy-seven (77) licensed users representing twenty-four (24) agencies, county departments and faith-based organizations, and fifty-nine (59) programs.

In accordance with Board Resolution No. 2010-045, approved by the Board on May 25, 2010 (Item 3.38), the authority to accept McKinney-Vento Homeless Assistance Act funding was delegated to the Director of DPSS.

With the full execution of the attached Grant Agreements by HUD, the Grant Agreements are being submitted to the Board to receive and file as the official copies of record.

2010 SUPPORTIVE HOUSING PROGRAM RENEWAL GRANT AGREEMENT

This Grant Agreement is made by and between the United States Department of Housing and Urban Development (HUD) and the Recipient, which is described in section 1 of Attachment A, attached hereto and made a part hereof.

The assistance which is the subject of this Grant Agreement is authorized by the McKinney-Vento Homeless Assistance Act 42 U.S.C. 11381 (hereafter "the Act"). The term "grant" or "grant funds" means the assistance provided under this Agreement. This grant agreement will be governed by the Act, the Supportive Housing rule codified at 24 CFR 583, which is attached hereto and made a part hereof as Attachment B, and the Notice of Funding Availability (NOFA), that was published in two parts. The first part was the Policy Requirements and General Section of the NOFA, which was published June 11, 2010, at 75 FR 33323, and the second part was the Continuum of Care Homeless Assistance Programs section of the NOFA, which is located at <http://www.hud.gov/offices/adm/grants/nofa10/grpcoc.cfm>. The term "Application" means the application submission on the basis of which HUD, including the certifications and assurances and any information or documentation required to meet any grant award conditions, on the basis of which HUD approved a grant. The Application is incorporated herein as part of this Agreement, however, in the event of a conflict between any part of the Application and any part of the Grant Agreement, the latter shall control. The Secretary agrees, subject to the terms of the Grant Agreement, to provide the grant funds in the amount specified at section 2 of Attachment A for the approved project described in the application. The Recipient agrees, subject to the terms of the Grant Agreement, to use the grant funds for eligible activities during the term specified at section 3 of Attachment A.

The Recipient must provide a 25 percent cash match for supportive services.

The Recipient agrees to comply with all requirements of this Grant Agreement and to accept responsibility for such compliance by any entities to which it makes grant funds available.

The Recipient agrees to participate in a local Homeless Management Information System (HMIS) when implemented.

The Recipient and project sponsor, if any, will not knowingly allow illegal activities in any unit assisted with grant funds.

The Recipient agrees to draw grant funds at least quarterly.

For any project funded by this grant, which is also financed through the use of the Low Income Housing Tax Credit, the following applies:

HUD recognizes that the Recipient or the project sponsor will or has financed this project through the use of the Low-Income Housing Tax Credit. The Recipient or project sponsor shall be the general partner of a limited partnership formed for that purpose. If grant funds were used for acquisition, rehabilitation or construction, then, throughout a period of twenty years from the date of initial occupancy or the initial service provision, the Recipient or project sponsor shall continue as general partner and shall ensure that the project is operated in accordance with the requirements of this Grant Agreement, the applicable regulations and statutes. Further, the said limited partnership shall own the project site throughout that twenty-year period. If grant funds were not used for acquisition, rehabilitation or new construction, then the period shall not be twenty years, but shall be for the term of the grant agreement and any renewal thereof. Failure to comply with the terms of this paragraph shall constitute a default under the Grant Agreement.

A default shall consist of any use of grant funds for a purpose other than as authorized by this Grant Agreement, failure in the Recipient's duty to provide the supportive housing for the minimum term in accordance with the requirements of the Attachment A provisions, noncompliance with the Act or Attachment B provisions, any other material breach of the Grant Agreement, or misrepresentations in the application submissions which, if known by HUD, would have resulted in this grant not being provided. Upon due notice to the Recipient of the occurrence of any such default and the provision of a reasonable opportunity to respond, HUD may take one or more of the following actions:

- (a) direct the Recipient to submit progress schedules for completing approved activities; or
- (b) issue a letter of warning advising the Recipient of the default, establishing a date by which corrective actions must be completed and putting the Recipient on notice that more serious actions will be taken if the default is not corrected or is repeated; or
- (c) direct the Recipient to establish and maintain a management plan that assigns responsibilities for carrying out remedial actions; or
- (d) direct the Recipient to suspend, discontinue or not incur costs for the affected activity; or

- (e) reduce or recapture the grant; or
- (f) direct the Recipient to reimburse the program accounts for costs inappropriately charged to the program; or
- (g) continue the grant with a substitute Recipient of HUD's choosing; or
- (h) other appropriate action including, but not limited to, any remedial action legally available, such as affirmative litigation seeking declaratory judgment, specific performance, damages, temporary or permanent injunctions and any other available remedies.

No delay or omission by HUD in exercising any right or remedy available to it under this Grant Agreement shall impair any such right or remedy or constitute a waiver or acquiescence in any Recipient default.

The Grantee shall comply with requirements established by the Office of Management and Budget (OMB) concerning the Dun and Bradstreet Data Universal Numbering System (DUNS), the Central Contractor Registration (CCR) database, and the Federal Funding Accountability and Transparency Act, including Appendix A to Part 25 of the *Financial Assistance Use of Universal Identifier and Central Contractor Registration*, 75 Fed. Reg. 55671 (Sept. 14, 2010)(to be codified at 2 CFR part 25) and Appendix A to Part 170 of the *Requirements for Federal Funding Accountability and Transparency Act Implementation*, 75 Fed. Reg. 55663 (Sept. 14, 2010) (to be codified at 2 CFR part 170).

This Grant Agreement constitutes the entire agreement between the parties hereto, and may be amended only in writing executed by HUD and the Recipient. More specifically, the Recipient shall not change recipients, location, services, or population to be served nor shift more than 10 percent of funds from one approved type of eligible activity to another without the prior written approval of HUD. The effective date of this Grant Agreement shall be the date of execution by HUD, except with prior written approval by HUD.

The Recipient and project sponsor, if any, will not knowingly allow illegal activities in any unit assisted with grant funds.

The Recipient agrees to draw grant funds at least quarterly.

For any project funded by this grant, which is also financed through the use of the Low Income Housing Tax Credit, the following applies:

HUD recognizes that the Recipient or the project sponsor will or has financed this project through the use of the Low-Income Housing Tax Credit. The Recipient or project sponsor shall be the general partner of a limited partnership formed for that purpose. If grant funds were used for acquisition, rehabilitation or construction, then, throughout a period of twenty years from the date of initial occupancy or the initial service provision, the Recipient or project sponsor shall continue as general partner and shall ensure that the project is operated in accordance with the requirements of this Grant Agreement, the applicable regulations and statutes. Further, the said limited partnership shall own the project site throughout that twenty-year period. If grant funds were not used for acquisition, rehabilitation or new construction, then the period shall not be twenty years, but shall be for the term of the grant agreement and any renewal thereof. Failure to comply with the terms of this paragraph shall constitute a default under the Grant Agreement.

A default shall consist of any use of grant funds for a purpose other than as authorized by this Grant Agreement, failure in the Recipient's duty to provide the supportive housing for the minimum term in accordance with the requirements of the Attachment A provisions, noncompliance with the Act or Attachment B provisions, any other material breach of the Grant Agreement, or misrepresentations in the application submissions which, if known by HUD, would have resulted in this grant not being provided. Upon due notice to the Recipient of the occurrence of any such default and the provision of a reasonable opportunity to respond, HUD may take one or more of the following actions:

- (a) direct the Recipient to submit progress schedules for completing approved activities; or
- (b) issue a letter of warning advising the Recipient of the default, establishing a date by which corrective actions must be completed and putting the Recipient on notice that more serious actions will be taken if the default is not corrected or is repeated; or
- (c) direct the Recipient to establish and maintain a management plan that assigns responsibilities for carrying out remedial actions; or
- (d) direct the Recipient to suspend, discontinue or not incur costs for the affected activity; or

- (e) reduce or recapture the grant; or
- (f) direct the Recipient to reimburse the program accounts for costs inappropriately charged to the program; or
- (g) continue the grant with a substitute Recipient of HUD's choosing; or
- (h) other appropriate action including, but not limited to, any remedial action legally available, such as affirmative litigation seeking declaratory judgment, specific performance, damages, temporary or permanent injunctions and any other available remedies.

No delay or omission by HUD in exercising any right or remedy available to it under this Grant Agreement shall impair any such right or remedy or constitute a waiver or acquiescence in any Recipient default.

The Grantee shall comply with requirements established by the Office of Management and Budget (OMB) concerning the Dun and Bradstreet Data Universal Numbering System (DUNS), the Central Contractor Registration (CCR) database, and the Federal Funding Accountability and Transparency Act, including Appendix A to Part 25 of the *Financial Assistance Use of Universal Identifier and Central Contractor Registration*, 75 Fed. Reg. 55671 (Sept. 14, 2010) (to be codified at 2 CFR part 25) and Appendix A to Part 170 of the *Requirements for Federal Funding Accountability and Transparency Act Implementation*, 75 Fed. Reg. 55663 (Sept. 14, 2010) (to be codified at 2 CFR part 170).

This Grant Agreement constitutes the entire agreement between the parties hereto, and may be amended only in writing executed by HUD and the Recipient. More specifically, the Recipient shall not change recipients, location, services, or population to be served nor shift more than 10 percent of funds from one approved type of eligible activity to another without the prior written approval of HUD. The effective date of this Grant Agreement shall be the date of execution by HUD, except with prior written approval by HUD.

The assistance which is the subject of this Grant Agreement is authorized by the McKinney-Vento Homeless Assistance Act 42 U.S.C. 11381 (hereafter "the Act"). The term "grant" or "grant funds" means the assistance provided under this Agreement. This grant agreement will be governed by the Act, the Supportive Housing rule codified at 24 CFR 583, which is attached hereto and made a part hereof as Attachment B, and the Notice of Funding Availability (NOFA), that was published in two parts. The first part was the Policy Requirements and General Section of the NOFA, which was published June 11, 2010, at 75 FR 33323, and the second part was the Continuum of Care Homeless Assistance Programs section of the NOFA, which is located at <http://www.hud.gov/offices/adm/grants/nofa10/grpcoc.cfm>. The term "Application" means the application submission on the basis of which HUD, including the certifications and assurances and any information or documentation required to meet any grant award conditions, on the basis of which HUD approved a grant. The term "grant" or "grant funds" means the assistance provided under this Agreement. This grant agreement will be governed by the Act, the Supportive Housing rule codified at 24 CFR 583, which is attached hereto and made a part hereof as Attachment B, and the Notice of Funding Availability (NOFA), that was published in two parts. The first part was the Policy Requirements and General Section of the NOFA, which was published June 11, 2010, at 75 FR 33323, and the second part was the Continuum of Care Homeless Assistance Programs section of the NOFA, which is located at <http://www.hud.gov/offices/adm/grants/nofa10/grpcoc.cfm>. The term "Application" means the application submission on the basis of which HUD, including the certifications and assurances and any information or documentation required to meet any grant award conditions, on the basis of which HUD approved a grant. The Application is incorporated herein as part of this Agreement, however, in the event of a conflict between any part of the Application and any part of the Grant Agreement, the latter shall control. The Secretary agrees, subject to the terms of the Grant Agreement, to provide the grant funds in the amount specified at section 2 of Attachment A for the approved project described in the application. The Recipient agrees, subject to the terms of the Grant Agreement, to use the grant funds for eligible activities during the term specified at section 3 of Attachment A.

The Recipient must provide a 25 percent cash match for supportive services.

The Recipient agrees to comply with all requirements of this Grant Agreement and to accept responsibility for such compliance by any entities to which it makes grant funds available.

The Recipient agrees to participate in a local Homeless Management Information System (HMIS) when implemented.

The Recipient and project sponsor, if any, will not knowingly allow illegal activities in any unit assisted with grant funds.

The Recipient agrees to draw grant funds at least quarterly.

For any project funded by this grant, which is also financed through the use of the Low Income Housing Tax Credit, the following applies:

HUD recognizes that the Recipient or the project sponsor will or has financed this project through the use of the Low-Income Housing Tax Credit. The Recipient or project sponsor shall be the general partner of a limited partnership formed for that purpose. If grant funds were used for acquisition, rehabilitation or construction, then, throughout a period of twenty years from the date of initial occupancy or the initial service provision, the Recipient or project sponsor shall continue as general partner and shall ensure that the project is operated in accordance with the requirements of this Grant Agreement, the applicable regulations and statutes. Further, the said limited partnership shall own the project site throughout that twenty-year period. If grant funds were not used for acquisition, rehabilitation or new construction, then the period shall not be twenty years, but shall be for the term of the grant agreement and any renewal thereof. Failure to comply with the terms of this paragraph shall constitute a default under the Grant Agreement.

A default shall consist of any use of grant funds for a purpose other than as authorized by this Grant Agreement, failure in the Recipient's duty to provide the supportive housing for the minimum term in accordance with the requirements of the Attachment A provisions, noncompliance with the Act or Attachment B provisions, any other material breach of the Grant Agreement, or misrepresentations in the application submissions which, if known by HUD, would have resulted in this grant not being provided. Upon due notice to the Recipient of the occurrence of any such default and the provision of a reasonable opportunity to respond, HUD may take one or more of the following actions:

- (a) direct the Recipient to submit progress schedules for completing approved activities; or
- (b) issue a letter of warning advising the Recipient of the default, establishing a date by which corrective actions must be completed and putting the Recipient on notice that more serious actions will be taken if the default is not corrected or is repeated; or
- (c) direct the Recipient to establish and maintain a management plan that assigns responsibilities for carrying out remedial actions; or
- (d) direct the Recipient to suspend, discontinue or not incur costs for the affected activity; or

- (e) reduce or recapture the grant; or
- (f) direct the Recipient to reimburse the program accounts for costs inappropriately charged to the program; or
- (g) continue the grant with a substitute Recipient of HUD's choosing; or
- (h) other appropriate action including, but not limited to, any remedial action legally available, such as affirmative litigation seeking declaratory judgment, specific performance, damages, temporary or permanent injunctions and any other available remedies.

No delay or omission by HUD in exercising any right or remedy available to it under this Grant Agreement shall impair any such right or remedy or constitute a waiver or acquiescence in any Recipient default.

The Grantee shall comply with requirements established by the Office of Management and Budget (OMB) concerning the Dun and Bradstreet Data Universal Numbering System (DUNS), the Central Contractor Registration (CCR) database, and the Federal Funding Accountability and Transparency Act, including Appendix A to Part 25 of the *Financial Assistance Use of Universal Identifier and Central Contractor Registration*, 75 Fed. Reg. 55671 (Sept. 14, 2010)(to be codified at 2 CFR part 25) and Appendix A to Part 170 of the *Requirements for Federal Funding Accountability and Transparency Act Implementation*, 75 Fed. Reg. 55663 (Sept. 14, 2010) (to be codified at 2 CFR part 170).

This Grant Agreement constitutes the entire agreement between the parties hereto, and may be amended only in writing executed by HUD and the Recipient. More specifically, the Recipient shall not change recipients, location, services, or population to be served nor shift more than 10 percent of funds from one approved type of eligible activity to another without the prior written approval of HUD. The effective date of this Grant Agreement shall be the date of execution by HUD, except with prior written approval by HUD.

2010 SUPPORTIVE HOUSING PROGRAM RENEWAL GRANT AGREEMENT

This Grant Agreement is made by and between the United States Department of Housing and Urban Development (HUD) and the Recipient, which is described in section 1 of Attachment A, attached hereto and made a part hereof.

The assistance which is the subject of this Grant Agreement is authorized by the McKinney-Vento Homeless Assistance Act 42 U.S.C. 11381 (hereafter "the Act"). The term "grant" or "grant funds" means the assistance provided under this Agreement. This grant agreement will be governed by the Act, the Supportive Housing rule codified at 24 CFR 583, which is attached hereto and made a part hereof as Attachment B, and the Notice of Funding Availability (NOFA), that was published in two parts. The first part was the Policy Requirements and General Section of the NOFA, which was published June 11, 2010, at 75 FR 33323, and the second part was the Continuum of Care Homeless Assistance Programs section of the NOFA, which is located at <http://www.hud.gov/offices/adm/grants/nofa10/grpcoc.cfm>. The term "Application" means the application submission on the basis of which HUD, including the certifications and assurances and any information or documentation required to meet any grant award conditions, on the basis of which HUD approved a grant. The Application is incorporated herein as part of this Agreement, however, in the event of a conflict between any part of the Application and any part of the Grant Agreement, the latter shall control. The Secretary agrees, subject to the terms of the Grant Agreement, to provide the grant funds in the amount specified at section 2 of Attachment A for the approved project described in the application. The Recipient agrees, subject to the terms of the Grant Agreement, to use the grant funds for eligible activities during the term specified at section 3 of Attachment A.

The Recipient must provide a 25 percent cash match for supportive services.

The Recipient agrees to comply with all requirements of this Grant Agreement and to accept responsibility for such compliance by any entities to which it makes grant funds available.

The Recipient agrees to participate in a local Homeless Management Information System (HMIS) when implemented.

The Recipient and project sponsor, if any, will not knowingly allow illegal activities in any unit assisted with grant funds.

The Recipient agrees to draw grant funds at least quarterly.

For any project funded by this grant, which is also financed through the use of the Low Income Housing Tax Credit, the following applies:

HUD recognizes that the Recipient or the project sponsor will or has financed this project through the use of the Low-Income Housing Tax Credit. The Recipient or project sponsor shall be the general partner of a limited partnership formed for that purpose. If grant funds were used for acquisition, rehabilitation or construction, then, throughout a period of twenty years from the date of initial occupancy or the initial service provision, the Recipient or project sponsor shall continue as general partner and shall ensure that the project is operated in accordance with the requirements of this Grant Agreement, the applicable regulations and statutes. Further, the said limited partnership shall own the project site throughout that twenty-year period. If grant funds were not used for acquisition, rehabilitation or new construction, then the period shall not be twenty years, but shall be for the term of the grant agreement and any renewal thereof. Failure to comply with the terms of this paragraph shall constitute a default under the Grant Agreement.

A default shall consist of any use of grant funds for a purpose other than as authorized by this Grant Agreement, failure in the Recipient's duty to provide the supportive housing for the minimum term in accordance with the requirements of the Attachment A provisions, noncompliance with the Act or Attachment B provisions, any other material breach of the Grant Agreement, or misrepresentations in the application submissions which, if known by HUD, would have resulted in this grant not being provided. Upon due notice to the Recipient of the occurrence of any such default and the provision of a reasonable opportunity to respond, HUD may take one or more of the following actions:

- (a) direct the Recipient to submit progress schedules for completing approved activities; or
- (b) issue a letter of warning advising the Recipient of the default, establishing a date by which corrective actions must be completed and putting the Recipient on notice that more serious actions will be taken if the default is not corrected or is repeated; or
- (c) direct the Recipient to establish and maintain a management plan that assigns responsibilities for carrying out remedial actions; or
- (d) direct the Recipient to suspend, discontinue or not incur costs for the affected activity; or

- (e) reduce or recapture the grant; or
- (f) direct the Recipient to reimburse the program accounts for costs inappropriately charged to the program; or
- (g) continue the grant with a substitute Recipient of HUD's choosing; or
- (h) other appropriate action including, but not limited to, any remedial action legally available, such as affirmative litigation seeking declaratory judgment, specific performance, damages, temporary or permanent injunctions and any other available remedies.

No delay or omission by HUD in exercising any right or remedy available to it under this Grant Agreement shall impair any such right or remedy or constitute a waiver or acquiescence in any Recipient default.

The Grantee shall comply with requirements established by the Office of Management and Budget (OMB) concerning the Dun and Bradstreet Data Universal Numbering System (DUNS), the Central Contractor Registration (CCR) database, and the Federal Funding Accountability and Transparency Act, including Appendix A to Part 25 of the *Financial Assistance Use of Universal Identifier and Central Contractor Registration*, 75 Fed. Reg. 55671 (Sept. 14, 2010) (to be codified at 2 CFR part 25) and Appendix A to Part 170 of the *Requirements for Federal Funding Accountability and Transparency Act Implementation*, 75 Fed. Reg. 55663 (Sept. 14, 2010) (to be codified at 2 CFR part 170).

This Grant Agreement constitutes the entire agreement between the parties hereto, and may be amended only in writing executed by HUD and the Recipient. More specifically, the Recipient shall not change recipients, location, services, or population to be served nor shift more than 10 percent of funds from one approved type of eligible activity to another without the prior written approval of HUD. The effective date of this Grant Agreement shall be the date of execution by HUD, except with prior written approval by HUD.
