SUBJECT: Accept the 2010 Comprehensive Drug Courts Implementation (CDCI) program grant award from the California Emergency Management Agency (Cal EMA).

BACKGROUND (CONTINUED):

As a result of this application, the RCDMH Substance Abuse Program was awarded \$361,680 in Federal Funds from Cal EMA. With this grant funding, the RCDMH Substance Abuse Program will work as a collaborative agency with the Riverside County Probation Department, Riverside County Public Defender, Riverside County District Attorney, and the Superior Court of California to provide enhancements in the Drug Court treatment services available to criminal offenders convicted of non-violent drug offenses. The goals for the Cal EMA CDCI grant are as follows: (1) increase the capacity of existing Drug Court residential treatment beds; and (2) establish new sober living referrals and utilization of sober living beds. This grant will allow for the RCDMH Substance Abuse Program to add county wide accessibility to a network of sober living facilities for the Drug Court population.

The aforementioned sober living facilities will provide stable housing for Drug Court treatment recipients, and will help recovering men and women maintain an alcohol and drug free lifestyle. The RCDMH Substance Abuse Program began a formal Request for Qualification (RFQu) process in FY 2010/2011 to find the best qualified and most responsive facilities that meet the needs of this specified population. Therefore, the RCDMH Substance Abuse Program is requesting that the Board of Supervisors ratify the acceptance of the Cal EMA CDCI grant, and authorize the Riverside County Purchasing Agent to sign the existing Drug Court residential provider agreements to add Cal EMA CDCI funds, and to enter into new agreements with sober living providers for no more than \$100,000 each.

FINANCIAL IMPACT:

Under this grant award, the RCDMH Substance Abuse Program will receive \$361,680 in Federal Funds. The RCDMH Substance Abuse Program will utilize \$103,125, or \$55.00 per bed day for existing Drug Court residential beds, with the Ranch Recovery Centers; and \$84,870, or \$45.00 per bed day, for the Veterans Alcoholic Rehabilitation Program (V.A.R.P.). The per bed day rates for the Ranch Recovery Centers and V.A.R.P. were previously approved by the State of California Alcohol and Drug Programs (ADP); and the allocated amounts for the Drug Court residential providers were based on utilization and client location. One hundred seventy one thousand six hundred dollars (\$171,600) will be used for new sober living agreements based on the outcome of the RFQu. The remaining funds of \$2,085 will be used for State mandated training and travel. All the RCDMH agreements for the Cal EMA CDCI grant funds may be terminated if or when funding becomes unavailable. No County funds are required.

PERFORMANCE PERIOD:

The period of performance for this grant is January 1, 2011 through December 31, 2011. All subsequent agreements for this grant funding will be effective for an initial six month period commencing on January 1, 2011 through June 30, 2011. The Department is requesting renewal authority until 2015 for agreements associated with these grant funds in the event the grant is extended.

JUSTIFICATION FOR DELAY:

The Department of Mental Health was notified in February 2011 of the grant award, and did not receive the official grant award letter until April 18, 2011. As a result, the RCDMH Substance Abuse Program is now prepared to go to the Board of Supervisors for acceptance of this grant.
